Last Breath Celadon Books
 He's your perfect date. You're his next victim. When the tortured body of a young woman is found in a dumpster, her eyes swollen shut and her clothes soaked with blood, Detective Erika Foster is one of the first at the crime scene. The trouble is, this time, it's not her case. While she fights to secure her place on the investigation team, Erika can't help but get involved and quickly finds a link to the unsolved murder of a woman four months earlier. Dumped in a similar location, both women have identical wounds - a fatal incision to their femoral artery. Stalking his victims online, the killer is preying on young pretty

women using a fake identity. How will Erika catch a murderer who doesn't seem to exist? Then another girl is abducted while waiting for a date. Erika and her team must get to her before she becomes another dead victim, and, come face to face with a terrifyingly sadistic individual. Gripping, tense and impossible to put down, *Last Breath* will have you on the edge of your seat, racing to the final dramatic page. Read what everyone is saying about *Last Breath*: 'Oh my giddy aunt, Robert Bryndza never fails to surprise me, just when I convinced myself the Detective Erika Foster series couldn't possibly get any better, he delivers another belter of a book...each book has been from the last and how each story offers something unique, which is why Robert Bryndza continues to be one of my very favourite authors on the planet.' The

Book Review Café 'It's the sort of book that you want to devour in one sitting, it's too good to put down. The characters crackle with energy and the chemistry between them is fantastic to read... A breathtaking addition to the series that I would thoroughly recommend!' The Quiet Knitter 'Robert Bryndza has leapfrogged up to the top place in my list of favourite crime authors after reading his other books... This book was absolutely fantastic!! The story gripped me from page one and didn't let up until the end...If you're looking for a gritty police procedural crime thriller, then I can highly recommend this book. If you're going to buy this one, don't forget to buy the others too!! Five stars (although if I could give it more I would!).' Star Dust Book Reviews 'I will always applaud for more Erika Foster #QueenDetective. I love her so much, she

is one of my best fictional characters.' The Book Heathen 'One of my most anticipated reads of 2017...Last Breath is a gripping, nail biting ride of a read. I seriously cannot get enough of the author's books and now that I have finished this one I have the long agonising wait for the next one. Brilliant series, brilliant book by a brilliant author, what else can I say!' By the Letter Book Reviews

The Sickness (Animorphs #29) Sphere NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of *Conversations with Friends*, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can’t. Praise for *Normal People* “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes]

some of the best dialogue I’ve read.”—The New Yorker

Anxiety and Its Disorders, Second Edition Allen & Unwin

In Britain the physical education curriculum has been experiencing a period of unrest. For many teachers the practices of decades have become problematic features of their curriculum and teaching. This book, first published in 1986, explores the experiences of teachers and pupils in programmes of physical education from a sociological perspective. It explores a range of issues relating to the organisation and management of physical education departments, deviancy and dissent in sport, gender inequalities and the concepts of community education and leisure education. This title will be of interest to students of sociology and education.

A young man returns home to find the quaint little town he has settled in hides a terrible secret, and something hungry and evil in the dark is hunting people. The first few preview chapters of *Midnight Falls*. A novel(?) that I have been working on for the past two years, though not finished, I am just testing the waters with a few chapters and seeing what people think.

USA Today and Wall Street Journal bestselling author Robert Bryndza is back again with the third book in the thrilling, crime series, starring Erika Foster, which has sold over 2 millions copies worldwide. When Detective Erika Foster receives a tip off that key evidence for a major narcotics case was stashed in a disused quarry on the outskirts of London, she orders for it to be searched. From the thick sludge the drugs are recovered, but so is the skeleton of a young child. The remains are quickly identified as seven-year-old Jessica Collins. The missing girl who made headline news when she vanished twenty-six years ago. As Erika tries to piece together new evidence with the old, she discovers a family harbouring secrets, a detective plagued by her failure to find Jessica, and the mysterious death of a man living by the quarry. Is the suspect someone close to home? Someone doesn't want this case solved. And they'll do anything to stop Erika from finding the truth.

Big Little Lies Sphere

A special edition of *Jaws* by Peter Benchley reissued with a bright retro design to celebrate Pan's 70th anniversary. It was just another day in the life of a small Atlantic resort until the terror from the deep came to prey on unwary holiday makers. The first sign of trouble - a

warning of what was to come - took the form of a young woman's body, or what was left of it, washed up on the long, white stretch of beach . . . A summer of terror had begun. Peter Benchley's *Jaws* first appeared in 1974. It has sold over twenty million copies around the world, creating a legend that refuses to die - it's never safe to go back in the water . . .

The Ellimist Chronicles (Animorphs) Grand Central Publishing

'OMG what a story ... you seriously need to read this one. I devoured this in one sitting, it is certainly one pulse-racing, nail-biting, gritty read ... I thought my heart was going to explode ... will definitely keep you on the edge of your seat from start to finish.' Chelle's Book Reviews The suitcase was badly rusted, and took Erika several attempts, but it yielded and sagged open as she unzipped it. Nothing could prepare her for what she would find inside... When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. But it's not the first time she's seen such a brutal murder... Two weeks earlier, the body of a young woman was found dumped in an identical suitcase. What connects the two victims? As Erika and her team set to work, they quickly realise they are on the trail of a serial killer who has already made their next move. Yet just as Erika starts to make headway with the investigation, she is the target of a violent attack. Forced to recover at home, and with her personal life falling apart, everything is stacked against her, but nothing will stop Erika. As the body count rises, the case takes an even more twisted turn when the twin daughters of Erika's colleague, Commander Marsh, are suddenly put in terrible jeopardy. The stakes are higher than ever before, but can Erika save the lives of two innocent children before it's too late? She's running out of time and about to make a disturbing discovery...there's more than one killer. Brilliantly gripping, *Cold Blood* will have you hooked from the first page and holding your breath to the heart-stopping and shocking ending. Read what everyone is saying about *Cold Blood*:

'Unputdownable ... I couldn't read it fast enough and stayed up way too late ... best thriller I have read in ages and I've read some good ones ... this is as good as it gets, and for me it was brilliant. I loved it.' Goodreads Reviewer, 5 stars 'Robert Bryndza never fails to amaze me, he is such a gifted writer and I love the fact that he is able to maintain such a high standard of writing whilst keeping the

series highly original in content. Would I recommend *Cold Blood*? It's a "thousand" hell yeses and if you haven't read this series yet you really need to.' The Book Review Café 'I absolutely LOVE Robert Bryndza's writing and the Erika Foster series is probably one of the best female detective series I've read.....no wait, not just female, but the best detective series ever! ...Wow, wow, wow!! Erika is back with a bang.' Stardust Book Reviews 'Blindingly excellent ... These books should come with a disclaimer as once you start reading you aren't going to want to walk away. This is a book you are going to want to feast upon and devour as fast as you can.' Jen Med's Book Reviews, 5 stars 'This is a heart racing, hold your breath, drama packed instalment of one of the best crime thriller series available! Robert Bryndza is a genius and raises the bar for the genre!'

Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of

impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with *Daisy Jones & The Six*, brilliantly capturing a place and time in an utterly distinctive voice.

We could blame everything that happened on Marco. He was the one who heard about the downed submarine. He was the one who thought we should check it out. And everyone knows that if Marco's up to a challenge, I'm definitely there. Everything was going fine. Until the explosion. An explosion that blew us millions of years back in time, to the age of dinosaurs. Now Tobias, Cassie, Marco, Ax, Jake and I are fighting for our lives with every step we take. But that's not our biggest problem. Our biggest problem is we have no idea how to get back to our own time ...
