MCINTYRE JACOBY

The Book of Imaginary Beings Paradigma Ltd
 Provides insight into the lost history of the Giza Plateau and how Temple priests of the Great Pyramid preserved the evidence of life beyond death.

MURDRUM

Swift Press
 "From the University of Florida College of Fine Arts, Charlie Mitchell and distinguished colleagues from across America present an introductory text for theatre and theoretical production. This book seeks to give insight into the people and processes that create theater. It does not strip away the feeling of magic but to add wonder for the artistry that make a production work well." -- Open Textbook Library.

The Pataala Prophecy

Westland Publication Limited
 A unique retelling that takes the reader far beyond the Kurukshetra war... Every person deviates from the path of righteousness in his lifetime, and for all these sins big or small, he has to pay-either during his present life or in some future rebirth. So, also, are his good deeds harvested. The cycle of Karma continues inexorably, far beyond our understanding... This book takes us beyond the familiar reading of the great epic, moving away from a chronological recounting of events, to focus on the greater scheme of things by which each of these incidents is linked in a causal relationship, and therefore, had to happen exactly the way they did. The story of Mahabharata unravels over aeons, spanning heaven, earth and hell; intricately weaving gods and demons, sages and humans, birth and rebirth all into one majestic tapestry through the law of Karma-whereby every action reaps its fruit at some point in time, no matter who the doer is. Erring gods are cursed by human sages, great demons earn boons from gods, ordinary folk earn blessings or curses, and gods take birth as humans when so ordained! Mahabharata and the Marvellous Cycle of Boons, Curses and Vows explores the complexity of the greatest epic of all time, and takes the reader far beyond the story of the Kurukshetra war.

101 Inspiring Stories

Random House
 A horrifying decapitated head. A CBI intern on an assignment finds mysterious 'Two Dots' from a cold case. Human DNA is extracted from a mosquito's stomach. "Why had Harold Shipman killed 250 women?" A question of criminal psychology enters the picture. Against the corrupt system, a CBI intern leaves no stone unturned to dig the rot of a cold-blooded serial killer. Several incredible, high-tech forensic investigations are stacked against a tech-savvy killer who knows his job inside-out. And, the sexual sadist killer releases another cipher with a rise of body count.

Forensic advancement has brought out a digital face from DNA. Will she be able to get the killer's DNA? How has he become a monster out of a man? Are these efforts enough to catch the killer? Or is there something special in the store? "The Murdrum is an outstanding journey. The incredible story and wonderful characters keep you hooked till the end. I strongly recommend this page-turner. I'm eagerly waiting for Murdrum 2." — Director Anees Bazmee "The best part of the Murdrum is an experience. Scientific, logical, gripping and gritty. The adrenaline rush hooks you till the end. I can only imagine Sohil writing such a suspenseful and mind-boggling forensic thriller." — Karan Vyas, Writer - SCAM 1992 Well etched characters. Twisty plot. Remarkable use of incredible medical science, but still, an easy read. Murdrum is an absolute page-turner. — Vishal Furia, Director - Criminal Justice Unputdownable. Engrossing and spine-chilling pace. The writing skills shout out loud of a pro-level finesse which makes the book a real page turner. A thrilling mysterious ride. — Rahul Bhole, Director - national award winner film Reva

Narasimha

Om Books International
 Fifteen-year-old Maya and Arjun find their placid world suddenly overturned, when their favourite history teacher is found brutally murdered. The death shocks the students at the school and baffles the police. Meanwhile, a mysterious stranger's reappearance after 5000 years strikes fear into the hearts of powerful members of a secret society, called the Sangha. Who is he and what is he after? What secrets are Arjun's uncle and mother hiding and why do they inexplicably decide to leave town for an unknown destination? What is The Pataal Prophecy, that must be decoded even as the world hurtles towards a fate that may doom humanity? In a race against time, Arjun and Maya must join forces with the Sangha to face an ageless and terrible enemy from the depths of Pataal. But can they overcome an ancient power that is out to wreak vengeance? After The Mahabharata Quest series, bestselling author Christopher C Doyle creates a world of fantasy and adventure, in which mythology, action and suspense come together to weave a thriller that will keep you spellbound till the very end.

