Heyer) And Both Were Young (Madeleine L'Engle) Penny Plain (O. Douglas) The Awakening (Kate Chopin) Truth Be Told Farrar, Straus and Giroux
A new collection of short stories from the woman Rick Moody has called "the best prose stylist in America" Her stories may be literal one-liners: the entirety of "Bloomington" reads, "Now that I have been here for a little while, I can say with confidence that I have never been here before." Or they may be lengthier

investigations of the havoc wreaked by the most mundane disruptions to routine: in "A Small Story About a Small Box of Chocolates," a professor receives a gift of thirty-two small chocolates and is paralyzed by the multitude of options she imagines for their consumption. The stories may appear in the form of letters of complaint; they may be extracted from Flaubert's correspondence; or they may be inspired by the author's own dreams, or

the dreams of friends. What does not vary throughout *Can't and Won't*, Lydia Davis's fifth collection of stories, is the power of her finely honed prose. Davis is sharply observant; she is wry or witty or poignant. Above all, she is refreshing. Davis writes with bracing candor and sly humor about the quotidian, revealing the mysterious, the foreign, the alienating, and the pleasurable within the predictable patterns of daily life.

A Tale Dark & Grimm

St. Martin's Press
Samantha Rhodes has competition on the Apocalypse Network rankings. Krista Daniels, the amoral producer of Samantha's ruined regions show, secretly produces a separate show with a scarred beauty named Eve Desislava and her robotic dragon-genie. Scorching the ruined regions in her wake, Eve unknowingly challenges *The Colossus of Rhodes* nightly for ratings. Haunted by the fake ghosts of dead loved ones, Eve stops at nothing

to avenge their restless, holographic spirits. Samantha strives to liberate afflicted villagers in the ruined regions, until the inevitable moment where Krista elects for her two creations to clash in an inferno of fire and wonder, for the entertainment of so many sadistic viewers in Krista's unruined society. In the chaos of Eve's misguided fury, Samantha rediscovers the true enemy of her world in so many glassy eyed lizards and stars above glowing with wonder. And in that

moment of epiphany, thousands of man-made stars may fall from their midnight skies, when Samantha reveals the reality of her world to the ones she loves.

There's a crisis of trust in politics across the western world. Public anger is rising and faith in conventional political leaders and parties is falling. Anti-politics, and the anti-politicians, have arrived. In *Enough Said*, President and CEO of The New York Times Company Mark Thompson argues that one of the most significant causes of the crisis is the way our public language has changed. *Enough Said* tells the story of how we got from the language of FDR and

Churchill to that of Donald Trump. It forensically examines the public language we've been left with: compressed, immediate, sometimes brilliantly impactful, but robbed of most of its explanatory power. It studies the rhetoric of western leaders from Reagan and Thatcher to Berlusconi, Blair, and today's political elites on both sides of the Atlantic. And it charts how a changing public language has interacted with real world events - Iraq, the financial crash, the UK's

surprising Brexit from the EU, immigration - and led to a mutual breakdown of trust between politicians and journalists, to leave ordinary citizens suspicious, bitter, and increasingly unwilling to believe anybody. Drawing from classical as well as contemporary examples and ranging across politics, business, science, technology, and the arts, *Enough Said* is a smart and shrewd look at the erosion of language by an author uniquely placed to measure its consequences.

Lexi, Baby iUniverse

Our past was painful and a lot of mistakes were made, but that was then - this is now. Mia wants a fight? I'll give her one. She wants to leave me? I'll make her stay. This is our future. She belongs to me. Our past wasn't just painful, it was soul-shattering, and no amount of time will change that. Adam wants a fight? Bring it. He won't let me leave? I'll make him pay. This is my future. I don't belong to him. Follow Adam and Mia's journey through the

deliciously dysfunctional madness they like to call...marriage. Author's note: This is the third book in the This Can't be Happening Series, but it can be read as a stand-alone. Author's warning: Mature content, lots of cussing (as in, A LOT), a five-foot-three, redheaded, terror of a woman and a sexy, possessive, crazy, hot alpha cop.

Enough Said Strategic Book Publishing & Rights Agency

I have found rock bottom. It's here, moving in with

my older brother because I'm too broke to afford to live on my own. It's okay though, because we've always been close and I think I'm going to have fun living with him again. That is until I meet Cooper... Turns out, my brother has very strong opinions on the idea of me dating his best friend and is dead set against it. According to him, Cooper is everything I should stay away from: flirtatious, adventurous, non-committal, and freaking hot. (I added that last part because I feel like you

need the whole picture.) My brother is right-I should stay away from Cooper James and his pretty blue eyes. He's the opposite of what I need right now. Nah-who am I kidding? I'm going for it. The Off Limits Rule is a closed door romance, perfect for readers who love lots of sizzle but no explicit content.

Surrender Your Sons

Chaos Publishing

In this mischievous and utterly original debut, Hansel and Gretel walk out of their own story and into eight other classic

Grimm-inspired tales. As readers follow the siblings through a forest brimming with menacing foes, they learn the true story behind (and beyond) the bread crumbs, edible houses, and outwitted witches. Fairy tales have never been more irreverent or subversive as Hansel and Gretel learn to take charge of their destinies and become the clever architects of their own happily ever after.

