HUGHES SINGH

*Research Methods For
Business* Gale and the
British Library
The best-selling text of
its kind on the market,
**BUSINESS ETHICS:
CASE STUDIES AND
SELECTED READINGS,**

7th Edition gets behind
the decision-making
process of business
leaders today to
illustrate why good
leaders often make
questionable decisions.
This fascinating
collection exposes
common themes in
less-than-ethical
decision making, and

shows why leaders make ethical compromises in business that they would not make in their personal lives. A combination of short and long cases, readings, hypothetical situations, and current ethical dilemmas, **BUSINESS ETHICS: CASE STUDIES AND SELECTED READINGS** provides students with a stimulating and thorough basis for evaluating business ethics, and encourages stronger values in future business leaders. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. [ACA Ethical Standards Casebook](#) John Wiley & Sons
This best-selling

anthology of readings with case studies provides insightful and comprehensive treatment of ethical issues in medicine. Appropriate for courses taught in philosophy departments, bioethics programs, as well as schools of medicine and nursing, the collection covers such provocative topics as biomedical enhancement, clinical trials in developing countries, animal research, physician-assisted suicide, and health care reform. The text's effective pedagogical features include chapter introductions, argument sketches, explanations of medical terms, headnotes, and annotated bibliographies. [Just Business](#) John

Wiley & Sons
Ethics is at the heart of leadership. All leaders assume ethical burdens and must make every effort to make informed ethical decisions and foster ethical behavior among followers. The Sixth Edition of *Meeting the Ethical Challenges of Leadership: Casting Light or Shadow* explores the ethical demands of leadership and the dark side of leadership. Author Craig E. Johnson takes a multidisciplinary approach to leadership ethics, drawing from many fields of research to help readers make moral decisions, lead in a moral manner, and create an ethical culture. Packed with real-world case studies, examples, self-assessments, and applications, this fully-

updated new edition is designed to increase students' ethical competence and leadership abilities. *Business Ethics, Seventh Edition* John Wiley & Sons
The Ethics of Management: A Multidisciplinary Approach combines economic outcomes, legal requirements, and ethical principles to provide an explicit three-part framework to analyze problems faced by today's businesses. *Business and Professional Ethics* McGraw-Hill Education
Packed with real-life examples of business decisions gone awry, the book explores the complex issues of business ethics from the leaders' perspectives. This best-selling text offers

a rare collection of readings which examines the business decision-making processes of many types of leaders, while revealing some of the common factors that push them over ethical lines they might not otherwise cross.

The Ethics of Management Cengage Learning

Resolving Moral Issues in Business. The ethical landscape of business is constantly changing, and the new edition of Business Ethics: Concepts and Cases has been revised to keep pace with those changes most effecting business: accelerating globalization, constant technological updates, proliferating of business scandals. Business Ethics: Concepts and Cases introduces the reader

to the ethical concepts that are relevant to resolving moral issues in business; imparts the reasoning and analytical skills needed to apply ethical concepts to business decisions; identifies moral issues specific to a business; provides an understanding of the social, technological, and natural environments within which moral issues in business arise; and supplies case studies of actual moral conflicts faced by businesses.

A Skill Building Approach South Western Educational Publishing
Business Ethics: Best Practices for Designing and Managing Ethical Organizations, Second Edition focuses on how to create organizations of high integrity and

superior performance. Author Denis Collins shows how to design organizations that reinforce ethical behavior and reduce ethical risks using his unique Optimal Ethics Systems Model that outlines how to hire and train ethical employees, make ethical decisions, and create a trusting, productive work environment. Taking a practical approach, this text is packed with tips, strategies, and real-world case studies that profile a wide variety of businesses, industries, and issues. **New to This Edition:** Premium Ethical Dilemma videos located in the Interactive eBook challenge students to practice their ethical reasoning and ethical decision-making skills.

