One hundred years ago, four crewmembers of the "U.S.S. Enterprise™ crossed the dimensional barrier and found a mirror image of their own universe, populated by nightmare duplicates of their shipmates. Barely able to escape with their lives, they returned, thankful that the accident which had brought them there could not be duplicated, or so they thought. But now the scientists of that empire have found a doorway into our universe. Their plan is to destroy from within, to replace a Federation Starships with one of their own. Their victims are the crew of the "U.S.S. Enterprise NCC-1701-D, who now find themselves engaged in combat against the most savage enemies they have ever encountered, themselves.

Star Trek Memories Simon and Schuster

Three complete, exciting adventures in one great volume: "The Ashes of Eden, The Return", and "Avenger".

Half Asleep in Frog Pajamas Pocket Books/Star Trek

The Mirror Universe is a dark and twisted reflection of our own, where all that is noble and compassionate is instead cruel and barbaric. Now our universe has been invaded by that other reality's most feared tyrant: the dreaded Emperor Tiberius, the Mirror Universe counterpart of James T. Kirk. Just as Kirk survived his own era to live into the 24th century, so has Tiberius returned from the past to menace a new generation of Starfleet heroes. And only Kirk can stop him. With Spock, McCoy, and Spotty at his side, and teamed Jean-Luc Picard and

the valiant crew of the U.S.S. Enterprise™ NCC-1701-E, Kirk is propelled into his most personal and dangerous mission yet as he fights to uncover the secret of Tiberius' return and learn the terrible truth behind the madman's nightmarish plans for the Federation. But how can he defeat an enemy who knows Kirk's mind as well as he knows his own?

The Ashes of Eden Simon and Schuster
Captain Kirk is helpless to prevent his evil twin from the Mirror Universe, Emperor Tiberius, from capturing him, but the reappearance of the long-dormant "Preservers" will threaten the entire galaxy unless he can prevent them.

Avenger Simon and Schuster
Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age. "I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn't die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been, and all the miracles and strange occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die. It's the only one-size-fits-all advice, Shatner argues in *Live Long and...: What I Learned Along the Way*, because everyone has a unique life—but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the

bumps in the road. (Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.) William Shatner is one of our most beloved entertainers, and he intends never to stop entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

Star Trek: Preserver Thomas Dunne Books

In the second thrilling adventure in a new trilogy that started with "Spectre", Captain Kirk is matched against his deadliest adversary: himself!

Star Trek: Captain's Glory Simon & Schuster/Paula Wiseman Books

For three full decades, on television and in film, actor William Shatner has portrayed one of the legendary heroes of science fiction: James Tiberius Kirk, captain of the Starship Enterprise™. Although Kirk was believed to have perished at the conclusion of Star Trek® Generations™, his amazing literary resurrection led to an acclaimed trilogy of national bestsellers, *The Ashes of Eden*, *The Return*, and *Avenger*. Now William Shatner again brings his unique blend of talents as an actor, writer, director and producer to the conclusion of the new trilogy begun with *Spectre* and continuing with *Dark Victory*, as two men -- and two universes -- never meant to meet are drawn closer together toward an inevitable and destructive reaction.... **PRESERVER** The deadly and tyrannical Emperor Tiberius, formerly captain of the I.S.S. Enterprise, had great success turning captured alien weaponry to his advantage, but his failed attempt to seize the tantalizing advances of the ancient First Federation has always rankled him. In the more peaceful universe of the United Federation of

Planets, Tiberius sees his second chance. And a new ally will help him take it -- the counterpart for whom he has nothing but contempt, the man whose U.S.S.

Enterprise™ made first contact with the First Federation: Starfleet Captain James T. Kirk. Honorable, Idealistic, and decent, James T. Kirk is many things Tiberius is not. But he is also a man deeply in love with his wife -- and Teilani is dying. To save her life, Kirk will compromise his ideals and enter into his most dangerous alliance yet. Battling Captain Jean-Luc Picard and a new generation of Starfleet heroes, Kirk will guide Tiberius to a long-abandoned First Federation base. There, he expects to find a source of power so great it will enable Tiberius to conquer the mirror universe -- and his own. But on their journey Kirk will uncover long-hidden secrets about the past that raise the stakes far beyond the mere survival of Kirk's family and friends to nothing less than the continued existence of both universes. At the heart of their quest, something else is waiting: an object from a civilization whose technology is far more advanced than any Kirk or Tiberius could expect to acquire, placed there for Kirk's eyes only by the mysterious aliens who appear to have influenced life within the galaxy over eons of time -- a message from the Preservers....

Preserver Simon and Schuster
The Romulan Empire is in disarray after the destructive leadership of the Reman Shinzon, and Ambassador Spock launches a bold attempt to reunify the Romulans with their distant forbears, the Vulcans. But when Spock is publicly assassinated at a Romulan peace rally, Starfleet and the Federation are unable to search for the criminals responsible without triggering an intergalactic war. Thus it falls to James T. Kirk to

investigate the death of his beloved friend. Given covert assistance by Captains Jean-Luc Picard on the newly-refitted Enterprise and Will Riker on the Argo, Kirk travels to Romulus as a civilian, accompanied by his eight-year-old son Joseph and the cantankerous Dr McCoy. There he discovers an alluring enemy from his past and discovers that Spock's apparent murder hides a deeper mystery, one that reaches back in time to the very origins of life on Earth. Trapped on a deadly, alien world on the eve of a civil war that could plunge the galaxy into a civilization-ending conflict, Kirk's investigation brings him at last to a hidden Reman fortress. There he uncovers the true threat facing the Romulans, and learns that for peace to prevail he must sacrifice his son, whose blood holds a staggering secret...

Crimes and Judgements Simon and Schuster

The man who portrayed Captain James T. Kirk brings together both generations of characters from the Star Trek television shows, in a new novel that finds Kirk and Captain Jean-Luc Picard facing an unstoppable enemy in a battle for all life existence in this galaxy, and beyond.

Dark Mirror Pocket Books/Star Trek
Fractured history. Broken lives. Splintered souls. Since the alternate universe was first glimpsed in the classic episode "Mirror, Mirror," something about Star Trek's dark side has beckoned us, called to us, tempted us -- like forbidden fruit on the Tree of Knowledge. To taste it is to lose oneself in a world of startling familiarity and terrifying contradictions, where everything and everyone we knew is somehow disturbingly different, and where shocking secrets await their revelation. What began in 2007 with

Glass Empires and Obsidian Alliances -- the first truly in-depth foray into the turbulent history of this other continuum -- now continues in twelve new short tales that revisit and expand upon that so-called "Mirror Universe," spanning all five of the core incarnations of Star Trek, as well as their literary offshoots, across more than two hundred years of divergent history, as chronicled by...
