MAXIMILLIAN FORD

The Love That Split the World Simon and Schuster

Approaching exhaustion after years of caring for her family, Merrit Fowler joins her daughter and sister in California, where an earthquake brings them closer together.

Freely and Lightly Lake Union Publishing
"A truly profound debut."—Buzzfeed "A

time-bending suspense that's contemplative and fresh, evocative and gripping."—USA Today "Henry's story captivates, both as a romance and as an imaginative rethinking of time and space."—Publishers Weekly "This time-traveling, magical, and beautifully written love story definitely deserves a spot on your bookshelf."—Bustle Emily Henry's stunning debut novel is Friday Night Lights meets The Time Traveler's Wife and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads

and paths we've left untaken. Natalie's last summer in her small Kentucky hometown is off to a magical start . . . until she starts seeing the "wrong things." They're just momentary glimpses at first—her front door is red instead of its usual green, there's a preschool where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn't right. Then there are the visits from the kind but mysterious apparition she calls "Grandmother," who tells her, "You have

three months to save him." The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it's as if time just stops and nothing exists. Nothing, except Natalie and Beau.

Beyond the Shadow of Night Blackstone Publishing

In this epic tale of friendship and loss from the author of *The Sugar Men*, fate pushes childhood friends to opposite sides of a terrible war--but is forgiveness always possible? Ukraine, 1923. On a small farm, two boys are born within days of each other, both Ukrainian, one Jewish. Mykhail and Asher grow up inseparable, together finding friendship, adventure and escape from the harshness of Russian rule. But after Asher's family flees to Warsaw, their worlds are torn to shreds by the Second World War. The war brings cruelty to both boys. Although Asher finds love in Warsaw, the city is far from the haven his family sought; meanwhile Mykhail becomes a victim of the bitter struggle for Ukraine. But worse follows in the shape of the Treblinka death camp. There, both men must obey orders, and both find their morals compromised and their souls

tortured. The inhuman horrors they witness cast long shadows. Many years later, their paths cross once more, and each man must confront the legacy of his actions. When the darkest of secrets can no longer be kept hidden, can their friendship survive the final reckoning?

Big Ideas for Little Kids includes everything a teacher, a parent, or a college student needs to teach philosophy to elementary school children from picture books. Written in a clear and accessible style, the book explains why it is important to allow young children access to philosophy during primary-school education. Wartenberg also gives advice on how to construct a "learner-centered" classroom, in which children discuss philosophical issues with one another as they respond to open-ended questions by saying whether they agree or disagree with what others have said.

Recommended for ages 17+ due to language and sexual content. Isabelle Clark always had ideas, but that's all they

ever were . . . until now. She grew up in a world filled with poverty and hatred from the person who gave birth to her and had decided she would finally make her ideas a reality. After moving away to college as a junior she ran into the University of Maryland's walking one-night stand. Literally. Ryder Mitchell was every girl's wet dream all in one muscled, tattooed, pierced, baseball playing package. He thought he had the life: going to school, tattooing people by day, and giving girls the best orgasms of their life by night. When he found out that Financial Aid didn't fully cover Isabelle's room and board Ryder had an idea: Isabelle should move in with him. On the outside everybody sees Isabelle as a quiet bookworm and Ryder as a player, both on and off the baseball diamond. They soon learn who the other truly is. Either way, they're about to realize this idea was a beautiful one.

Bestselling Author Tracie Peterson Launches Exciting New Series Set in 1890s Montana Emily Carver wants a home where she can put down roots instead of

following her gold-hungry father from one mining camp to another. She also longs for tenderness and love, both of which are missing in her life. Yet when she realizes she's losing her heart to the intriguing new man in camp, she fiercely fights her feelings, afraid that love will only result in disappointment and heartache. Caeden Thibault, a young geologist, comes to Montana to catalog minerals indigenous to the state. He's a serious and guarded young man trying to escape the pain of his past. He has avoided all romantic entanglements, fearing he might become like his abusive father. But something about Emily Carver has caught his attention, something he never expected. . . Will these two broken souls allow God to bring healing and hope to their hurting hearts?

Recommended for ages 17+ due to language and sexual content. Ashlynn Miller has always done the right thing. She's always known what to do when it comes to situations in life. That is, until she met Jason Williams their freshman year of college. Now it just seems like her life is one big mess after another. To everyone else Jason Williams is just another hot, single guy walking around on the University of Maryland's campus. However, deep down his life is a complete mess. Growing up wasn't as easy for Jason as it was for Ashlynn. He's had to deal with things he may not ever be able to share with anyone, especially not Ashlynn. Keeping secrets and harboring feelings doesn't sound like the best way to start off a relationship. Could it be too much of a mess for them to handle? Or are the best things in life worth fighting for and could

they somehow make a horrible mess, beautiful?

A Treasure Concealed (Sapphire Brides Book #1) Simon and Schuster

She feels God nudging her toward ministry, but what options are there for a young single woman? Emily Evans has a hard time getting herself to class on time, much less figuring out God's will for her life. Then, to her surprise, she feels that God is calling her into full-time Christian service. She expects the Lord will also provide her with a companion to share her life and ministry, but Emily does not want to marry any of the available young men. She squares her shoulders and decides she will accept the task of opening a new church in a pioneer community--alone. When Emily arrives at her new assignment, she is disappointed to find the church building in disrepair. After many days of hard work fixing it up, she announces her first service and is once again disappointed, this time in the size of

her congregation. Is her faith strong enough to stand against the local doubters and myriad challenges that will test her calling?

Ruth Devon starred for Georgetown Basketball back in college—until she injured her knee, married her coach, and found a new career calling games on the radio. Twenty years later, Ruth and her now-ex-husband, Lester, are two of the most famous faces in sports media. When Lester decides to retire from the announcers' booth, Ruth goes after his job. If she gets it, she will be the first woman to call NBA games on national television. For now, Ruth is reporting from the sideline of the NBA finals, immersed in

the high-pressure spectacle of the post-season. But in a deserted locker room at halftime, Ruth makes a discovery that shatters her vision of her future. Instantly, she is torn between the two things she has always wanted most: the game and motherhood. With warmth and incisive observation, Adrian brings to life the obsessions, emotions, and drama of fandom. *The Second Season* asks why, how, and whom we watch, while offering a rich and complicated account of motherhood, marriage, and ambition. Adrian's character study of Ruth Devon illuminates a beautiful basketball mind—and the struggle of a woman who claims authority in a male-dominated world.
