Einaudi: Solo Piano Chester Music

"David Farmer has hit gold with 'Playful Plays: Volume One', and if volumes two to ten were available I would be ordering them immediately... The selling point of the book is its simplicity. It offers teachers an off-the-shelf, ready-to-go, high-quality rehearsal process ideal for primary-aged students... The book is very well laid out and user-friendly, and is the perfect go-to for short presentation pieces that pack a punch." - Teaching Drama Magazine. This lively collection of eight short plays for children and young people is supported by inspirational drama games designed to bring creativity and fun to the rehearsal room. The stories are based on traditional folk-tales from countries including China, Ghana, Greece, Japan, Turkey and Scandinavia. The book is written in such a way that young people can easily pick it up and use it themselves. The plays can be performed by groups of children on their own, or under the direction of an adult. They feature performance techniques such as mime, mask, freeze frames, audience participation, live music and song. The author draws on his experience in the professional theatre world to provide helpful advice for the young director and actor including warm-ups, tips on line-learning and ideas for character development, as well as games to develop acting skills such as concentration, focus and working as an ensemble.

Italian-born Ludovico Einaudi's Piano music has struck a chord with audiences across the world, and his distinctive meditative style has confirmed his place in the music industry. His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.

"Fly" by the Italian Composer Ludovico Einaudi was released in 2006 From the Album "Ludovico Einaudi - Divenire" and From the Show "The Intouchables". This beautiful composition is now available in piano tab; a color coded, easy interpretation of piano

music that requires little training. The piano tab display right and left-hand fingering numbers with red and blue note letters. This method of piano tab is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. Someone with very little music reading ability could figure it out pretty quickly. Play Piano by Letters is a method of learning featuring unique color-coded illustrations of sheet music. The most remarkable feature about this method is that it modifies standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn "Fly" by Ludovico Einaudi, this Book is for you. Book 1 introduces the child to the keyboard, staves, clefs, simple time signatures, note values, and rests. Reading encompasses notes to a 5th above and a 5th below Middle C. The notes A and E are introduced first, played by a braced 3rd finger of each hand. This encourages free movement of the whole arm from the shoulder, and develops a natural, balanced hand position, before the 5-finger position is gradually mastered. The first line of the treble staff and the fifth line of the bass staff are highlighted, and further lines are similarly treated as the child learns more notes. Staccato, slurs, ties, upbeats, and repeat signs are all experienced in Book 1. Tempo and dynamic markings encourage musical playing, and are in English, in order to avoid "knowledge overload."
