*When Marian Sang*  
Lippincott Williams &  
Wilkins  
From New York Times  
bestselling author  
Meghan March comes  
the stunning  
conclusion to the Forge  
Trilogy. In this final  
volume, ruthless  
billionaire Jericho Forge  
faces his toughest  
challenge. To emerge  
victorious, he'll have to  
give up the one thing  
he's never offered a

woman—his heart. It  
started as a game. She  
was nothing but my  
pawn. But I was quick  
to see the error in my  
ways, and now she is  
everything I never  
knew I needed. The  
value of a woman like  
India Baptiste is  
beyond measure. But  
the problem with being  
a man like me? I've  
already screwed this  
up, and there's no  
guarantee India will  
take me on for one last  
bet. I'll do whatever I  
have to do. Drop to my  
knees and offer her the

only thing I have left. The one thing that's only ever been hers—the heart of the devil. Heart of the Devil is the third book in the Forge Trilogy and should be read after Deal with the Devil (book 1) and Luck of the Devil (book 2). All three books in the Forge Trilogy are available to devour now! "There is NO forgetting the sexy beast that is Jericho Forge. There is NO forgetting the bold heroine that is India Baptiste. There is NO forgetting the magnetic couple that stole my heart. There is NO forgetting this incredible series...period."  
~Shayna Renee's Spicy Reads "The Forge Trilogy was completely enthralling throughout every single book, and

the jaw dropping twists just keep coming! Seriously, read this book, read this trilogy... and sit back in awe at the talent that Meghan March seamlessly delivers in her work, over and over again."  
~Nightbird Novels "This epic ending is beyond any critique and better than a thousand stars. I am SPEECHLESS." ~PP's Bookshelf "Heart of the Devil was a sexy, thrilling, swoon-worthy, and PERFECT conclusion to the Forge Trilogy, and I absolutely loved it!"  
~The Romance Bibliophile "The type of book you want to rush through just to hear everything, while at the same time, you never want the book to end. Meghan March always gives us strong

and vibrant characters but India Baptiste and Jericho Forge are currently sitting high on my favorite characters tower."

28-year-old Alyx Marshall has never had a boyfriend, but it's never been a problem until she falls for the wrong man. And there's nothing more

wrong than it actually, since Alyx's lost her heart to her best friend's husband. Desperate to kill her unwanted feelings, Alyx signs a pact with the devil, disguised on earth as Nathan Callis, an enigmatic Greek ex-model who also happens to be a billionaire in his own right. If anyone can make her forget the man she should never have loved, it would be this too-perfect man who she's always been dangerously attracted to. Sparks had flown the first time they met, but Alyx had made herself ignore it, knowing that men like Nathan were bad news. But things have changed. If he still wants her, she's his for the taking...as long as he can promise to make Alyx forget the

pain inside her heart. And he does. Oh, he does, but fool that she is, Alyx never imagined Nathan would succeed by making her fall for him...even when his heart already belongs to someone else.

What must a bluestocking do when her future husband turns out to be a

powerful vampire marquis too gorgeous and sexy for her to handle? Rhapsody is Not Normal. But her vampire Master doesn't seem to mind, and his letters for her remain kind, funny, and charming. She can't wait to join him in Chalys, a modern-day kingdom that follows Regency customs and is inhabited by vampires, shapeshifters, and demons...until she discovers a horrifying truth. Her future husband turns out to be none other than the strikingly virile Marquis of Sangre, who also happens to be the ruler of the vampire race. This has a daunted Rhapsody trying to break their heartkeeping arrangement, but a mysterious murder, a

missing tourist, and otherworldly gossip stand in her way. Even worse, Lord Mihail doesn't seem inclined to let her go, and wait...what is this she's feeling? Could this be what her demon-fighting therapist calls...love?

I need werewolf prince Alejandro Moretti as my bodyguard, but he wants my body in exchange for his services. Calys has two things standing in her way of being alpha of her panther pack. One: she's an adopted human, and two: she's a woman. However, if werewolf royalty Alessandro Moretti agrees to be her Cavaliere, she just might have a shot at being the next pack leader. A good plan, right? Or at least it

should be...until Calys learns that the infamous playboy werewolf will only fight for her if she agrees to do everything he says...in bed.