New case studies tackle complex ethical issues through real-world companies such as the NFL, Wells Fargo, Exxon Mobil, and Volkswagen. New chapter-opening ethical dilemmas based on real situations allow students to grapple with the grey areas of business ethics. Optimal Ethics System Check-Up surveys summarize the best practices discussed in the chapter to allow students to assess, benchmark, and continuously improve their own organization. Ethics in the News activities profile real-world events such as United Airlines' removal of a passenger on an overbooked flight to challenge students to think critically about how

they would respond in a particular situation. Up for Debate features highlight contentious issues that students encounter in real life (such as Facebook privacy).

Business Ethics John Wiley & Sons
Ethical Issues in Developing Business Policies
Ethics and the Conduct of Business is a comprehensive and up-to-date discussion of the most prominent issues in the field of business ethics, and the major positions and arguments on these issues. Numerous real-life examples and case studies are used throughout the book to increase understanding of issues, stimulate class discussion, and show the relevance of the discussion to real-life business practice.
Note: The focus of

Ethics and the Conduct of Business is primarily on ethical issues that corporate decision makers face in developing policies about employees, customers, and the general public. The positions and arguments on these issues are taken from a wide variety of sources, including economics and the law. Teaching and Learning Experience Improve Critical Thinking - A substantial amount of legal material is contained within Ethics and the Conduct of Business. Not only because the law addresses many ethical issues, but also because the management decision-making process must take into account relevant legal practices. Engage

Students - This book employs fifty case studies that firmly illustrate the wide variety of issues pertaining to business ethics and enable students to engage in ethical decision making. Support Instructors - Teaching your course just got easier! You can create a Customized Text or use our Instructor's Manual, Electronic "MyTest" Test Bank or PowerPoint Presentation Slides. Plus, a substantial number of cases within Ethics and the Conduct of Business provide the opportunity for a case-study approach or a combined lecture/discussion format for your course. Business Ethics, Seventh Edition Wiley Combining engaging discussions and

stimulating new case studies, BUSINESS ETHICS: A TEXTBOOK WITH CASES gives students a comprehensive survey of business ethics that will guide them toward becoming ethical professionals, even if they have never studied philosophy before. Rich with real-world examples, BUSINESS ETHICS: A TEXTBOOK WITH CASES invites students to critically analyze and apply a broad range of philosophical concepts and principles to today's most important issues in business and beyond. BUSINESS ETHICS: A TEXTBOOK WITH CASES is a concise (without readings) and updated version of the eleventh edition of MORAL ISSUES IN BUSINESS. BUSINESS

ETHICS: A TEXTBOOK WITH CASES is also available in an eBook format. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Ethics

Cengage Learning Filled with real-world case studies and examples of ethical dilemmas, Understanding Business Ethics, Third Edition prepares students and managers alike to make ethical decisions in today's complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic

planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text's 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that is relevant and meaningful to students' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new coverage of emerging topics such as big data and social media, expanded coverage of corporate social

responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!

Straight Talk about how to Do it Right

Prentice Hall

How can you be an ethical corporate citizen in an increasingly complex, multiple-stakeholder world? This is the most pressing question facing businesses today, small and large, local and global.

Business Ethics is a thorough yet accessible exploration of the main ethical theories and how these apply to the major stakeholders facing this question. Written from a truly international perspective and supported by diverse

and innovative learning features, this book provides the tools and concepts necessary to understand and effectively manage ethical challenges wherever you are in the world. 'Key Concepts' and 'Think Theory' boxes ensure the essential ideas are straightforward to grasp but don't go unchallenged, while 'Ethics in Action' boxes and Case Studies illustrate these ideas at play in the working world. Step into the shoes of a decision-maker with 'Ethical Dilemma' boxes and hear from them first hand with new 'Practitioner Spotlight' boxes, which feature fascinating insights from real-life practitioners on how they manage ethical decisions and what

skills they consider to be crucial to success. The fourth edition offers a wealth of new cases and examples as well as updates of favourites from previous editions, including features on AirBnB, TOMS, and McDonalds. Bespoke video interviews with the practitioners from the book and new multiple-choice questions enhance the online resources for students, while workshop and flipped classroom activity ideas support lecturers. In addition, content has been thoroughly updated across the book and online to reflect the latest developments and issues surrounding corporate citizenship, globalization, and sustainability. Award-winning, best-selling,

and up-to-date; this is the textbook of choice for those wishing to excel in business ethics. Pocket Dictionary of Ethics SAGE Publications. Widely praised for its balanced treatment of computer ethics, Ethics for the Information Age offers a modern presentation of the moral controversies surrounding information technology. Topics such as privacy and intellectual property are explored through multiple ethical theories, encouraging readers to think critically about these issues and to make their own ethical decisions.

