Eva Trammel, plagued by her own insecurities, is drawn into an intense, obsessive relationship with the wealthy and arrogant Gideon Cross. "Gideon Cross came into my life like lightning in the darkness. He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily. Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts

didn't tear us apart."--Back cover.

New York Times bestselling author, K. Bromberg, is back with a heartfelt, enemies to lovers romance and a hero who redeems himself to steal your heart . . . He was the one-night stand that didn't exactly go as planned. Now he's standing before me as if he's never seen me naked, telling my manager he'll take the job. Reluctantly. Finn Sanderson. Sports agent extraordinaire. Handsome as hell. The man who just signed on to control my every move. Sure, I'm to blame for my recent bad press, but when your whole life has been so regimented, isn't it normal to want to live it up a little? But when the partying stops and the grief I'm running from has nowhere else to hide, reality sets in. Turns out, Finn's the only person I have left to help pick up the pieces. The only person to call. Staying with him is a temporary thing. But when our fighting turns into laughter and our friendship turns into something more, will I fight for a man who swears he's hard to love? Or is it wiser to walk away? To follow the plan? * * * Offering to help with a client is a way to repay a long overdue IOU to my mentor. Little did I know she was the woman who left my hotel room at four in the morning. Stevie Lancaster. Top-seeded US tennis player. Good girl gone bad. The

woman currently about to throw her career away. And now my problem. The compensation to “babysit” her is great, but she isn’t worth my trouble. But when her world falls apart and she has no one else to turn to, I try to be a good guy by gathering her up and hiding her from the media’s eye. Now she’s in my house, in my space, and even though I’m enjoying the side benefits of this unexpected arrangement, surely she’s better to leave when the time comes and follow her destiny. Because I’m not the man she needs. Not the man she could love. Right? Are you ready to fall for the Kincade sisters and then men who love them in K. From the New York Times bestselling author, K. Bromberg, comes a new standalone in her *Everyday Heroes* world that proves true love will always stand the test of time. “I hate you. I never want to see you again.” Grant Malone is not the reason I moved back to Sunnyville—at least that’s what I tell myself. Yet, those parting words I said to him back in third grade, ring in my ears every time a towns person brings up one of the Malone boys. I thought time had healed my wounds. I was wrong. Nothing could have prepared me for how I felt when I finally saw him again. Twenty years does a lot to turn a boy into a man. One who hits all my buttons—sexy, funny, attractive, and a police officer. But Grant is off limits because he knows too much about my past. But I’m drawn to him. That damn uniform of his doesn’t hurt either. It’ll be my downfall. I know it. What’s one night of sex going to hurt . . . right? *** I’ve always loved Emmy Reeves. That’s why I’m shocked to see her all these years later. The shy girl I once knew is all grown up. Adventurous and full of life, she owns my heart now, just as much as she did back then. Convinced her of that is a whole different story. I’ll give her the one night she asks for—like that’s a hardship—but when it comes to letting her walk away after, she has another thing coming. There’s no way in hell I’m letting her go this

New York Times bestselling author K. Bromberg is back with an all new second-chance, standalone hockey romance. At first, the request seemed simple—sign a new athlete to the agency. Then I found out the new athlete was none other than the most wanted man in hockey today: Hunter Maddox Gifted. Sexy. At the top of his game. And the only man who has ever broken my heart. If signing him will help save our family business, I’ll swallow my pride and do what’s asked. But when it becomes clear his uncharacteristic antics off the ice are a hint of something deeper, keeping things strictly professional between us becomes more than complicated. But I know better than to cross that line. I’ll never date a client. Not even for him. *** Win the Stanley Cup and do it before time runs out. Not a small feat, but it’s what’s motivated me since the start of my career. And time is running out. Enter Dekker Kincade. Feisty. Dogged. Damn gorgeous. The one I let get away. I have no idea why she’s traveling with the team, but hell if resisting her is going to be easy. But I have a job to do, and I refuse to lose sight of that end game. Even if she confuses me. I play to win, and I won't let anything--or anyone--get in the way of what I want. The first time I met Vaughn Sanders, I knew I wanted her. Confident, intelligent, and downright sexy. I thought I knew how to play her game. I was ready and willing for the challenge. Little did I know she was full of secrets and surprises. But so am I. Charming a woman into my bed has never been my problem. It's the relationship part that is. They want it. I don't. But can you blame me? Broken marriages are how I make a living. Hell, no self-respecting man would let a woman own his thoughts, invade his dreams, and steal his heart. So how in the world has Vaughn done that to me? I've fallen in love with her. There. I said it. But that acknowledgment comes with a heavy price. Everything and everyone seem to be working against us, leaving us both to question whether what we have is worth the cost. I'll be damned if I go down without a fight.

What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my heart. Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black abyss of my

soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

An all new second chance, lighthearted romance by the New York Times bestselling author of the Driven series. It all started with the invitation. To my ex-fiance's new wedding. The man who has captured the hearts of millions. But I gave him mine years ago. He was my first love. He was my everything. Right until he up and left to chase his dreams without so much as a simple goodbye. When he showed up out of the blue ten years later, I should have known to steer clear of him. I should have rejected his offer to take me to my ex's wedding. I should have never let him kiss me. But I didn't. And now we're left wondering if the pieces of the life we once shared still fit together somehow. First loves are hard to forget. The question is, do we want to forget?
