To Timbuktu, (and Back Again) CreateSpace

Jake is a mountain man in 1838 Colorado who finds he is dying from Cancer. He isn't given much time to live, and doc says it is going to be painful. He sends him off with some medicine to help cope with the pain. Instead of going home to die, Jake decides to set out on a last adventure to find the perfect secluded valley for his final resting place. His best friend, Joe Barnes, won't let him go alone, and he brings along a deaf mute girl named Beth. Along the way they save some children from hostile Indians, guide a wagon train to safety, spend time with old friends, and settle an old score with a past friend.

Dreams of Trees John Wiley & Sons

When Sean Aiken graduated from college, he had no idea what he wanted to do with his life—so he decided to try everything. Thus began the one-week job project, in which Sean would work a different job each week for a year. Sean's remarkable journey took him across North America working as a bungee jump operator, tattoo artist, aquarium guide, advertising executive, brewmaster, and cancer fundraiser. In each new job, he learned not only about himself but also about the people around him, finding out what drives people to choose a certain career, what makes them successful, and, more importantly, what makes them happy. Over the course of his year on the road, Sean learned more about work, friendship, love, and life than he ever imagined. This honest, hilarious, inspiring account is a must-read for anyone who's ever asked themselves, "What should I do with

my life?"

Jake Hardy Barefoot Books

So you finally got the interview... What now? Different people will ask you different things, but they want to know just one thing: Why should I hire you? This book will show you how to you sell yourself and get the job! With this book you will learn to: - Practice and prepare for interviews so that you will be at your A-game - Structure and prepare answers for any type of question - Avoid pitfalls that are sure to reduce your chances of getting the job - Make yourself look AMAZING by turning your own life and work experience into enticing stories Here are some of the questions you will find in this book: - Tell me about yourself / Walk me through your resume - Why do you want this job? - What are your three biggest weaknesses? - Tell me about what you do at work - What is your relationship with your manager? - Tell me about a time you worked with someone you didn't want to work with - Tell me about a time you showed leadership skills

Advance Your Image: Putting Your Best Foot Forward Never Goes Out of Style. 2nd Edition Lulu.com

"You'll learn how to develop every aspect of your image including your look, your online presence, your networking skills, your interviewing skills, and more! Advance Your Image is perfect for recording artists seeking a label deal, job seekers, first-time entrepreneurs, and all wanting to enhance their image for their personal and professional success."--P. [4] of cover.

Kids Vs. Mazes Villard Books

The rules and practices for Scrum—a simple process for managing complex projects—are few, straightforward, and easy to learn. But Scrum's simplicity itself—its lack of

prescription—can be disarming, and new practitioners often find themselves reverting to old project management habits and tools and yielding lesser results. In this illuminating series of case studies, Scrum co-creator and evangelist Ken Schwaber identifies the real-world lessons—the successes and failures—culled from his years of experience coaching companies in agile project management. Through them, you'll understand how to use Scrum to solve complex problems and drive better results—delivering more valuable software faster. Gain the foundation in Scrum theory—and practice—you need to: Rein in even the most complex, unwieldy projects Effectively manage unknown or changing product requirements Simplify the chain of command with self-managing development teams Receive clearer specifications—and feedback—from customers Greatly reduce project planning time and required tools Build—and release—products in 30-day cycles so clients get deliverables earlier Avoid missteps by regularly inspecting, reporting on, and fine-tuning projects Support multiple teams working on a large-scale project from many geographic locations Maximize return on investment!

What happens when Franco Genovese, drummer for the American rock band, Rook, and Gemma Hendricks, a British architect, meet in a L.A. bar? The attraction between the two is instant, and so is their friendship. When they both head home soon, it will all be over, or will it? There is something Gemma wants more than anything else. Everything changes when Franco propositions her to provide what she's looking for, but will it be love, or will it be their ruin?

[The Essential Guide To Turning Your Ph.D. Into a Job](#) CreateSpace
Is this the year you are finally going to share your message with the world? Don't let the idea of having to write a book hold you back. It's easier than you think, and you don't even have to actually write the book yourself... Never thought about writing a book? Maybe you should consider it! Publishing a book will give you expert status, help spread your message and increase sales of your other products and services. It may even kick-start or boost your public speaking career. Writing, publishing and promoting a book has never been easier. You can do it in a week.

This guide will teach you: The best kept secrets to a quick start for writing, promotion and sales Smart writing process hacks Alternatives to writing the book yourself Self-publishing The keys to launching a successful book, superfast "I just published my book. What I haven't been able to achieve in the past three years I did in just 7 days!" Chris About the authors Esther Jacobs (The Netherlands, 1970) is an international (TEDx) speaker and author. Esther has given over 1000 keynotes and is (co)author of 21 books. Her workshops have helped over 400 entrepreneurs to write their book. The NO EXCUSES LADY helps leaders and entrepreneurs to transform their challenges into opportunities. Marie Stern (Germany, 1982) is an "Amazon Self-Publishing Ninja." She authored 7 bestselling Amazon books, even though she wasn't even good at writing in school. However, she spent many hours browsing and reading in bookstores, discovering the secret behind successful books. As a former data mining analyst, she knows how important research is and how to find structure in any process. Marie helped many non-writers have their book written and likes to share her best knowledge on how to self-publishing and sell books. Esther and Marie met at a conference, where they were giving a book writing workshop. They decided to write this book in just one day, using their own tested method. And now they're inviting you to try it, too!

