Don Camillo and the Devil Bur

Disaster threatens when a mild-mannered Italian priest wages a personal war against the village communists.

**Lost Enlightenment** Don Camillo Series

Inimitable, delicious, full of pure fun' --THE OBSERVER  
 Reading The Little World of Don Camillo' is to travel to Italy's Lower Plain, with its unique atmosphere, culture and natural history. And to do so in the incomparable company of a cast of fictional  
The Readers of Broken Wheel Recommend University of Toronto Press

In "Don Camillo" l'occhio ironico e benevolo di Guareschi continua a cogliere tutte le contraddizioni e le virtù degli italiani, molto meglio di quanto abbia mai fatto qualsiasi politico o illustre sociologo. Fra dispetti irripetibili, grandi dichiarazioni di guerra, proclami di ultimatum (mai rispettati), Don Camillo - il prete che si scalda quanto un comunista - e Peppone - il comunista che ha il cuore di un prete - continuano a insegnarci che il rispetto, la

simpatia e l'amicizia non hanno nulla a che fare con il colore della bandiera, e della tonaca.

*Don Camillo of la Bassa* Amereon Limited

New York Times and USA Today Bestseller! Katarina Bivald's *The Readers of Broken Wheel Recommend* is a sweet, smart, and uplifting story about how books find us, change us, and connect us. Once you let a book into your life the most unexpected things can happen: Like the bestselling historical novel and Netflix film *The Guernsey Literary and Potato Peel Pie Society*, *The Readers of Broken Wheel Recommend* is a heartwarming reminder of why we love books. Broken Wheel, Iowa, has never seen anyone like Sara: Sara traveled all the way from Sweden just to meet her book-loving pen pal Amy, but when she arrives she finds Amy's funeral guests just leaving. The residents of Broken Wheel are happy to look after their bewildered visitor—there's not much else to do in a dying small town that's almost beyond repair. You certainly wouldn't open a bookstore. And definitely not with Sara the tourist in charge. You'd need a vacant storefront (Main Street is full of them), books (Amy's house is full of them), and...customers. The bookstore might be a little quirky. Then again, so is Sara. But Broken Wheel's own story might be funnier,

more eccentric and surprising than she thought. If you liked big-hearted books like *The Storied Life of A. J. Fikry* or *Eleanor Oliphant Is Completely Fine*, you will love *The Readers of Broken Wheel Recommend*. Praise for *The Readers of Broken Wheel Recommend*: "The Readers of Broken Wheel Recommend is a warm and slyly funny look at small towns and romance..."—*New York Journal of Books* "A heartwarming tale about literature's power to transform."—*People* "What begins as an unlikely international friendship based on a mutual love of books becomes a sweet and soulful discovery of America. Quirky, unpredictable, funny, and fresh—a wonderful book."—Nickolas Butler, internationally bestselling author of *Shotgun Lovesongs* and *Beneath the Bonfire* International Bestseller Indie Regional Bestseller National Indie Bestseller #1 Indie Next Pick

**Don Camillo Meets Hell's Angels** Pilot Film & Television Productions Limited

**THE NEW DON CAMILLO** A gang of Hells Angels rips through the village, bringing mayhem and a generational shift to traditional enmities between Don Camillo and Peppone. The year is 1966, a time ripe for rebellion, for overturning conventions - a time, above all, to be young. Meanwhile, beset by the third young progressive leftwing priest with a mandate to steer him into the modern world, Don Camillo digs in and finds a surprise ally in Peppone as he fights to save the three-metre high figure of *il Cristo* through which he conducts his famous conversations with God. These are the last Don Camillo stories ever written. Two years after they are set, on July 22, 1968, the author died in Cervia on the east coast of Italy, where, due to ill health, he had taken to spending the summer months. 'Guareschi's was one of the most prescient and perceptive voices of the twentieth century.' Tobias Jones, author of *The Dark Heart of Italy*. 'Guareschi's tales are absolutely delightful in their satirical swipes at human weakness.' Paul Merton

**Don Camillo and His Flock** Springer Nature

Don Camillo, fictional character, a pugnacious Italian village priest whose confrontations with his equally belligerent adversary, the local communist mayor Peppone, formed the basis for a series of popular, humorous short stories by Italian author Giovanni Guareschi.