Mahabharata and the Marvellous Cycle of Boons, Curses and Vows

Random House
 Three thousand years ago, deep inside the forests of India, a great 'thought revolution' was brewing. In those forest labs, the brightest thinker-philosophers contemplated the universe, reflected on ancient texts called the Vedas and came up with startling insights into questions we still don't have final answers to, like: • What is the universe made of? • How do I know I'm looking at a tree when I see one? • Who am I? And where did they put those explosive findings? In a sprawling body of goosebumpy

and fascinating oral literature called the Upanishads! Intimidated? Don't be! For this joyful, fun guide to some of India's longest-lasting secular wisdoms, reinterpreted for first-time explorers by Roopa Pai, is guaranteed to keep you turning the pages.

The Story of India

Penguin Books India
 In The Story of India, Michael Wood weaves a spellbinding narrative out of the 10,000-year history of the subcontinent. Home today to more than a fifth of the world's population, India gave birth to the oldest and most influential civilization on Earth, to four world religions, and to the world's largest democracy. Now, as India bids to become a global economic giant, Michael sets out on an epic journey across this vibrant country to trace the roots of India's present in the incredible riches of her past. The Story of India is a magical mixture of history and travelogue, and an unforgettable portrait of India - past, present and future.

The Gita: For Children

Random House
 Hun, the universal appellation for terror, was earned with brutality and blood. Legend has it that Mahira, a Hun dynasty King of the early 6th century, was the most cruel man of all time. Sagala, the capital of his vast but dying empire, that extended from the Central Steppes, over the Hindu Kush, into what is modern-day Pakistan and north-western India, to the borders of the Gupta Empire, was a place where unrivalled beauty and extreme bestiality existed in uneasy alliance. Like his predecessors, Mahira too, had visions that made him both feared as well as invincible. Obsessed with the desire to rule the world, he set off into the grasslands of Central Asia, on a journey to unite every kingdom known to man, under his savage rule. But the Gods scoffed at his hubris and visited him with nightmarish visions and excruciating pain. A prisoner of intense suffering, Mahira grew ever more erratic, ever more brutal. His heinous murder of the King of Lanka, lives on in folklore to this day. On taking the kingdom of Kashmir, he ordered the massacre of the entire Buddhist population. On a whim, he slaughtered a hundred of his own elephants. But, as this victim of malady escapes execution, hatred, betrayal, conflict and war, all he truly desires is the love of his Queen. Centuries have passed since King Mahira lived and ruled, but his infamy and deeds live on in legend and folklore. And echoes of his aggression, quest for power, world domination and subjugation of people, resound 1400 years later, with dangerous portent, in a world given increasingly to violence and terror. *The Outcasts - A Thousand Dreams of Redemption* India List
 The Library of Alexandria was one of the greatest cultural adornments of the late ancient world, containing thousands of scrolls of Greek, Hebrew and Mesopotamian literature and art and artefacts of ancient Egypt. This book demonstrates that Alexandria became - through the contemporary reputation of its library - a point of confluence for Greek, Roman, Jewish and Syrian

culture that drew scholars and statesmen from throughout the ancient world. It also explores the histories of Alexander the Great and of Alexandria itself, the greatest city of the ancient world. This new paperback edition offers general readers an accessible introduction to the history of this magnificent yet still mysterious institution from the time of its foundation up to its tragic destruction.

The Mahabharata Harper Collins

A work of fiction that takes inspiration from the life of Kalki, the idea of Kaliyug and other Mahabharata and Ramayan references. **Worlds in Collision** One Point Six Technology Pvt Ltd THERE'S A STORM BREWING IN NEW DELHI A dissatisfied man with a dangerous agenda. A mechanical assassin with a deadly mission. A courageous MP on a treacherous trail. And a conspiracy that will shake the nation. When a scientist is shot to death in front of the New Delhi constituency MP Vedika Khanna's home, his dying words leave her chilled to the bone. After all, Prime Minister Raghav Mohan is beloved by citizens, and a threat to his life is a threat to national security. So, with nothing to go on but the smallest of clues, Vedika and her trusted aides - the resourceful journalist Shreya and the tech-wiz Kartik - must embark on a perilous journey that will take them from the corridors of power in the Capital to the high-rises of Hong Kong and the innermost sanctums of Tibetan monasteries. As Vedika and her team race against time to unravel clue after clue and uncover a sinister plot against the nation, will they succeed in their mission, or is it already too late?