Tell em to hold on, a real bitch is coming.' Kahyla James was an

ordinary girl with dreams of one day making it big. And she was well on her way, especially with a street gangsta like Anthony 'Boston' Dixon training her to be a self made bitch. But when she was betrayed by the people that she loved the most it forced her to take actions into her own hands and show the city just how ruthless she could be. Ride with Kahyla as she navigates the streets showing the gangsta's that the penalty for betrayal is still death.

A QR code on the book provides access to video animation and audio.

Changing Careers After 40 Createspace Independent Publishing Platform

Hairniganans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a

new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

"Appalachian Daughter grabbed me Friday afternoon, and except for the time for sleeping and necessary duties, did not turn me loose until I finished it Saturday afternoon." Early Reader This coming-of-age novel depicts the trials, triumphs, and tragedies that befall Maggie Martin, the eldest of eight children whose family struggles to make ends meet on a hilly farm in Campbell Hollow, a narrow mountain valley in East Tennessee. On the last day of eighth grade, Maggie begins to dream of finding a way to escape the drudgery and confinement of life in the hollow and establish her independence. Her plan begins to fall in place when she enters high school and discovers she has a natural talent for excelling in shorthand, typing and other business classes. Meanwhile she spares no effort in helping her family continue to survive despite their poverty, a less than fertile few acres, and a

family history of instability. She strives to fit in at high school in spite of the harsh limits placed on her by her hot-tempered, authoritarian mother, Corie Mae. She often turns for support to her easy-going father Ray, who sometimes intervenes to overrule Corie Mae's restrictions. As she goes about her life, doing her school work and helping out at home, she interacts with interesting, unforgettable, and sometimes dangerous characters, including a mentally challenged neighbor, an escaped convict, and a lecherous employer. She is forced to make decisions and take actions that would be difficult for a much older adult. Maggie meets each challenge with determination, imagination, and courage whether it's cutting a pitchfork from a mare's tail or helping to deliver her baby sister. The typical spoken language, folkways, and traditional beliefs and religious practices are skillfully woven into this portrait of Appalachian family life. The author's sympathetic insights into mountain culture combined with memorably etched characters and events create a realistic reflection of Tennessee mountain life during the decade following WWII. Maggie's life takes an unexpected turn when her cousin JD reveals a dark secret that could shatter the family. Maggie struggles to maintain her dreams of a better life amidst the many trials that will test the grit of this Appalachian Daughter. "I absolutely loved the story! I really think that the thoughtful approach to the main character's life situations will be meaningful to girls and boys who read the book." Early Reader

What do you do after life has handed you a wake-up call? Author Brian Seth Hurst experienced a significant professional setback, but, rather than “soldier on,” he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create. The question of “Why?” began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book *W H O L E* - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source. What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. *W H O L E* is your companion as you review the past, balance all areas of your life, and begin to create anew. *W H O L E* prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding. How do you reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts. *W H O L E* allows you to make sense of the pieces of your life as part of the greater being that is You. *W H O L*

E presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future. *W H O L E* literally answers the question, “What was I thinking?” “To know “whole” in the duality of your reality, you must know broken. To know broken is to recognize that you are, always have been, and always will be *WHOLE*.”

A Global Economy that Works for Progress, People and Planet

THE REMARKABLE AND INSPIRING TRUE STORY OF ONE GUY WHO TRANSFORMED HIS UNCERTAINTY ABOUT THE FUTURE INTO ACTION A year and a half after he graduated from college, Sean Aiken found himself struggling to answer the question “What should I do with my life?” His mother suggested teaching. His older sister told him to apply for an entry-level corporate position. His father said, “It doesn’t matter what you do, just make sure it’s something you’re passionate about.” Taking his father’s advice to heart, Sean created the One-Week Job Project and launched himself on an epic journey to find his passion. His goal: to work fifty-two jobs in fifty-two weeks. After the launch of his website, oneweekjob.com, the offers began pouring in. Sean’s first gig was—literally—jumping off a bridge, as a bungee operator in British Columbia. From there he traveled across Canada and the United States, reinventing himself as a firefighter, an aquarium host, a radio DJ, a martial arts instructor, an NHL mascot, and a snowshoe guide. During the course of his seven-day stints, from a Florida stock-trading floor to a cattle ranch in the wilds of Wyoming to a real estate office in Beverly Hills, Sean found time to make new friends and even fall in love. Whether choosing a spring fashion line, brewing beer, or milking

a cow, Sean continued to ask himself and others about what success really means and how we find happiness—all while having the adventure of his life. Inventive and empowering, witty and wise, *The One-Week Job Project* is a book that will give you the courage to follow your passion. Or, as Mark Twain said, “Explore. Dream. Discover.”

In this important, entertaining book, one of the world's most celebrated psychologists, Martin Seligman, asserts that happiness can be learned and cultivated, and that everyone has the power to inject real joy into their lives. In *Authentic Happiness*, he describes the 24 strengths and virtues unique to the human psyche. Each of us, it seems, has at least five of these attributes, and can build on them to identify and develop to our maximum potential. By incorporating these strengths - which include kindness, originality, humour, optimism, curiosity, enthusiasm and generosity -- into our everyday lives, he tells us, we can reach new levels of optimism, happiness and productivity. *Authentic Happiness* provides a variety of tests and unique assessment tools to enable readers to discover and deploy those strengths at work, in love and in raising children. By accessing the very best in ourselves, we can improve the world around us and achieve new and lasting levels of authentic contentment and joy.
