GIANCARLO HASSAN

Canadian Human Resource Management, Ninth Edition Cengage AU

Provides a brief introduction to human resource management. This book focuses on the uses of human resources for the general population. A comprehensive instructor's manual, test bank, PowerPoint presentation and a complete Online Learning Center make course preparation easy.

Managing People Globally Irwin/McGraw-Hill

Steen/Noe Fifth Canadian Edition has been written to make HR more accessible to students, more reflective of their situation, and more about them. Today, every manager is "in HR", and every employee is actively engaged in the process of HRM, regardless of whether they aspire to be a manager or an HR professional. Students will experience HRM every day of their working lives, from how they are perceived by recruiters to completing a performance appraisal, to being promoted or fired. When students ask "What's In It For Me?", the Fifth Canadian Edition will show them just how relevant HRM is to them as people, employees and eventually managers. This easy to read and relevant 11 chapter human resource management text is ideal for a one-semester course. Steen/Noe balances theory with practical application and rich examples that support the need for foundational HRM, thought leadership and applied insight necessary to perform and thrive in organizations today.

Introducing Human Resource Management Vikas Publishing House

Fiona McQuarrie's *Industrial Relations in Canada* received wide praise for helping students to understand the complex and sometimes controversial field of Industrial Relations, by using just the right blend of practice, process, and theory. The text engages business students with diverse backgrounds and teaches them how an understanding of this field will help them become better managers. The fourth edition retains this student friendly, easy-to-read approach, praised by both students and instructors across the country. The goal of the fourth edition was to enhance and refine this approach while updating the latest research findings and developments in the field.

Human Resource Management, 2nd Edition Human Kinetics

Dessler: Preparing today's students to be tomorrow's HR Professionals *Human Resources Management in Canada* gives an in-depth look at the key topics covered in an introductory course, balancing theory and practice. Appropriate for both future HR Professionals and future line managers, it references the RPCs that are necessary for certification while balancing this with the line manager's perspective, showing the importance of HRM in daily interactions and in achieving corporate objectives. Resources Management in Canada, Thirteenth Canadian Edition

Canadian Human Resource Management John Wiley & Sons

Human Resource Management provides readers with a complete, comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form. Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.

Fundamentals of Human Resource Management with CD & Powerweb John Wiley & Sons

Human Resource Management, 2e, presents multifaceted, up-to-date and all-inclusive information which will be useful to students and professionals pursuing human resource management (HRM). Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM, which capture the evolving challenges in the field. Application approach is followed to enrich them with as many examples as possible from not only India but from the world over, making the topics more meaningful.

Meeting the Challenge of Human Resource Management Pearson UK

While communicating is a vital skill for managers at all organizational levels and in all functional areas, human resource managers are expected to be especially adept communicators, given the important interpersonal component of their roles. Practitioners and scholars alike stand to benefit from incorporating an updated and more nuanced view of communication theory and practice into standard human resource management practices. This book compiles readings by thought leaders in human resource management and communication, exploring the intersection of interests, theories, and perspectives from the two fields to highlight new opportunities for research and practice. In addition to covering the foundations of strategic human resource management, the book: offers a critical review of the research literature on topics including recruitment, selection, performance management, compensation, and development uses a communication perspective to analyze the impact of corporate strategy on human resource systems investigates the key human resource management topic of the relationship between a company's human capital and its effectiveness directly discusses the implications of communication literature for human resource management practice Written at the cross-section of two established and critically linked fields, this book is a must-have for graduate human resource management and organizational communication students, as well as for high-level human resource management practitioners.

Strategic Human Resource Management Walter de Gruyter GmbH & Co KG

Effective Human Resource Management is the Center for Effective Organizations' (CEO) sixth report of a fifteen-year study of HR management in today's organizations. The only long-term analysis of its kind, this book compares the findings from CEO's earlier studies to new data collected in 2010. Edward E. Lawler III and John W. Boudreau measure how HR management is changing, paying particular attention to what creates a successful HR function—one that contributes to a strategic partnership and overall organizational effectiveness. Moreover, the book identifies best practices in areas such as the design of the HR organization and HR metrics. It clearly points out how the HR function can and should change to meet the future demands of a global and dynamic labor market. For the first time, the study features comparisons between U.S.-based firms and companies in China, Canada, Australia, the United Kingdom, and other European countries. With this new analysis, organizations can measure their HR organization against a worldwide sample, assessing their positioning in the global marketplace, while creating an international standard for HR management.