Wildfire Harper Collins

"I was the youngest in a family of five children. I sometimes felt I was an afterthought, and maybe Father and Mother didn't quite know what to do with me. Also, because I was a girl after four boys they never seemed to be sure whether to buy me girls' clothing or let me wear leftover boys' clothing." Young Dielieno is five years old when she is sent off to live with her disciplinarian grandmother who wants her to grow up to be a good Naga wife and mother. According to Grandmother, girls didn't need an education, they didn't need love and affection or time to play or even a good piece of meat with their gravy! Naturally Dielieno hates her with a vengeance. This is the evocative tale of a young girl growing up in a traditional society in India's Northeast, which is in the midst of tremendous change. Easterine Kire writes about a place and a people that she knows well and is a part of and brings to the storytelling a lyrical beauty which can on occasion chill the reader with its realistic portrayals of the spirits of the dead that inhabit the quiet hills and valleys of Nagaland.

Prince of Ayodhya Swift Press

An epic fantasy based on the ancient Hindu classic finds young Rama, heir to the throne of Ayodhya, called upon by the legendary mage Vishwamitra when two powerful demons raise an army to defeat the human world. 20,000 first printing.

The Hindu History Penguin UK

A woman with a devastating secret. A man bent on proving his worth. A chance encounter that catapults them into the heart of history. When the daughter of a prominent Roman general meets a disinherited Jewish immigrant, neither one can dream of God's plan to transform them into the most influential couple of the early church. Nor can they anticipate the mountains that will threaten to bury them. Their courtship unwittingly shadowed by murder and betrayal, Priscilla and Aquila slowly work to build a community of believers, while their lives grow increasingly complicated thanks to a shaggy dog, a mysterious runaway, and a ruthless foe desperate for love. But when they're banished from their home by a capricious emperor, they must join forces with an unusual rabbi named Paul and fight to turn treachery into redemption. With impeccable research and vivid detail, *Daughter of Rome* is both an emotive love story and an immersive journey through first-century Rome and Corinth, reminding readers once again why Debbie Macomber has said that "no one brings the Bible to life like Tessa Afshar."

Theatrical Worlds (Beta Version) University of Chicago Press NATIONAL BESTSELLER • "A wheeling meditation on the wired life, on privacy, on what being human in the age of binary code might mean" (The New York Times), from the Pulitzer Prize-winning author of *The Netanyahu* NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY VULTURE AND ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE WALL STREET JOURNAL "Shatteringly powerful . . . I cannot think of anything by anyone in [Cohen's] generation that is so frighteningly relevant and composed with such continuous eloquence. There are moments in it that seem to transcend our impasse."—Harold Bloom The enigmatic billionaire founder of Tetration, the world's most powerful tech company, hires a failed novelist, Josh Cohen, to ghostwrite his memoirs. The mogul, known as Principal, brings Josh behind the digital veil, tracing the rise of Tetration, which started in the earliest days of the Internet by revolutionizing the search engine before venturing into smartphones, computers, and the surveillance of American citizens. Principal takes Josh on a mind-bending world tour from Palo Alto to Dubai and beyond, initiating him into the secret pretext of the autobiography project and the life-or-death stakes that surround its publication. Insider tech exposé, leaked memoir-in-progress, international thriller, family drama, sex comedy, and biblical allegory, *Book of Numbers* renders the full range of modern experience both online and off. Embodying the Internet in its language, it finds the humanity underlying the virtual. Featuring one of the most unforgettable characters in contemporary fiction, *Book of Numbers* is an epic of the digital age, a triumph of a new generation of writers, and one of those rare books that renew the idea of what a novel can do. Praise for *Book of Numbers* "The Great American Internet Novel is here. . . . *Book of Numbers* is a fascinating look at the dark heart of the Web. . . . A page-turner about life under the veil of digital surveillance . . . one of the best novels ever written about the Internet."—Rolling Stone "A startlingly talented novelist."—The Wall Street Journal "Remarkable . . . dazzling . . . Cohen's literary gifts . . . suggest that something is possible, that something still might be done to safeguard whatever it is that makes us human."—Francine Prose, The New York Review of Books *Slightly Burnt* Bombay : Chetana