Think Again Dell

This book is a mosaic of short stories told from many points of view that

weave a larger tale about the fundamental connection between good and evil. The stories account the brotherly comradeship of Michael the Archangel and Lucifer prior to and despite Lucifers demise from the most perfect good to the most perfect evil. Once evil takes residence, the once creative rivalry between the two diverges into their covert use of human beings to harvest the souls of Earth. Since in this complex stealthy war there are multiple sides to every story, each

chapter houses accounts from the supernatural point of view and the day-in-the-life point of view of human beings. Anyone that faces the trials and tribulations of todays world understands how quickly good can bleed into evil or evil into good. This is a story about how we as human beings can be manipulated between the two by unseen forces. [The Greatest Romance Classics of World's Literature](#) e-artnow Chastity Bono is now Chaz. Her decision to “become” a man made

headlines around the world, but she is not alone. Transgender men and women frequently appear on television talk shows and reality programs to share their stories. By doing so, they inevitably get the attention they seek, but not necessarily the kind of attention they want. While some come forth in an effort to promote tolerance, acceptance and understanding in mainstream society, their decision to live as—or in some cases have surgery to become—the opposite

gender often sparks curiosity and more visceral reactions born out of ignorance. But this is the other side of the story. Truth Be Told: Adam Becomes Audrey is a tragedy, a comedy, and a love story. It is my story. In vivid detail, I recall how I met, fell in love with, and married the man of my dreams, only to find that he self-identified as and wanted to become a woman. Read what happened after I learned the truth. *Speechless* Samhain Publishing

This book contains very important information for everyone alive today, especially as the millenium and beyond are looming towards us all. Armageddon and the Second Coming of Christ will be very soon in the future, although myself, nor anyone else on earth, can say that they know in which day that will happen. This is because Jesus told us Himself, in the New Testament, that no man knows that day and hour, except my Father in heaven. I can attest, though, that I have

had a number of angelic visits and also visions from the Lord, and in these pages, I relate those experiences. I do not ask that you believe all, or any part, of my book. What has happened to me has been nearly unbelievable to myself. I cannot expect you to believe simply by my words. All that I do ask, though, is that you read and listen for your own self and you will receive all proof of my claims in the near future. It is my hope that you will have this information when you

most need it -- during Armageddon. Many of you will fare much better by far to have this information now, while you can study and read it, than later, when earthquakes and all sorts of havoc are happening around some of you. Always remember that, even though there will be a time of havoc, afterwards the Lord will return for the Resurrection and life will be very beautiful, in heaven and on earth. God be with each of you during these times and

the times yet to come.
Amen.

Enough Random House
Connor Major's summer
break is turning into a
nightmare. When he
comes out to his religious
zealot mother, she has
him kidnapped and
shipped off to a
conversion therapy camp
that will be his new home
until he “changes.”

Connor plans to escape,
but first, he’s exposing
the camp’s horrible truths
for what they are—and
taking the place down.

The Piper Pickle Partners Publishing
 Author's warning:
 Including, but not limited to: a deep, dark childhood, lots and lots of cussing (as in, A LOT), a ton of fighting, maybe hair pulling, a bitch with a vulnerable side, and last, but not least, über possessive, over obsessive, crazy hot alpha males on the verge of needing therapy... and maybe a tear or two. Patricia Grace Kincaid is haunted by her past and no matter what she does, the ghosts won't stay

away. A childhood incident nearly ruined her life. A mistake that she made two years ago ripped her to shreds. She isn't the same feisty, fearless bitch she used to be... or is she? What will happen when the person she screwed over storms back into her life? She freaks. Is it for the reason she's always hoped for... that Tony Lopez, the breathtakingly sexy Latino love of her life, has finally decided to forgive her? Hell no. Will he demand her complete submission? Yes. Will he make her life

hell? Double yes. Will she, in return, torture him? Hell-to-the-yes. Will her past come back to haunt her? Absolutely.

Eve and Adam DigiCat
 Have you ever felt a sense of belonging or familiarity in a place visited for the first time? Has life's obstacles ever left you confused as to why certain events happen? Are there some people to whom you feel more connected or in tune with than others? If so, perhaps you should wait for your invitation to the Karma Hotel. Disturbed by

perplexing issues of different kinds, Adriana, Jennifer, Alexander and Daniel are invited by Rhea, the head of the Karma Hotel, to embark on an unforgettable journey that will transform them forever. She is a priestess with magical powers who has devoted her life to finding and healing those in need. While Rhea enlightens her clients about the never-ending circle of life, she also unhurriedly helps them to gain a deeper insight into their present tribulations by divulging

the details of the past lifecausing their current problems. To each, Rhea and her colleagues present an invaluable lesson on love, healing, forgiveness and the ability to create a more gratifying future. The Karma Hotel is an enchanting and mysterious place that summons its guests to re-evaluate their choices, behaviors and beliefs about our time here on earth.

Broken Victoria University Press

He who pays the piper

calls the tune. When Peter and his little sister, Daisy, are evacuated from London to the countryside, they find themselves on an isolated farm in the middle of a treacherous marshland. As Daisy gets drawn deeper into the secrets of their new home, Peter starts to realise that something very sinister is going on. What is that music they can hear at night? And who are the children dancing to it?

George Eliot's Works

Good Press

It's 1994. Peggy and

Greta are learning how to live sober. They go to meetings and they ring their support person, Diane. They have just enough money for one Tom Yum between them, but mostly they eat carrot sandwiches. They volunteer at the Salvation Army shop, and sometimes they sleep with men for money. They live with Heidi and Dell, who are also like them. It's 2006. Peggy and Greta have two jobs: a job at a

call centre, and a job as a moderator for a website. They're teaching themselves how to code. Heidi and Dell don't live together anymore, and Dell keeps getting into trouble. One day, Peggy and Greta turn around and there's only one of them. It's 2018. Margaret lives next door to Heidi and her family. She has a job writing code that analyses data for a political organisation, and

she's good at it. Every day she checks an obsolete cellphone she found under her bed, waiting for messages. She struggles to stay sober. Then, one day, there are two of them again, both trying to figure out where they have come from. Nothing to See is a compelling, brilliantly original novel about life in the era of surveillance capitalism, when society prefers not to see those who are different