Human Resource Management Palgrave

The Present Book Is The Most Authentic Presentation Of Contemporary Concept, Tools And Application Of Human Resource Management. All The Latest Developments In The Arena Have Been Incorporated. It Remarkably Differs From The Books On The Subject Written In A Conventional Manner As It Does Not Attempt To Rediscover Personnel Management Under The Garb Of Human Resource Management. A Separate Chapter On Strategic Human Resource Management Is The Uniqueness Of This Book. Attempt Has Been Made To Provide For The Ambitious Students And The Inquisitive Scholars A Comfortable, Genuine And Firm Grasp Of Key Concepts For Practical Application Of Human Resource Management Techniques In Actual Business Organisations. Review Questions Have Been Provided At The End Of Each Section To Help The Students Prepare Well For The Examination. In Its Description Of The Entire Conceptual Framework Of Human Resource Management, Care Has Been Taken To Avoid Jargons Which Usually Obscure A Work Of This Kind. Another Speciality Of The Book Is That It Can Be Used As A Textbook By Students And As Handbook By Hr Managers And Practitioners. It Will Be Highly Useful For The Students Of Mba/Mhrm/Mpm/MIW/Msw In Hrm And M.Com. Courses Of All Indian Universities.

Theory and Practice South-Western Pub

Human resource management (HRM) can aid nonprofit organizations (NPOs) in facing uncertain, changing environments of funding pressures, increasing competition and demand for services as well as internal challenges. As the distinguishing features of NPOs can render the professionalization of HRM different from the private and public sectors, this book fills a gap in the literature by offering an in-depth look at how this distinctive nature of NPOs shapes the development and implementation of their HR practices. Timely and topical, this book addresses the professionalization of HRM in the nonprofit sector using examples from an exploratory multiple case study of NPOs selected across different fields. Not only does it offer both students and practitioners in the field of HRM and nonprofit management a better understanding of the specific challenges for HRM that stem from the management of several, contradictory bottom lines in NPOs, but it also highlights the opportunities that distinguishing nonprofit features create for the development and implementation of HR practices. By illustrating how NPOs can invest in learning and adapting processes that aid them in the alteration of HRM, this book is an essential resource for those involved in designing, implementing and studying HRM in NPOs.

Implementing Best Practices in Human Resources Management Routledge

The new edition of this SAGE Handbook builds on the success of the first by providing a fully updated and expanded overview of the field of human resource management. Bringing together contributions from leading international scholars - and with brand new chapters on key emerging topics such as talent management, engagement , e-HRM and big data - the Handbook focuses on familiarising the reader with the fundamentals of applied human resource management, while contextualizing practice within wider theoretical considerations. Internationally minded chapters combine a critical overview with discussion of key debates and research, as well as comprehensively dealing with important emerging interests. The second edition of this Handbook remains an indispensable resource for advanced students and researchers in the field. PART 01: Context of Human Resource Management PART 02: Fundamentals of Human Resource Management PART 03: Contemporary Issues

Essentials of International Human Resource Management SAGE Publications

Fundamentals of Human Resource Management: People, Data, and Analytics provides a current, succinct, and interesting introduction to the world of HRM with a special emphasis on how data can help managers make better decisions about the people in their organizations. Authors Talya Bauer, Berrin Erdogan, David Caughlin, and Donald Truxillo use cutting-edge case studies and contemporary examples to illustrate key concepts and trends. A variety of exercises give students hands-on opportunities to practice their problem-solving, ethical decision-making, and data literacy skills. Non-HR majors and HR majors alike will learn best practices for managing talent in today's ever-evolving workplace.

Understanding Human Resources Management SAGE

A comprehensive guide to managing human resources in the hospitality industry Managing human resources in the hospitality industry presents special challenges, including highly diverse employee backgrounds and roles, an ever-present focus on guest services, and organizational structures that often diverge from generic corporate models. By making such industry-specific concerns the cornerstone of its approach, "Human Resources Management in the Hospitality Industry" provides the definitive guide to successfully employing people in a hospitality organization. The book approaches hospitality human resource (HR) management as a decision-making practice that affects the performance, quality, and legal compliance of the hospitality business as a whole. Beginning with a foundation in the hospitality industry, employment law, and HR policies, the coverage includes recruitment, training, compensation, performance appraisal, environmental and safety concerns, ethics and social responsibility, and special issues. Throughout the book, "Human Resources Management in the Hospitality Industry" focuses on unique HR dilemmas faced by managers in the hospitality industry, including: Understanding the needs of a broad employee group, from hourly workers with tip credit eligibility questions to high-level accountants ensuring Sarbanes-Oxley compliance How hospitality managers who must act as one-person HR departments can make effective decisions and understand the consequences to themselves, their workers, and employers Working with labor unions in the hospitality industry using the labor-related legislation that affects the industry Managing employees in a global hospitality enterprise Practical and realistic case studies and numerous examples from various hospitality operations bring the material alive. Internet activities, learning objectives, "It's the Law" features, current events discussions, review questions, and other important features also help create a dynamic learning experience for readers. Written by two authors experienced in both hospitality management and education, "Human Resources Management in the Hospitality Industry" represents the most comprehensive, technically accurate, and valuable resource available on the topic.

