### TYRESE GAIGE

**A Practical Guide to Personal Freedom** Simon and Schuster

The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblasted must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive

**How to Create Your Second Life at Any Age** Simon and Schuster

It turns out, giving up your "right" to be offended can be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things you can do. It's a radical, provocative idea: We're not entitled to get offended or stay angry. The idea of our own "righteous anger" is a myth. It is the number one problem in our societies today and, as Dallas Willard says, Christians have not been taught out of it. In Unoffendable you'll find things of immeasurable value: a concrete, practical way to live life with less stress adjusting your expectations to fit human nature and replacing perpetual anger with refreshing humility and gratitude. Unoffendable seeks to lift religious burdens from our backs and allow us to experience the joy of gratitude, perhaps for the first time, every single day of their lives.

**Oathbringer** Harvard Business Press

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

**The Art of Creative Thinking** Rodale Books

**#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME** The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —*The New York Times* “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —*USA Today* **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

*A Novel* Currency

Don't know what to do with your life? Drawn to so many things that you can't choose just one? New York Times best-selling author Barbara Sher has the answer--do EVERYTHING! With her popular career counseling sessions, motivational speeches, workshops, and television specials, Barbara Sher has become famous for her extraordinary ability to help people define and achieve their goals. What Sher has discovered is that some individuals simply cannot, and should not, decide on a single path; they are genetically wired to pursue many areas. Sher calls them "Scanners"--people whose unique type of mind does not zero in on a single interest but rather scans the horizon, eager to explore everything they see. In this groundbreaking book, you will learn: What's behind your "hit and run" obsessions When (and how) to finish what you start How to do everything you love What type of Scanner you are (and which tools you need to do your very best work)

*Essentialism* Beacon Press

Barbara Sher is a careers counselor, life coach and best-selling author whose books, programs and workshops provide down-to-earth, nuts-and-bolts methods for uncovering natural talent, pinpointing goals and turning dreams into reality. She is a pioneer of the life design movement and has earned the nicknames "godmother of life coaching" and "resistance whisperer". During her long career, many of Barbara's clients have thanked her for one special piece of advice that stayed with them and helped them transform their lives. She carefully wrote down these favorite nuggets of wisdom for future use, and later recorded some of them as audio tips to include with her newsletters. But most of them remained unpublished until now. But at last here they are, all gathered together in this new book. It's not a long book, but it has the power to seriously improve your life because it contains a lot of very effective advice, condensed into 94 individual tips. If you are unfamiliar with Barbara's work, it's an excellent introduction to her unique approach to discovering your dreams, setting goals, and creating a successful, purposeful and happy life on your own terms. If you are already a fan, it's a companion book that you can take with you everywhere, like a pocket mentor, and dip into whenever you need to remind yourself, "What would Barbara say about that?" I you love Barbara Sher's previous books, such as *Wishcraft*, *Live The Life You Love*, *I Could Do Anything If I Only Knew What It Was*, *It's Only Too Late If You Don't Start Now* or *Refuse to Choose*, this one will make a great addition to your personal library.

*A Novel* Simon and Schuster

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

*So Good They Can't Ignore You* Instant Series Publication

From social psychologist Dr. Devon Price, a conversational, stirring call to “a better, more human way to live” (*Cal Newport*, *New York Times* bestselling author) that examines the “laziness lie”—which falsely tells us we are not working or learning hard enough. Extra-curricular activities. Honors classes. 60-hour work weeks. Side hustles. Like many Americans, Dr. Devon Price believed that productivity was the best way to measure self-worth. Price was an overachiever from the start, graduating from both college and graduate school early, but that success came at a cost. After Price was diagnosed with a severe case of anemia and heart complications from overexertion, they were forced to examine the darker side of all this productivity. *Laziness Does Not Exist* explores the psychological underpinnings of the “laziness lie,” including its origins from the Puritans and how it has continued to proliferate as digital work tools have blurred the boundaries between work and life. Using in-depth research, Price explains that people today do far more work than nearly any other humans in history yet most of us often still feel we are not doing enough. Filled with practical and accessible advice for overcoming society's pressure to do more, and featuring interviews with researchers, consultants, and experiences from real people drowning in too much work, *Laziness Does Not Exist* “is the book we all need right now” (*Caroline Dooner*, author of *The F\*ck It Diet*).

*Tuesdays with Morrie* Penguin

What do you want to be when you grow up? It's a familiar question we're all asked as kids. While seemingly harmless, the question has unintended consequences. It can make you feel like you need to choose one job, one passion, one thing to be about. Guess what? You don't. Having a lot of different interests, projects and curiosities doesn't make you a "jack-of-all-trades, master of none." Your endless curiosity doesn't mean you are broken or flaky. What you are is a multipotentialite: someone with many interests and creative pursuits. And that is actually your biggest strength. *How to Be Everything* helps you channel your diverse passions and skills to work for you. Based on her popular TED talk, "Why some of us don't have one true calling", Emilie Wapnick flips the script on conventional career advice. Instead of suggesting that you specialize, choose a niche or accumulate 10,000 hours of practice in a single area, Wapnick provides a practical framework for building a sustainable life around ALL of your passions. You'll discover: • Why your multipotentiality is your biggest strength, especially in today's uncertain job market. • How to make a living and structure your work if you have many skills and interests. • How to focus on multiple projects and make progress on all of them. • How to handle common insecurities such as the fear of not being the best, the guilt associated with losing interest in something you used to love and the challenge of explaining "what you do" to others. Not fitting neatly into a box can be a beautiful thing. *How to Be Everything* teaches you how to design a life, at any age and stage of your career, that allows you to be fully you, and find the kind of work you'll love.