A sexy new brother's best friend romance from New York Times bestselling author Kendall Ryan. I'm not boyfriend material. If a trail of broken hearts and a piss-poor record of failed relationships have taught me anything, it's this. My buddies are happy to give me shit about my latest breakup from here to next Sunday. Thanks, but I'd rather have a root canal. And

a vasectomy. At the same time. Relief comes in an unlikely package—the gorgeous and feisty Maren. She just so happens to be my best friend’s sister, so that’s not awkward at all. But I’m a man on a mission, and Maren is down to teach me all the ways I’ve been failing as a boyfriend. Apparently, there are many. And it’s all very informative—until I start to catch feelings. Now it’s not just my reputation on the line, but my heart too. Q&A about the Frisky Business Series: Q: Are these new characters? A: Yes! Hayes and Maren are brand new characters you’ve never met and I can’t wait to introduce you. Q: Is this part of a series? A: This is book 1 in a new series about a group of male best

friends who own an adult toy company. Get ready for lots of shenanigans, feels, and a swoonworthy bromance. Each book can be read as a standalone.

Unwell Women Jaded Speck Publishing LLC Can two lost souls find redemption or are some transgressions beyond forgiveness? Lieutenant Jonny Spencer’s life is spiraling out of control. With no end in sight, he withdraws. Giving in to the darkness is his only reprieve. Roberta “Bobby” Layne knows what it means to live in the shadows. Her childhood was spent fading into obscurity—loneliness her only friend. When Jonny’s latest case threatens to snap what’s left of his sanity, Bobby knows

this is her last chance to pull him from the hell that awaits. But when her past comes to light, will she be strong enough to fight for the man she's fallen in love with, or will she fall back into old habits and fade away? Beast of Mine Jaded

Speck Publishing LLC

This is a full-length dark romance between a hotheaded Greek

biker and the innocent girl who's hopelessly in love with him. Past betrayals have taught Helios Andreadis, the President of the Afxisi, to be aloof and distrustful. But when the young, tomboyish, camera-wielding MJ Cartwright skids into his life, the mercurial Greek billionaire biker finds himself strangely possessive and obsessed. Although Helios is determined not to let MJ's "secret crush" take his woman away, he isn't ready to put a name to his feelings either. To do so would make him vulnerable, and that he would never allow to happen...even if it means having to hurt MJ instead. Note: This novel was previously released as a three-part serial (Swish, Burn, Click).

Gorgeous, wealthy, and powerful, French-Greek billionaire Christien di Luca was the kind of man who already had everything. Or so most people thought. In truth, the billionaire was damaged inside, in ways that no one would have imagined, and for as long as he could remember he had always been a shadow away from meeting Death halfway – Until a little mutant came winking into life. Part-rainbow, part-winking-maniac, part-clown, part-everything-

else he needed, Kharis Stamos was the only person in the world able to make him genuinely feel. With her, he didn't need to pretend he knew what anger or pleasure was, didn't need to force himself to laugh or even frown. With her, he could almost believe that he wanted to live--- Until he realized she had lied to him. Note:

A Thousand Splendid

A trailblazing, conversation-starting history of women's health—from the earliest medical ideas about women's illnesses to hormones and autoimmune diseases—brought

together in a fascinating sweeping narrative. Elinor Cleghorn became an unwell woman ten years ago. She was diagnosed with an autoimmune disease after a long period of being told her symptoms were anything from psychosomatic to a possible pregnancy. As Elinor learned to live with her unpredictable disease she turned to history for answers, and found an enraging legacy of suffering, mystification, and misdiagnosis. In *Unwell Women*, Elinor Cleghorn traces the almost unbelievable history of how medicine has failed women by treating their bodies as alien and other, often to perilous effect. The result is an

authoritative and groundbreaking exploration of the relationship between women and medical practice, from the "wandering womb" of Ancient Greece to the rise of witch trials across Europe, and from the dawn of hysteria as a catchall for difficult-to-diagnose disorders to the first forays into autoimmunity and the shifting understanding of hormones, menstruation, menopause, and conditions like endometriosis. Packed with character studies and case histories of women who have suffered, challenged, and rewritten medical orthodoxy—and the men who controlled their fate—this is a revolutionary examination of the

relationship between women, illness, and medicine. With these case histories, Elinor pays homage to the women who suffered so strides could be made, and shows how being unwell has become normalized in society and culture, where women have long been distrusted as reliable narrators of their own bodies and pain. But the time for real change is long overdue: answers reside in the body, in the testimonies of unwell women—and their lives depend on medicine learning to listen.