A Pallava prince travels to Cambodia to be crowned king, carrying with him secrets that will be the cause of great wars many centuries later. A Buddhist monk in ancient China treks south to India, searching for the missing pieces of a puzzle that could make his emperor all-powerful. A Neolithic tribe fights to preserve their sacred knowledge, oblivious to the war drums on the Indo-China border. Meanwhile, far away in the temple town of Kanchipuram, a reclusive scientist deciphers ancient texts even as a team of secret agents shadows his every move. Caught in the storm is a young investigator with a complex past of her own, who must race against time to maintain the balance of power in the new world. Welcome back to the exciting and shadowy world of Ashwin Sanghi, where myth and history blend into edge-of-the-seat action.

I Am that New Press, The

This is one of the many inspiring books from the renowned "Mentor" Dr. G. Francis Xavier. Evidently, this harvest of stories has been gleaned from lands he visited and books he read. Xavier, who conducts full-house personal growth courses has brought out this compendium in an interactive form, making the reader give the answers at the end of the story, which is a novel approach. Stories and examples are the best way to inspire, and this volume can be gifted to anyone. It is useful for preachers, speakers and teachers. The book appeals to readers of all ages except the morose and irredeemable negaholics (negative thinking addicts) and anti-reading teenagers. It has stories to inspire and promises uninterrupted chuckles till the end. There are also quotations on success.

Son of Bhrigu Simon and Schuster

244 BC Asoka the Great discovers an ancient and terrible secret—a secret buried deep in the Mahabharata; a secret that could destroy the world; a secret hidden away for over 2300 years... Present Day A retired nuclear scientist is murdered. He leaves only e-mails with clues for his nephew. He and his friends follow a trail through ciphers and 2000-year-old ruins. Pursued by powerful dark forces, caught between the secrets of the past and the intrigues of the present, can they unravel the mystery before an unspeakable horror is unleashed on the world... CHRISTOPHER C DOYLE graduated from St. Stephens College, Delhi, with a degree in Economics and studied Business Management at IIM Calcutta. Since childhood, his literary mentors have been Jules Verne, HG Wells, Isaac Asimov, Robert Heinlein, JRR Tolkien, Robert Jordan and Terry Brooks. Christopher has written articles on management and business for several publications, and is regularly invited to speak at conferences. He worked with leading multinationals before setting up a strategic consultancy in India in partnership with a US-based firm. He is also a certified Executive Coach and works with senior executives to help them achieve better results in the workplace. Work aside, Christopher is a musician and lives his passion for music through his band called Mid Life Crisis which plays classic rock. He lives in Gurgaon with his wife, daughter and two dogs. The Mahabharata Secret is his debut novel. USP An IIM graduate-turned-author, Christopher C Doyle is in the same league as Chetan Bhagat and Amish Tripathi Mahabharata Secret blends mythology and history with modern science and cutting edge technology A page turner with hi-octane suspense and intrigue Readership All fiction lovers, thriller junkies, history buffs, corporate yuppies, educational institutes, libraries and general trade readers.

The New Delhi Conspiracy National Geographic Books

Dipesh Chakrabarty's eagerly anticipated book examines the politics of history through the career and in many ways tragic fate of the distinguished historian Sir Jadunath Sarkar (1870-1957). One of the most important scholars in India during the first half of the twentieth century, Sarkar was knighted in 1929 and is still the only Indian historian to have ever been elected an Honorary Fellow of the American Historical Association. He was a universalizing and scientific historian, highly influential during much of his career, but, by the end of his lifetime, he became marginalized by the history establishment in India. History, Chakrabarty writes, sometimes plays truant with historians: by the 1970s when Chakrabarty himself was a novice historian Sarkar was almost completely forgotten. Through Sarkar's story, Chakrabarty explores the role of historical scholarship in India's colonial modernity and throws new light on the ways that postcolonial Indian historians embraced a more partisan idea of truth in the name of democratic and anti-colonial politics."