**Comrade Don Camillo** Pilot productions

E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

*The Little World of Don Camillo* Don Camillo Series

C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. *The Lion, the Witch, and the Wardrobe* is the first book in *The Chronicles of Narnia*.

*Don Camillo and Company* Princeton University Press

This collection of short stories set in the Valley of the River Po, Italy's widest and most fertile plain, with its unique atmosphere, culture, and natural history. The author was a native of this area, and these stories reflect his life of conflict, but also his search for enlightenment. In episode after episode, the hot-headed Catholic priest, Don Camillo, and the equally pugnacious Communist mayor, Peppone, confront one another, sometimes in a serious and violent manner. But the clever bit is the way Giovanni not only engineers a resolution to this, but transforms the situation to the great benefit of the local community, so that the two men put their political convictions aside, and however, begrudgingly, develop respect for each other (from Editor's preface).

Don Camillo Little, Brown

The forgotten story of Central Asia's enlightenment—its rise, fall, and enduring legacy In this sweeping and richly illustrated history, S. Frederick Starr tells the fascinating but largely unknown story of Central Asia's medieval enlightenment through the eventful lives and astonishing accomplishments of its greatest minds—remarkable figures who built a bridge to the modern world. Because nearly all of these figures wrote in Arabic, they were long assumed to have been Arabs. In fact, they were from Central Asia—drawn from the Persianate and Turkic peoples of a region that today extends from Kazakhstan southward through Afghanistan, and from the easternmost province of Iran through Xinjiang, China. *Lost Enlightenment* recounts how, between the years 800 and 1200, Central Asia led the world in trade and economic development, the size and sophistication of its cities, the refinement of its arts, and, above all, in the advancement of knowledge in many fields. Central Asians achieved signal breakthroughs in astronomy, mathematics, geology, medicine, chemistry, music, social science, philosophy, and theology, among other subjects. They gave algebra its name, calculated the earth's diameter with unprecedented precision, wrote the books that later defined European medicine, and penned some of the world's greatest poetry. One scholar, working in Afghanistan, even predicted the existence of North and South America—five centuries before Columbus. Rarely in history has a more impressive group of polymaths appeared at one place and time. No wonder that their writings influenced European culture from the time of St. Thomas Aquinas down to the scientific revolution, and had a similarly deep impact in India and much of Asia. *Lost Enlightenment* chronicles this forgotten age of achievement, seeks to explain its rise, and explores the competing theories about the cause of its eventual demise. Informed by the latest scholarship yet written in a lively and accessible style, this is a book that will surprise general readers and specialists alike.

**The Little World of Don Camillo** Sourcebooks, Inc.

More timeless, bittersweet stories of life in Italy's Lower Plain, most of which appear in English for the first time. They begin, as the last collection ended, with Don Camillo in exile in the mountains, But it isn't long before this lightning conductor for problems in the *Little World* draws Peppone and all human nature to his door.

LITTLE WORLD OF DON CAMILLO. Trafalgar Square Publishing

From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters?\* The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who

discovered them. THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. \*Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

*The Image of the City* Don Camillo Series

The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

Don Camillo Harper Collins

“Questa favola vera vuol essere un po' la storia degli ultimi vent'anni di vita politica italiana. La storia del Paese riflessa nella cronaca del paesello. Gli avvenimenti più clamorosi del mondo grande che trovano puntuale rispondenza nelle vicende paesane del Mondo Piccolo di don Camillo. È la versione, in tono minore e sorridente, di fatti importanti che, ridotti qui all'essenza e rivissuti da uomini che ancora odono la voce della coscienza, si spogliano della loro drammaticità e rinverdiscono la speranza in un mondo migliore.” Giovannino Guareschi, 1968

