Simple Steps to Impossible Dreams

Sourcebooks, Inc.

Reviews: "Vic Johnson's tried and true methods will expand your vision, invigorate your imagination and set you on the path to living the life you dream." Jim Rohn, America's Foremost Business Philosopher "1 chapter into the book and already I have made a 'dream list.' I am looking forward to doing the other 12 action steps in the book. I find that when an author has you take action steps, you're no longer just reading a book, you are taking a class. A course if you will."

Amazon reader review "Vic's writing style has a way of taking timeless wisdom and putting it in words that are down-to-earth and easy to understand."

Amazon reader review "This book contains no "fluff." Vic Johnson brings information together from many sources and he tells it like it is. Each chapter has action steps to reinforce the ideas as you learn them."

Description: Are you ready to achieve virtually anything you want, even if you've failed at every goal you've ever set? These 13 "secrets" are the proven formula used by world-class achievers across the ages. We live in a time where many people have lost touch with the qualities that produce extraordinary lives. Imagination, ingenuity, drive, and a no-fear, no-quitters allowed mentality often seem to be disappearing from our culture and our world. This is a book for

everyone who has ever had a dream. This book will teach you how to set goals and achieve that dream, step-by-step and day-by-day. You'll discover some great news! If you've been struggling, if you've ever felt like you were going "nowhere fast," you'll learn that it's not because there's something intrinsically wrong with you. You'll learn, instead, that it has a lot to do with ways of thinking that you've adopted in the past. This is great news because you can change the way you think, speak, and act. Success isn't the result of winning some sort of lottery. It's the result of applying the right principles with the right action and the right mindset. Do you feel like you're stuck? Do you feel like you've been watching life pass you by? Then this book is written with you in mind. About the Author Despite being totally unknown in the personal development industry when he launched his first website in 2001, Vic Johnson has gone on to become an international expert in goal setting and host of the popular TSTN show Goals 2 Go. Evicted from his home in 1996 and his last car lost to repossession a year later, his story has become an oft-quoted source of inspiration to the more than 300,000 subscribers he serves worldwide. He is the author of the bestselling book Day by Day with James Allen and has appeared in numerous video programs with Bob Proctor, Jim Rohn, Brian Tracy, Denis Waitley and Mark Victor Hansen. *** Includes an offer for a free goal setting worksheet and video ***

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *The Richest Man Who Ever Lived* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

Ideas don't sell themselves. As the forces of globalization, automation, and artificial intelligence combine to disrupt every field, having a good idea isn't good enough. Mastering the ancient art of persuasion is the key to standing out, getting ahead, and achieving greatness in the modern world. Communication is no longer a "soft" skill—it is the human edge that will make you unstoppable, irresistible, and irreplaceable—earning you that perfect rating, that fifth star. In *Five Stars*, Carmine Gallo, bestselling author of *Talk Like TED*, breaks down how to apply Aristotle's formula of persuasion to inspire contemporary audiences. Gallo interviews neuroscientists, economists, historians, billionaires, and business leaders of companies like Google, Nike, and Airbnb to show first-hand how they use their words to captivate your imagination and ignite your dreams. In the knowledge age—the information economy—you are only as valuable as your ideas. *Five Stars* is a book to help you bridge the gap between mediocrity and exceptionality, and gain your competitive edge in the age of automation. In *Five Stars*, you will also learn: -The one skill billionaire Warren Buffett says will raise your value by 50 percent. -Why your job might fall

The bestselling author of Pledged returns with a groundbreaking look at the pressure to achieve faced by America's

teens In Pledged, Alexandra Robbins followed four college girls to produce a riveting narrative that read like fiction. Now, in *The Overachievers*, Robbins uses the same captivating style to explore how our high-stakes educational culture has spiraled out of control. During the year of her ten-year reunion, Robbins goes back to her high school, where she follows heart-tuggingly likeable students including "AP" Frank, who grapples with horrifying parental pressure to succeed; Audrey, whose panicked perfectionism overshadows her life; Sam, who worries his years of overachieving will be wasted if he doesn't attend a name-brand college; Taylor, whose ambition threatens her popular girl status; and *The Stealth Overachiever*, a mystery junior who flies under the radar. Robbins tackles teen issues such as intense stress, the student and teacher cheating epidemic, sports rage, parental guilt, the black market for study drugs, and a college admissions process so cutthroat that students are driven to suicide and depression because of a B. With a compelling mix of fast-paced narrative and fascinating investigative journalism, *The Overachievers* aims both to calm the admissions frenzy and to expose its escalating dangers.