**The Odyssey** Grand Central Publishing

“An intense snapshot of the chain reaction caused by pulling a trigger.” —Booklist (starred review) “Astonishing.” —Kirkus Reviews (starred review) “A tour de force.” —Publishers Weekly (starred review) A Newbery Honor Book A Coretta Scott King Honor Book A Printz Honor Book A Time Best YA Book of All Time (2021) A Los Angeles Times Book Prize Winner for Young Adult Literature Longlisted for the National Book Award for Young People's Literature Winner of the Walter Dean Myers Award An Edgar Award Winner for Best Young Adult Fiction Parents' Choice Gold Award Winner An Entertainment Weekly Best YA Book of 2017 A Vulture Best YA Book of 2017 A Buzzfeed Best YA Book of 2017 An ode to Put the Damn Guns Down, this is New York Times bestselling author Jason Reynolds's electrifying novel that takes place in sixty potent seconds—the time it takes a kid to decide whether or not he's going to murder the guy who killed his brother. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

**The Renaissance Soul** Penguin

Hailed by *The New York Times* as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." *Anthem* is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

**The Story of Ferdinand** HarperCollins

Get ready to get inspired In short and engaging entries, this deceptively simple volume presents examples of creative thinkers from the worlds of writing, music, architecture, painting, technology, and more, shedding light on their process, and showing how each of us can learn from them to improve our lives and our work. Subjects range from the grueling practice schedule of the Beatles and the relentless revisions of Tolkien, Sondheim, and Picasso to the surprisingly slapdash creation of *The Simpsons*. You'll learn about the most successful class in history (in which every student won a Nobel Prize), how frozen peas were invented, why J.K. Rowling likes to write in cafes, and how 95 percent of *Apocalypse Now* ended up on the cutting-room floor. Takeaways include: - Doubt everything all the time. - Plan to have more accidents. - Be mature enough to be childish. - Contradict yourself more often. - Be practically useless. - If it ain't broke, break it. - Surprise yourself. - Look forward to disappointment. - Be as incompetent as possible.

*Refuse to Choose! Refuse to Choose!* Use All of Your Interests, Passions, and Hobbies to Create the Life and Career of Your Dreams

**#1 NEW YORK TIMES BESTSELLER • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author** Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

*In Ten Easy Step-By Step Lessons* Knopf Books for Young Readers

From the creator of the popular website *Ask a Manager* and *New York's* work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your

cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together  
*Discover what You Really Want, and how to Get it* Penguin

The Ultimate Learning Companion for the Modern Man/Woman Pursuing the Ways of the Timeless Renaissance "The knowledge of all things is possible" - Leonardo da Vinci ADDRESS TO: The One, who has an insatiable crave for acquiring new knowledge, developing new skills, or nurturing existing talents... You are here "reading this" right now because you want to be able to learn all sorts of things in a short amount of time, whether to further your understanding of the world, master your craftsmanship, or continue your never-ending quest for learning. By being knowledgeable... \* You will be able to impress others with your wide array of knowledge, as a walking human-encyclopedia. \* You will excel at whatever work you do, by being the smartest and brightest among your co-workers, colleagues, and peers. \* You will move up in society and be ahead of the pack, as success is a proportion in relation to knowledge. Indeed, knowledge is power, but everlasting applied knowledge is omnipotent - as a "Jack of all trades." Being a "Jack of all trades" is not about being skilled with minimal superficialities, but with multiple specialties across all boards of platform. Now why would you want to opt for "Jack of all trades"? For the simple reason - never put all your eggs in one basket. You want to diversify and become well-rounded in your endeavors; however, on the other hand, you only have so much hours in a day to do things...let alone learn everything under the sun. Yet throughout history, there were those fascinating individualists of worldly culture, vast interests, myriad skills, remarkable erudition, and unfathomable capabilities - who we've come to know them as the "Renaissance men," who seem to not only KNOW everything...but DO everything as well. Now that's applied knowledge at its finest! What these polymaths could do is very real and obtainable, but the secret question is...how? Contained within "Jack of All Trades" - is everything you need to know about improving your learning and mastering your skills quickly, and what it takes to be a modern Renaissance person, or in this case "Jack of all trades." \* How to hack the learning process that would normally take 10,000 hours minimum to master any skill (to go from apprentice to master) into only 1 week, so you're not limited to only able to master on average 7 skills in a person's lifetime. \* How to properly pursue multiple things at once, which most people do completely wrong and end up getting nowhere, but do it right and you will not only find effective ways of doing things but approaching life as well. \* How to read faster, listen better, and learn effectively with synchronized speed learning, that will take your learning experience to a whole new level. \* How to develop a photographic memory to grasp and remember things at a glance and retain them with ease, so you won't forget anything. \* How to get into teaching and be a great teacher yourself, to not only be more of a master of your crafts but leave your marks upon the world as your immortalized legacy (like the great Renaissance men of the past). ...and that's only barely scratching the surface - being compacted with tons of information to ultimate learning, studying, teaching, and

The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand's provocative novel presents one of the most challenging ideas in all of fiction—that man's ego is the fountainhead of human progress... "A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall."—The New York Times  
[89 Ways to See Things Differently](#) Vintage

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.
