Healing After Loss Nila Comics

A classic ghost story with twists and turns: a spooky house, a malevolent spirit and two plucky heroines. In 1960s Toronto, two girls retreat to their attics to escape the loneliness and isolation of their lives. Polly lives in a house bursting at the seams with people, while Rose is often left alone by her busy parents. Polly is a down-to-earth dreamer with a wild imagination and an obsession with ghosts; Rose is a quiet, ethereal waif with a sharp tongue. Despite their differences, both girls spend their days feeling invisible and seek solace in books and the cozy confines of their respective attics. But soon they discover they aren't alone—they're actually neighbors, sharing a wall. They develop an unlikely friendship, and Polly is ecstatic to learn that Rose can actually see and talk to ghosts. Maybe she will finally see one too! But is there more to Rose than it seems? Why does no one ever talk to her? And why does she look so ... ghostly? When the girls find a tombstone with Rose's name on it in the cemetery and encounter an angry spirit in her house who seems intent on hurting Polly, they have to unravel the mystery of Rose and her strange family... before it's too late.

F. Paul Wilson's Repairman Jack: Scar-Lip Redux - SGND LMT ED HC Oxford University Press

A USA TODAY, WASHINGTON POST, AND PUBLISHER'S WEEKLY BESTSELLER! The path to your life's work is difficult and risky, even scary, which is why few finish the journey. This book will help you discover your life's work to live a life that matters with passion and purpose. It's about the task you were born to do, your true life's work. Bestselling author and entrepreneur Jeff Goins explains how the search begins with passion but does not end there. Only when our interests connect with the needs of the world do we begin living for a larger purpose. Those who experience this intersection experience something exceptional and enviable. Though it is rare, such a life is attainable by anyone brave enough to try. Through personal experience, compelling case studies, and current research on the mysteries of motivation and talent, Jeff shows you how to find their vocation and what to expect along the way. In *The Art of Work*, you'll learn: The seven stages of calling to discover your life's work How accidental apprenticeships differ from mentoring and why taking action is key How believing *The Myth of the Leap* can prevent you from achieving your dreams To live *The Portfolio Life* and how it can lead to your greatest satisfaction and best work Our hearts crave connection to a meaningful calling. *The Art of Work* illuminates the proven path for anyone who wants to embrace that calling and build a body of work they can be proud of.

How To Draw Comics The Marvel Way Bridge City Books

The complete prequel trilogy to Jim Henson's cult classic fantasy film *The Dark Crystal*, with a story by the film's original concept designer, Brian Froud. Brian Froud, legendary conceptual designer of the beloved Jim Henson fantasy film *The Dark Crystal*, returns to the world he helped create in this official prequel trilogy to the cult-classic film. Collected for the first time in one oversized edition, this series reveals the definitive origins of the Skeksis, Mystics, Gelfling, and the *Dark Crystal* itself while introducing all new characters in an epic spanning thousands of years. Written by Brian Holguin (*Spawn: Origins*), Joshua Dysart (*Unknown Soldier*), and Matthew Dow Smith (*Doctor Who*), and lushly illustrated by Alex Sheikman (*Robotika*) and Lizzy John (*Fraggle Rock*), *Jim Henson's The Dark Crystal: Creation Myths* is a breathtaking return to the fantasy world that has captivated audiences for over thirty years.

Oops, she did it again! Rebecca keeps getting better -- and her sapphic senior-high sirens keep getting badder! They may not be putting childish things behind them just yet, but they get themselves into some VERY adult situations, and the girl-on-girl action is more seductive than ever! These sexed-up, barely-legal hotties are dishing up soft serve at the hot dog stand, building team spirit on the field hockey team, and smokin' in the girls' room. And the prom queen? Her tiara is about to get tarnished. Thanks to Rebecca's perfect pencil these pert & playful PYTs leap to luscious life at the peak of ripeness. The apple is sweet and juicy... won't you take a bite?

NEW YORK TIMES BESTSELLER • More than 1 million copies in print! • The authors of *No-Drama Discipline* and *The Yes Brain* explain the new science of how a child's brain is wired and how it matures in this pioneering, practical book. "Simple, smart, and effective solutions to your child's struggles."—Harvey Karp, M.D. In this pioneering, practical book, Daniel J. Siegel, neuropsychiatrist and author of the bestselling *Mindsight*, and parenting expert Tina Payne Bryson offer a revolutionary approach to child rearing with twelve key strategies that foster healthy brain

development, leading to calmer, happier children. The authors explain—and make accessible—the new science of how a child’s brain is wired and how it matures. The “upstairs brain,” which makes decisions and balances emotions, is under construction until the mid-twenties. And especially in young children, the right brain and its emotions tend to rule over the logic of the left brain. No wonder kids throw tantrums, fight, or sulk in silence. By applying these discoveries to everyday parenting, you can turn any outburst, argument, or fear into a chance to integrate your child’s brain and foster vital growth. Complete with age-appropriate strategies for dealing with day-to-day struggles and illustrations that will help you explain these concepts to your child, *The Whole-Brain Child* shows you how to cultivate healthy emotional and intellectual development so that your children can lead balanced, meaningful, and connected lives. “[A] useful child-rearing resource for the entire family . . . The authors include a fair amount of brain science, but they present it for both adult and child audiences.”—Kirkus Reviews “Strategies for getting a youngster to chill out [with] compassion.”—The Washington Post “This erudite, tender, and funny book is filled with fresh ideas based on the latest neuroscience research. I urge all parents who want kind, happy, and emotionally healthy kids to read *The Whole-Brain Child*. This is my new baby gift.”—Mary Pipher, Ph.D., author of *Reviving Ophelia* and *The Shelter of Each Other* “Gives parents and teachers ideas to get all parts of a healthy child’s brain working together.”—Parent to Parent

Doctor O'Reilly experiences both love and loss during World War II in this new novel in Patrick Taylor's beloved Irish Country series Long before Dr. Fingal Flahertie O'Reilly came to the colourful Irish village of Ballybucklebo, young Surgeon-lieutenant O'Reilly answered the call of duty to serve in World War II. Fingal just wants to marry his beloved Deirdre and live happily ever after. First he must hone his skills at a British naval hospital before reporting back to the HMS Warspite, where, as a ship's doctor, he faces danger upon the high seas. With German bombers a constant threat, the future has never been more uncertain, but Fingal and Deirdre are determined to make a life together . . . no matter what may lie ahead. Decades later, the war is long over, and O'Reilly is content to mend the bodies and souls of his patients in Ballybucklebo, but there are still changes and challenges aplenty. A difficult pregnancy, as well as an old colleague badly in denial concerning his own serious medical condition, tests O'Reilly and his young partner, Barry Laverty. But even with all that occupies him in the present, can O'Reilly ever truly let go of the ghosts from his past? Shifting effortlessly between two singular eras, bestselling author Patrick Taylor continues the story of O'Reilly's wartime experiences, while vividly bringing the daily joys and struggles of Ballybucklebo to life once more.
