of Investing in Real Estate reveals the secrets behind one of the hottest investment strategies available-foreclosed real estate REO (or bank-owned) foreclosures offer incredible profits-but you might be fearful of buying bad properties, or getting

into bidding wars with other prospective buyers. This insider's guide to buying and selling foreclosed property shows how to reduce the risk, find top properties, and rake in the profits. It's an all-in-one handbook packed with professional

secrets, such as where to find the best deals, when to make the smartest offer, and how to resell at the maximum price. Even in a fluctuating market, it's one investment that really pays off.

For The Small Investor  
"Reality Based" Real Estate

When has whining about the supposedly unavoidable circumstances that led to your great debt ever paid down your principle? Has complaining about how taxes and Social Security have kept you from

building up any kind of decent savings account ever increased your quarterly statements? Then stop your whining and deflecting and get to work on that financial freedom you've always dreamed of. Soldier of Finance is a no-nonsense, military-style training manual to overcoming financial obstacles and building lasting wealth. Author, army veteran, and Certified Financial Planner(TM) Jeff Rose modeled this financial survival guide on the Soldier's Handbook that is

issued to all new US Army recruits. Inside the 14 modules that Rose used to systematize his essential elements of financial success, you will learn how to: • Evaluate your position and commit to change • Target and methodically eliminate debt • Clean up your credit report • Create tactical budgets • Build emergency savings • Invest for the short and long term • Determine an affordable mortgage size • And more Complete with tales from the trenches, useful quizzes,

debriefings, and more, Soldier of Finance is the strategy manual and survival guide you need to win victory over your debt and bring order and prosperity to your life.

Booksmart Press LLC "Beginning investors have long assumed that there were a bunch of good books about foreclosure. In fact, there were none. Now, finally, there is one good one: John Schaub's Building Wealth Buying Foreclosures." —John T. Reed, author of How to Buy Real Estate for at Least 20% Below Market Value Foreclosures are one of the biggest real estate investment opportunities available in today's market. They also

have a compelling benefit--when you buy a property on the brink of foreclosure, you're solving that problem for the previous owner, and getting a great deal in the process. Building Wealth Buying Foreclosures helps you target top properties and get the best deal, with tips on how to avoid scams, insight into the lender's perspective, and a checklist that helps you keep track of every step of the way. Inside information on how to Target only the right properties to buy

Negotiate the best price  
Get a good deal on a mortgage  
Make the right offer at the right time  
Understand the lender's perspective  
Make sense of title insurance  
Decide to rent or sell the property  
"This is the most practical book on 'doing well by doing good' that I have ever read. My only hesitation in recommending it is that I may find myself competing against another investor who has read it because of my recommendation."--Dr. Gary North, Remnant

Review "With foreclosures at an all time high, there's never been a better opportunity to buy good real estate at a bargain price. John Schaub, my favorite real estate guru for 30 years, shows you how to do it without getting into trouble. This book is a gold mine of how to buy real estate cheaply and profitably. Most other real estate gurus do one or the other, but not both!" --Mark Skousen, Editor, Forecasts & Strategies "John is the master of Real Estate Investing. His books show

the reader how to build a successful investment business. Building Wealth Buying Foreclosures could not be more timely. This easy to understand and friendly book is a must for anyone desiring to achieve wealth through Real Estate." --Lisa Moren-Bromma, author of Wise Women in Real Estate and Real Estate Investing for The Utterly Confused How To Make Millions in Foreclosures Now Independently Published The ultimate win-win marketing machine. There is finally an ethical and

profitable way to invest in real estate foreclosures, that helps the distressed sellers come out better and let's the buyer win as well. Homeownership today is at an all-time high, and so is the foreclosure rate as a result. As easy credit and a weakening economy takes it's toll, investors can profit in a very unique way. In every economic cycle there is also opportunity. I'm not suggesting one take advantage of people in distress, but merely to recognize how structure

transactions in an ethical way in which and investor, with little or no money themselves, can help distressed home sellers improve their situation. All the while, the investor can profit \$40,000 to \$60,000 or more per transaction. Without Cash Or Credit Atlantic Publishing Company Make Money and Help Your Community at the Same Time "This book shows you the most powerful, practical system ever discovered to make money buying pre-

foreclosures. If you follow its advice, it could make you rich." --Brian Tracy, bestselling author of *The Psychology of Achievement* "What great content and a fresh approach to the business of foreclosure investing. Alexis has it right--believe in yourself and what you do, be open and honest with others, and work hard. You'll make a great living and enjoy life along the way." --Barbara Corcoran, founder of the Corcoran Group and bestselling author of *If You Don't Have Big*

