The Road to Kalamata

U of Minnesota Press
The beloved literary
iconoclast delivers a
fresh twenty-first
century primer on tarot
that can be used with
any deck. While tarot
has gone mainstream
with a diverse range of
tarot decks widely
available, there has

been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea’s unique insight, inviting pop sensibility, and wicked humor, *Modern Tarot* is a fascinating journey through the cards that teaches how to use this tradition to connect with our higher selves. Whether you’re a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea’s essential guide opens the power of tarot to you. *Modern Tarot* doesn’t require you to believe in the supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the

tarot system—each illustrated in the charmingly offbeat style of cartoonist Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement. Tea reveals how tarot offers moments of deep, transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea’s twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, *Modern Tarot* is the ultimate introduction to the tradition of the tarot for millennial readers. *Terror and Territory*

HarperCollins
Today's global politics demands a new look at the concept of territory. From so-called deterritorialized terrorist organizations such as al-Qaeda to U.S.-led overthrows of existing regimes in the Middle East, the relationship between territory and sovereignty is under siege. Unfolding an updated understanding of the concept of territory, Stuart Elden shows how the contemporary "war on terror" is part of a widespread challenge to the connection between the state and its territory. Although the importance of territory has been disputed under globalization, territorial relations have not come to an abrupt end. Rather, Elden argues,

the territory/sovereignty relation is being reconfigured. Traditional geopolitical analysis is transformed into a critical device for interrogating hegemonic geopolitics after the Cold War, and is employed in the service of reconsidering discourses of danger that include "failed states," disconnection, and terrorist networks. Looking anew at the "war on terror"; the development and application of U.S. policy; the construction and demonization of rogue states; events in Lebanon, Somalia, and Pakistan; and the wars continuing in Afghanistan and Iraq, *Terror and Territory* demonstrates how a critical geographical analysis, informed by

political theory and history, can offer an urgently needed perspective on world events.

Modern Tarot Pen and Sword

The Road to Kalamata is the real-life adventure story of the 4 Commando team of mercenary soldiers, as told by their leader, Col. Mike Hoare. At the close of 1960, the newly formed independent state of Katanga in central Africa recruited Hoare and his team to suppress a rebellion by the Baluba, a fierce tribe of warriors rumored to be cannibals and known to torture and dismember any enemy soldiers unlucky enough to be captured. The events recounted in this book occurred in the Congo during the Katanga

campaign of 1961. With insight that only an officer with extensive battlefield experience can bring to this subject, Colonel Hoare chronicles the metamorphosis of 4 Commando from a loose assembly of individuals into a highly organized fighting unit, while also taking the reader inside the minds and hearts of men who sell their military skills for money. What emerges is a compelling and complex portrait of genuine adventurers, "a breed of men which," writes Hoare, "has almost vanished from the face of the earth." Paladin Press is pleased to make available once again this engaging, colorful and thoughtful account, originally published in 1989,

complete with a new mercenary and one of
foreword by the 20th its most eloquent
century's most famous storytellers.