Human Resources Management in Canada, Thirteenth Canadian Edition, Loose Leaf Version Vikas Publishing House

"This first edition is an Introduction to Human Resource Management text for students in Intro HR courses, who do not plan to become HR practitioners. It views the various HR functions through a general manager's lens, rather than an HR specialist's lens, providing a less technical and more applied introduction to the field."--

Effective Human Resource Management Routledge

Human Resource Management in Sport and Recreation, Third Edition, provides current and future practitioners with a solid foundation in research and application of human resource management in the sport and recreation industries. The third edition prepares students for success by bringing into focus the three divergent groups of people who constitute human resources in sport and recreation organizations: paid professional workers, volunteers, and the clients themselves. Dr. Packianathan Chelladurai, pioneer in the field of sport management, continues to bring his expertise to this edition; he is joined by new coauthor Dr. Shannon Kerwin, an active researcher in organizational behavior and human resource management in sport. With more than 50 collective years of experience in teaching management of human resources, Chelladurai and Kerwin synthesize the core dynamics of human resources and the management of these resources as well as the role of the sport and recreation manager. The third edition's updated references, examples, and studies reflect the increased growth, interest, and complexity in human resource management in recreation and sport in recent years. Additional enhancements of the third edition include the following: • A new opening chapter on the significance of human resources describes consumer services, professional services, and human services and provides a model for the subsequent chapters. • A greater emphasis is placed on recruitment and training as an essential component of success. • New "Technology in Human Resource Management" and "Diversity Management of Human Resources" sidebars connect theory to practice for sport managers as they confront contemporary issues in the workplace. • Case studies at the end of each chapter help students apply concepts from the chapter to real-world scenarios. • Instructor ancillaries help instructors prepare for class with the use of an instructor guide with a syllabus, tips for teaching, and additional resources, as well as an image bank. In addition, updated pedagogical aids include learning objectives, summaries, lists of key terms, comprehension questions, and discussion questions to guide student learning through each chapter. Sidebars throughout the text provide applied concepts, highlight relevant research, and offer digestible takeaways. Organized into four parts, the text begins by outlining the unique and common characteristics of the three groups of human resources in sport and recreation. Part II focuses on differences in people and how the differences affect behavior in sport and recreation organizations. In part III, readers explore significant organizational processes in the management of human resources. Part IV discusses two significant outcomes expected of human resource practices: satisfaction and commitment. Finally, a conclusion synthesizes information and presents a set of founding and guiding themes. Human Resource Management in Sport and Recreation, Third Edition, explains essential concepts in human resources in the sport and recreation industries. The authors present a clear and concise treatise on the critical aspects of management of human

resources within sport and recreational organizations to help aspiring and current professionals maximize their potential in the field.

Fundamentals of Human Resource Management Edward Elgar Publishing

This casebook is a collection of international teaching cases focusing on contemporary human resource management issues. Each case centers primarily on one country and illustrates a significant challenge faced by managers and HR practitioners, helping students to understand how the issues they learn about in class play out in the real world. The cases emphasize the national and cultural contexts of HR management, providing readers with a global understanding of employee motivation, reward systems, recruitment and selection, career development, and more. In this edition, the editors and authors have made significant updates to reflect recent developments in the field and cover a broader range of countries in Eastern Europe and Africa. The authors also delve into new industries like food service, clothing manufacturing, and transportation as well as IT and academia. Recommendations for further reading and relevant videos provide readers with practical insights into the modern HRM field. With more than 30 cases followed by questions and tasks to encourage reflection, this is a valuable companion for any student of human resource management.

An International Perspective Atlantic Publishers & Dist

In a constantly evolving service-led Indian economy, human resources have become the cornerstone of an organization's success. The management of human capability has become an art that has to be understood and mastered to run a successful enterprise. *Human Resource Management: Text and Cases, 2e*, explains the basic concepts of this discipline and presents cases that provide an insight into the challenges faced by HR professionals on a day-to-day basis. Going beyond the coverage of a traditional textbook, this book focuses on applied aspects of HRM, which capture the evolving challenges in the field. The authors have used their extensive real-world work experience in talent acquisition, and human resource development and retention to provide lucid explanation of all major concepts of human resource management. Replete with examples and cases, this title is a complete guide for all MBA students and HR practitioners. KEY FEATURES • Extensive coverage of HR best practices and innovations • Sample 'ready-to-use formats' of relevant documents • Thought-provoking chapter opening cases to set the context for learning in the text ahead • Application cases to showcase real-world implementation of concepts • PowerPoint slides and Question Bank for teachers

The Essentials, Fifth Canadian Edition, Loose Leaf Version Stanford University Press
