of a Part-Time Indian*

Legacy Lit

A broken fence and an animal on the loose take center stage in book three of the series from a two-time Newbery Honor winning author. Alex loves living on Zoo Lane, especially because he gets to visit his favorite animal in the world: the red panda. When he finds a hole in the zoo's fence, it presents the perfect opportunity to sneak into the zoo before school to see his beloved furry creatures. What Alex doesn't realize is that the broken fence will cause more problems than almost getting caught by the security guard. When an animal goes missing in the zoo, can he come clean about the fence? In this third book of the series, two-time Newbery Honor author Patricia Reilly Giff has crafted a lively mystery about conservation, animal care, friendship, and problem-solving. In touch with the programs and initiatives

that today's zoos are undertaking, Giff provides readers with a fresh look at the work of zoologists. Charming line artwork by Abby Carter appears throughout and keeps the story upbeat.

**\*\*THE INSTANT #1 NEW YORK TIMES BESTSELLER\*\*** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly  
*The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any

kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

In Justine McKeen, *Eat Your Beets*, the fourth book in the Justine McKeen series, Justine has another brilliant idea to help the

Her friends are supportive, but convincing grumpy Mr. Raymond, the cafeteria's manager, to help them put Justine's plan in action is another matter altogether.

NEW YORK TIMES  
BESTSELLER AND  
INSPIRATION FOR THE  
UPCOMING NETFLIX  
SERIES "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked

toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.
