A manufacturer-by-manufacturer guide to baseball cards lists current prices and provides tips in collecting them

### The Official 1998 Price Guide to Baseball Cards House of Collectibles

More than 300,000 cards from over 6,000 sets are listed in this popular book- the biggest basketball price guide in the

world! It's the most comprehensive basketball card source ever produced, and includes complete coverage of modern and oddball hoops cards and collectibles from 1910 to present, including college, international leagues, figurines and WNBA! Beckett Basketball Card Price Guide Willowdale, Ont. : Firefly Books  
From the publishers of "Beckett Pokmon Collector" magazine comes a guide to Pokmon collectibles that's filled with colorful photos of the most popular items. *The Official Price Guide to Baseball Cards 1999* Hockey Card Stories  
"True tales! From 59 of your favourite

players"--Cover.

**Baseball Card Price Guide** Beckett Publications

In this sports memoir, Wayne Gretzky weaves memories of his legendary career with an inside look at professional hockey and the heroes and stories that inspired him. From minor-hockey phenomenon to Hall of Fame sensation, Wayne Gretzky rewrote the record books, his accomplishments becoming the stuff of legend. Dubbed "The Great One," he is considered by many to be the greatest hockey player who ever lived. No one has seen more of the game than he has—but

he has never discussed in depth just what it was he saw. For the first time, Gretzky discusses candidly what the game looks like to him and introduces us to the people who inspired and motivated him: mentors, teammates, rivals, the famous and the lesser known. Weaving together lives and moments from an extraordinary career, he reflects on the players who inflamed his imagination when he was a kid, the way he himself figured in the dreams of so many who came after; takes us onto the ice and into the dressing rooms to meet the friends who stood by him and the rivals who spurred him to greater heights; shows us some of the famous moments in hockey history through the eyes of someone who regularly made that history. Warm, direct, and revelatory, it is a book that gives us number 99, the man and the player, like never before.

Basketball Card Price Guide Open Road + Grove/Atlantic

"An entertaining history of baseball cards . . . An engaging book on a narrow but fascinating topic" (The Washington Post). When award-winning journalist Dave Jamieson's parents sold his childhood home a few years ago, he rediscovered a

prized boyhood possession: his baseball card collection. Now was the time to cash in on the "investments" of his youth. But all the card shops had closed, and cards were selling for next to nothing online. What had happened? In *Mint Condition*, his fascinating, eye-opening, endlessly entertaining book, Jamieson finds the answer by tracing the complete story of this beloved piece of American childhood. Picture cards had long been used for advertising, but after the Civil War, tobacco companies started slipping them into cigarette packs as collector's items. Before long, the cards were wagging the cigarettes. In the 1930s, cards helped gum and candy makers survive the Great Depression. In the 1960s, royalties from cards helped transform the baseball players association into one of the country's most powerful unions, dramatically altering the game. In the '80s and '90s, cards went through a spectacular bubble, becoming a billion-dollar-a-year industry before all but disappearing, surviving today as the rarified preserve of adult collectors. *Mint Condition* is charming, original history brimming with colorful characters, sure to

delight baseball fans and collectors.

"Jamieson explores the history of card collecting through an entertaining cast of characters . . . For anyone who can recall being excited to rip open their newest pack of cards, *Mint Condition* is a treat."

—Forbes

Beckett Pokemon Collector Price Guide  
ABRAMS

Still one of the most comprehensive books on die-cast cars available anywhere, this reference includes up-to-date information on pricing, driver listings, and every racing card ever issued for NASCAR, IndyCar, Formula One, NHRA, and Sprint Cars. *Football Card Price Guide #34* Dens Collectors Den

Distribution

Take a fun look back at Quacker Oats, Blisterine, and more classic packaging parodies—plus an interview with creator Art Spiegelman! Known affectionately among collectors as “Wacky Packs,” the Topps stickers that parodied well-known consumer brands were a phenomenon in the 1970s—even outselling the Topps Company’s baseball cards for a while. But few know that the genius behind it all was none other than Art Spiegelman—the Pulitzer Prize-winning graphic novelist who

created Maus. This treasury includes an interview with Spiegelman about his early career and his decades-long relationship with the memorabilia company—as well as a colorful compendium that will bring back memories of such products as Plastered Peanuts, Jail-O, Weakies cereal, and many more. Illustrated by notable comics artists Kim Deitch, Bill Griffith, Jay Lynch, Norm Saunders, and more, this collection is a visual treat, a load of laughs, and a tribute to a beloved product that’s been delighting kids (and adults) for decades.
