This is the best John le Carré novel in at the very least 16 years! He's finally toned down the rabid anti-Americanism that characterized, and often overpowered, his writing since 9/11. Perhaps this is because he is now aware so it has badly tainted his craft and alienated an amazing swath of his former audience.Telemetry Principles By PatranabisAbeBooks.com: Telemetry Principles: The book carefully details the entire process of Telemetry involving the processing of source variables, their coding, transmission and finally the reception.
