 Timothy is on probation. It's a strange word—something that  
 happens to other kids, to delinquents, not to kids like him. And  
 yet, he is under house arrest for the next year. He must check in  
 weekly with a probation officer and a therapist, and keep a journal  
 for an entire year. And mostly, he has to stay out of trouble. But  
 when he must take drastic measures to help his struggling family,  
 staying out of trouble proves more difficult than Timothy ever  
 thought it would be. By turns touching and funny, and always  
 original, *House Arrest* is a middlegrade novel in verse about one  
 boy's path to redemption as he navigates life with a sick brother,  
 a grieving mother, and one tough probation officer.  
**Algebra** Chronicle Books  
 College Algebra provides a comprehensive exploration of  
 algebraic principles and meets scope and sequence requirements  
 for a typical introductory algebra course. The modular approach  
 and richness of content ensure that the book meets the needs of  
 a variety of courses. The text and images in this textbook are

grayscale.
