A provocative, lively and informative book containing a down-to-earth review of lesbian sex which explores what lesbians do, how they do it and how often. Contains informed discussion on many issues affecting lesbian sexual health and well-being, including the latest thinking on HIV/AIDS, the SM debate, social lubricants, the lesbian 'bed-death' theory, monogamy and non-monogamy, the impact of long-term illness on sexual relationships, abuse and safer sex information. Accessible, entertaining and original, *Undressing Lesbian Sex* is the first British book on the subject and it is based on extensive empirical research in this country. The results of the UK's first-ever lesbian sex survey, which was widely distributed throughout the country, are analysed and explored here in the broader context of lesbian life in the nineties.

Over the course of a year, *German for Everyone Junior: Five Words a Day* teaches new vocabulary to children who are starting to learn German.

Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want. With over 1,000 German words, *Five Words a Day* is a colorful, clear, and

comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home.

The faeries of *Whispering Wood* plan to modernise themselves so that people will start believing in them again. They ask a sprite to teach them about new technology, and inadvertently enlist the help of Finlay, an elficologist, along with Mrs Bell who owns the ice cream shop, and her shifty cat. They also try to hire a newspaper journalist to help with their publicity campaign, and

unwittingly become the target of an unscrupulous reporter known as the Horrible Hack. Thankfully, they have the back up of the Wandflower faeries, led by Scabious Violetshifter, editor of the Faerie News, Winter Wolf-Bane his sub-editor, and faerie photo-journalist, Flaxy Blewit, together with Nettle-Wick the troll. Apart from convincing humans that they exist to prevent themselves from fading, dealing with the Horrible Hack, and thwarting the press, the faeries have to fight the black heart, a faerie who is lurking in Whispering Wood with the darkest of intentions. Written with a liberal dash of humor, the story is really about the interaction of the characters, showing the worst of faerie and human nature at its magical best.