*Don Camillo Takes the Devil by the Tail* MIT Press

Set against the post-war backdrop of a rural village in the Emilia-Romagna, this is the second in a new series of hilarious and incisive Don Camillo anthologies, which offer 215 stories translated into English for the very first time. As ever, the townsfolk, riven by their disparate allegiances to the hot-headed Catholic priest and his equally pugnacious adversary Peppone, the Communist Mayor, are relieved of their prejudices by the gentle humour and insights coming from high above the altar in the village church. REVIEWS 'Written with such warmth and simplicity, so concerned with the trivialities of everyday life and giving us so shrewd a glimpse into the minds of the people . . .' London Evening News 'Charming and enchanting...witty and wise' -- Edinburgh Evening News 'You'll find Don Camillo not just enchanting and lovable, and at times hilariously funny, but also strangely moving in his simple but certain faith.' -- BBC Radio Books by the Fire ABOUT THE AUTHOR Giovannino Guareschi, known as Giovanni to his millions of English language readers, was born at Fontanelle in the Valley of the Po on the 1st of May, 1908. His father wanted him to become a naval engineer. He, for the very enjoyment of going the opposite way, determined to become a lawyer, but found his vocation when he sent some cartoons he had drawn to the satirical magazine, 'Bartoldo'. Later he founded a satirical magazine, 'Candido', and wrote 346 stories featuring Don Camillo, a character who has done for Italy what Cervantes Don Quixote did for Spain.

**The Book of the Courtier** Amereon Limited

Giovannino Guareschi (1908-1968) was an Italian journalist, humorist, and cartoonist best known for his short stories based on the fictional Catholic priest Don Camillo. In this study, Alan R. Perry explores the Don Camillo stories from the perspective of Christian hermeneutics, a unique approach and the best critical key to unlocking the richness of both the author and his tales. The stories of Don Camillo, the cantankerous but beloved priest, and his sidekick, Communist mayor Peppone, continue to entertain viewers and readers. Their Cold War adventures, mishaps, arguments, and reconciliations have a timeless quality, and their actions reflect endearing values that prevail even today. The stories delight, to be sure, but the best of them also force us to stop and think about how Guareschi so powerfully conveyed the Christian message of faith, hope, and love. To appreciate the true genius of Guareschi, Perry argues that we must delve deeper into the latent spiritual meaning that many of his stories contain. In reflecting popular understandings of the faith, the Don Camillo tales allow us to appreciate a sacred awareness of the world, an understanding communicated through objects, gestures, expressions, and actual religious rites. The first full-length scholarly examination of the Don Camillo stories to appear, this book offers a solid appreciation of Italian cultural values and discusses the ways in which those values were contested in the first decades of the Cold War.

Comrade Don Camillo Don Camillo Series

Disaster threatens when a mild-mannered Italian priest wages a personal war against the village communists.

The little World of Don Camillo Don Camillo Series

Number 4 in the Don Camillo series, beloved by 23 million readers. When Peppone loses out to Don Camillo on a matter of conscience he must accept the battling priest's presence among a group of communist activists on a trip he is organising to Mother Russia. Travelling incognito, Don Camillo becomes the life and soul of the Party and picks off his totalitarian comrades one-by-one in a hilarious riot of shrewd manipulation. But then fate intervenes and the travellers discover a surprise common denominator more radical than any political ideology... 'Those who read The Little World of Don Camillo will need no more than the news of this new volume to send them quickly to their bookshops so lovely, so humorous, and so wise.' Harpers & Queen REVIEWS 'Written with such warmth and simplicity, so concerned with the trivialities of everyday life and giving us so shrewd a glimpse into the minds of the people . . .' London Evening News 'Inimitable, delicious, full of pure fun' --The Observer 'Charming and enchanting . . .