Business Ethics InterVarsity Press **BUSINESS & PROFESSIONAL ETHICS FOR DIRECTORS, EXECUTIVES & ACCOUNTANTS, 5E, INTERNATIONAL EDITION** delivers an

insiderÆs look at actual companies in the face of a wide range of ethical dilemmas. Providing real-world examples of ethical issues in the workplace, this accounting text gives you insight into the development of sound patterns of behavior on the part of directors, executives, and accountants. Current cases and key readings provide an interesting, challenging, and practical learning experience.

Business Ethics

McGraw-Hill Medical Publishing

BUSINESS AND SOCIETY employs a stakeholder management framework. This framework emphasizes a business's social, legal, political, and ethical

responsibilities to both external and internal groups that have a stake, or interest, in that business. It is a fundamental goal of the course that students really get that responsible business decision makers strive to balance and protect the interests of various stakeholders-investors, employees, community, environment, etc. An emphasis is also placed on the fact that one needs to understand that business situations will continually arise that will truly test ones values and ethics. BUSINESS AND SOCIETY not only exposes students to diverse and important stakeholder and ethical frameworks for considering and protecting stakeholder

interests, through its use of cases and other real-world applications, this text enhances the precision with which students think about and practice ethical decision making. Opportunities to apply stakeholder and ethical systems to specific business problems abound, and questions are provided with all cases and applications to focus student reasoning, ensuring excellent preparation for class discussions.

Business Ethics

Rowman & Littlefield Publishers

The seventh edition of this pragmatic guide to determining right and wrong in the workplace is updated with new case studies, exercises, and ancillary materials. Joseph Weiss's *Business Ethics*

is a pragmatic, hands-on guide for determining right and wrong in the business world. To be socially responsible and ethical, Weiss maintains, businesses must acknowledge the impact their decisions can have on the world beyond their walls. An advantage of the book is the integration of a stakeholder perspective with an issues and crisis management approach so students can look at how a business's actions affect not just share price and profit but the well-being of employees, customers, suppliers, the local community, the larger society, other nations, and the environment. Weiss includes twenty-three cases that immerse students directly in

contemporary ethical dilemmas. Eight new cases in this edition include Facebook's (mis)use of customer data, the impact of COVID-19 on higher education, the opioid epidemic, the rise of Uber, the rapid growth of AI, safety concerns over the Boeing 737, the Wells Fargo false saving accounts scandal, and plastics being dumped into the ocean. Several chapters feature a unique point/counterpoint exercise that challenges students to argue both sides of a heated ethical issue. This edition has eleven new point/counterpoint exercises, addressing questions like, Should tech giants be broken apart? What is the line between free speech and dangerous

disinformation? Has the Me Too movement gone too far? As with previous editions, the seventh edition features a complete set of ancillary materials for instructors: teaching guides, test banks, and PowerPoint presentations.

Ethics, Seventh
Edition
A Stakeholder
and Issues

Management Approach
 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. This interesting, comprehensive book about business ethics argues that ethics is the 'glue' that makes successful business possible. It allows the reader to see the whole range of issues in business ethics rather than just selected topics. Its focus on internationalization and globalization is

important, as it relates facts about this dynamic, growing aspect of corporate business. Business Ethics 7e not only covers ethics, it also includes such topics as: management, production, marketing, finance, workers' rights, and environmental issues; it enables readers to see how all of the issues presented are interrelated. An excellent resource and reference text for international corporate employees, marketing administrators, and human resource managers and employees.