*Breasts, Put Ribbons on Your Pigtails: And Other Lessons I Learned from My Mom* "This book shares with readers the right and moral way to invest in pre-foreclosures. Author Alexis McGee shows you that you can help homeowners and make a profit. This book is a must for all real estate investors, whether you are working on your first deal or your twentieth!" --Diane Kennedy, bestselling author of *Loopholes of the Rich* and coauthor of *The Maui Millionaires* "Want to

make money the honest way? Read Alexis McGee's great ideas on real estate foreclosures, and you'll have access to a wealth of know-how, experience, and years of success. You'll learn from people who have done it--not just ideas, but stuff that works in the real world." --Ron Willingham, author of *The Inner Game of Selling and Integrity Selling for the 21st Century*

Real Estate investing has been a tried and true path to accumulating wealth. It is also a lot of work. There are many unseen pitfalls and risks. John Mazzara has successfully sold, owned/managed, and financed investment properties since 1986. Experience counts. John provides you with direction and recommendations so that you can correctly identify opportunities in

today's real estate investing marketplace. There are real life examples from the trenches. Unlike other books, you will be given an overview of the big picture so that you can put it all together: goals creation, property selection, holding period considerations, tax strategies, correct financing, proper insurance and tenant management. The book title refers to "reality based" investing because too many books base their information on

unrealistic assumptions or gloss over the work involved to become successful. This information is applicable to landlords and budding real estate entrepreneurs everywhere.

Are you really ready to invest in the real estate market? This is the question the *Smart & Easy Guide to Real Estate Investing* asks you at the end of the introduction, after giving you an overview of the intricacies and peculiarities of the real estate business.

Replete with practical and professional advice and step-by-step, easy guidance, this book should be read by everyone who intends buying a property for any

reason. Written by a Realtor who today holds a broad portfolio of local and international properties, this Guide offers only genuine, unbiased advice for the benefit of an average real estate investor. However, the guidance herein can be used for buying residential and commercial properties of all sizes and value. Some of the topics of this *Smart & Easy Guide* include:

- Real estate planning
- Property selection, inspection and evaluation
- How to go

about raising the finances• How to control risk and boost your ROI• Bargaining and negotiating the best deal• Timing your buying and selling decisions• Flipping and foreclosures• Considerations for renting a property• Commercial real estate investments and their complications• Tax issues facing investors• Investing in real estate mutual fundsReal estate can be termed as the sturdiest of all businesses. Barring exceptions, the value of a property in a growing

market always goes up, unlike stock investments and other types of business. Also, unlike stocks, bonds or forex, property is a real asset. However, the real estate business is not free of problems and pitfalls. Making money with property investments requires a good understanding of the market and a lot of hard work. The book covers every aspect of real estate investing and gives you specific directions to channelize your energies. If you have failed to plan,

you have planned to fail. The first thing that you need is an investment plan, and that's what the first chapter after the introduction talks about. It prompts you to think about various aspects of your investment, and gives you valuable tips about selecting and inspecting properties. Financing your real estate investment is a critical area, and the book covers the subject comprehensively, giving you solid advice about the available avenues of financing and the ones

that you should be going for. As the saying in the real estate business goes, 'you don't make money selling properties, but buying them'. It is important to negotiate a good price and buy properties at below their assessed market value if you want a high ROI on your sale. The book has a chapter on bargaining, which contains some valuable tips on the subject. Sticking to a property for too long or selling it too soon can be counterproductive. Timings of your

investment and liquidation are key, and the Guide lets you in on some insights that must have taken the author years of real estate investing to acquire. Man has a natural affinity to land, and real estate can be a fulfilling business, provided it's profitable. Like any other business, real estate also has specific considerations that are often unknown to a fresh starter. This Smart & Easy Guide provides the roadmap to profitable real estate investing for everyone.