This uniquely readable, compact, and concise monograph lays a foundation of knowledge of the underlying concepts of normal cardiovascular function. Students welcome the book's broad overview as a practical partner or alternative to a more mechanistically oriented approach or an encyclopedic physiology text. Especially clear explanations, ample

illustrations, a helpful glossary of terms, tutorials, and chapter-opening learning objectives provide superb guidance for self-directed learning and help fill the gap in many of today's abbreviated physiology blocks. A focus on well-established cardiovascular principles reflects recent, widely accepted cardiovascular research. The supplemental CD-ROM is an interactive, dynamically linked version of the book, which is organized by normal cardiovascular function and cardiac disease. Students may begin a path of questioning with, for example, a disease condition and then pursue background information through a

series of links. Students can also link to the author's regularly updated Web site for additional clinical information.

A Sunday Times Bestseller! A 2022 Alex Award Winner! "Sparks fly" (NPR) in Everina Maxwell's gut-wrenching and romantic space opera debut. Prince Kiem, a famously disappointing minor royal and the Emperor's least favorite grandchild, has been called upon to be useful for once. He's commanded to fulfill an obligation of marriage to the representative of the Empire's newest and most rebellious vassal planet. His future husband, Count Jainan, is a widower and murder suspect. Neither wants to be

wed, but with a conspiracy unfolding around them and the fate of the empire at stake they will have to navigate the thorns and barbs of court intrigue, the machinations of war, and the long shadows of Jainan's past, and they'll have to do it together. So begins a legendary love story amid the stars. Like Ancillary Justice meets Red, White and Royal Blue, Winter's Orbit is perfect for fans of Lois McMaster Bujold. "High-pitched noises escaped me; I shouted, more than once, 'Now kiss!' ... in a world so relentlessly uncertain, there's a powerfully simple pleasure in the experience of a promise kept." —The New York Times Book Review At the Publisher's request,

For fans of 50 Shades Of Grey and contemporary romance... the Billionaire's Seduction series! This book contains the first four parts of the series: All That He Wants - Part 1 All That He Desires - Part 2 All That He Demands - Part 3 All That He Requires - Part 4----- Lily Ross was having another miserable day at work when tall, dark, and stunningly handsome walked in and swept her off her feet. Over one passionate weekend, mysterious Connor Brooks leads Lily through a world of sensual delights and

showers her with wealth and extravagance beyond her wildest dreams. But every forbidden fruit comes with a price. Connor is not the man he claims to be, and dangerous figures from his past are lurking in the shadows, waiting to destroy him - and Lily, too, if she gets in their way. Because of frank depictions of sexuality and use of profanity, All That He Wants Volume 1 is intended for Mature Audiences only. All That He Wants (Volume 1) is 125,000 words.

My growly, alpha AF pastors broke the ultimate vow in order to be with me. When Pastors Jordan and Jason stepped up to

the pulpit, the breath caught in my throat. These were the new pastors at the Village Church? The men had perfect lips, tattoos swirling up their forearms, and cocky, knowing smiles that made my heart race. In fact, all the female congregants let out a collective sigh when Pastors Jason and Jordan got up to preach. But Jason and Jordan are no average men of the cloth. They are godliness personified, yet with a taste for sin. Because I've taken a Promise Vow. It's a vow to keep myself sacred and pure for the hands of my future husband ... .. but these gorgeous men are temptation personified. Not only will they show me the Garden of Eden but they'll put the apple in

my mouth by doubling down every time we're together. Jason and Jordan were taught in divinity school to be shepherds to their flock ... .. but what happens when the shepherds lose their way? Reader beware: This book is \*wildly inaccurate\* and does not seek to represent the teachings of any particular church or denomination. But if you've ever dreamed about a hot preacher and wondered what it might be like, then you'll definitely adore Pastors Jason and Jordan. Let yourself engage in some hedonism for a fun-loving romp that breaks all the rules: real and make-believe. As always, my books have an HEA with no cheating and no cliffhangers.
