**Summer Houses by
the Sea** HarperCollins
UK

The light greenery of
the early summer is
trembling around Erik
and Julia as they shove
their children into the
car and start the drive
towards the house by
the sea on the west
coast of Finland where

they will spend the
summer. From the
outside they are a
happy young family
looking forward to a
long holiday together.
But look under the
surface, and their
happiness shows signs
of not lasting the
summer. On the eve of
the holiday, Erik lost
his job, but hasn't yet
told the family. And the
arrival of Julia's
childhood friend Marika
- along with her
charismatic husband
Chris, the leader of a
group of environmental
activists that have
given up hope for
planet Earth and are
returning to a primitive
lifestyle - deepens the
hairline cracks that had
so far remained
invisible. Around these
people, over the course
of one summer, Philip
Teir weaves a finely-
tuned story about life

choices and lies, about childhood and adulthood. How do we live if we know that the world is about to end?

Chelsea High HQ

A delicious, malicious comedy of marriage, motherhood, and scandal.

[The Great Allotment Proposal \(Cherry Pie Island, Book 3\)](#)

HarperCollins UK

Norah Whittaker's upbringing has been charmingly unconventional: she's grown up on a houseboat spending her days fishing, cherry picking and helping her mum out at her vintage market stall.

As well as laughing at her chaotic dad. But when her dad's latest get-rich plan ends up getting him arrested, everything changes.

Grandparents
(incredibly rich ones)

that Norah never knew had existed enrol her at exclusive Chelsea High. There are polo lessons, ski trips and parties photographed by Tatler, not to mention Coco Summers, Instagram sensation, who is determined to make Norah feel utterly unwelcome. Luckily there is also handsome Ezra who is cast opposite her in the school play. But is he enough to persuade Norah that she belongs?

Welcome to Cherry Pie Island – once you step on to the island, you'll never want to leave!

The Summer House

Electric Monkey Romantic seaside houses in the beloved Shingle Style, from Maine to Montauk. This book will delight and inspire readers with its luxurious treatment of homes in this beloved architectural style, which has become an expression of the romantic longing for a life by the sea. Featuring all-new photography taken especially for the book, it looks at both the historic and new Shingle Style houses. The Shingle Style is one of the few purely American genres of architecture and was closely linked to the Aesthetic and the Arts and Crafts movements. Prominent architects, including H. H. Richardson, William Ralph Emerson, and Frank Lloyd Wright,

were influenced by the style and contributed to its milieu. Architects and architectural movements, including postmodernism, have continued to be influenced by this style. This volume begins with a well-documented history and then considers some of the more exemplary houses of the style in its original and modern manifestations. Some of the more notable homes featured are McKim, Mead & White's Ochre Point in Newport, Rhode Island, the Quackenbush House in East Hampton, and Grey Gardens, the famously ramshackle residence of Edith Bouvier Beale and her daughter "Little Edie"—the eccentric aunt and first cousin of Jacqueline

Kennedy Onassis—, as well as contemporary manifestations of the style, such as the Robert A.M.

Stern-designed Chilmark Residence, in Martha's Vineyard, and Shope Reno Wharton's Black Watch, in Jamestown, Rhode Island.

The House We

Called Home Rizzoli Publications

The blistering, compulsively readable new novel from Herman Koch, author

of the instant New York Times bestseller *The Dinner*. When a medical procedure goes horribly wrong and famous actor Ralph Meier winds up dead, Dr. Marc Schlosser needs to come up with some answers. After all, reputation is everything in this business. Personally, he's not exactly upset that Ralph is gone, but as a high profile doctor to the stars, Marc can't hide from the truth forever. It all started the previous summer. Marc, his wife, and their two beautiful teenage daughters agreed to spend a week at the Meier's extravagant summer home on the Mediterranean. Joined by Ralph and his striking wife Judith, her mother, and film

director Stanley Forbes and his much younger girlfriend, the large group settles in for days of sunshine, wine tasting, and trips to the beach. But when a violent incident disrupts the idyll, darker motivations are revealed, and suddenly no one can be trusted. As the ultimate holiday soon turns into a nightmare, the circumstances surrounding Ralph's later death begin to reveal the disturbing reality behind that summer's tragedy. Featuring the razor-sharp humor and acute psychological insight that made *The Dinner* an international phenomenon, *Summer House with Swimming Pool* is a controversial, thought-provoking novel that showcases Herman Koch at his

finest.

Five weeks, four friends, three novels, two romances, and one cold case mystery, combine to bring you the first in a series of three part reunion stories by USA Today Bestselling author Kathi Daley. Kelly Green and her sister Kayla grew up summering on a small island off the coast of Northern California. After Kayla's death, Kelly returns to the island where she joins three friends from her past, to commemorate both, Kayla's life, and the life of a sixteen year old girl who disappeared from the island twenty five years earlier. Now in their early forties, each of the four remaining friends struggle to find a way

to deal with their loss while also dealing with their own personal crisis. Meanwhile, the new sheriff on the island, also a childhood friend, seems to have stumbled onto an interesting pattern the previous sheriff overlooked: A sixteen year old girl has gone missing from the island every fifth summer since Peggy disappeared. Some were assumed to have run away, while others were reported as missing, but one thing was for certain, none of the girls were ever seen again. As the sheriff, the women, and other friends from the past, work together to piece together the random clues they hope will provide a mirror to the past, disturbing evidence begins to surface

suggesting that the next girl to disappear will disappear this summer. Island Reunion Part 1 - Summerhouse Reunion - April 2020 Part 2 - Topsail Sundays - May 2020 Part 3 - Campfire Secrets - June 2020 *Summer to Summer* HarperCollins UK

Winner of the Man Booker Prize A

luminous novel about love, loss, and the unpredictable power of memory. In this "extraordinary meditation on mortality, grief, death, childhood and memory" (USA Today), John Banville introduces us to Max Morden, a middle-aged Irishman who has gone back to the seaside town where he spent his summer holidays as a child to cope with the recent loss of his wife. It is also a return to the place where he met the Graces, the well-heeled family with whom he experienced the strange suddenness of both love and death for the first time. What Max comes to understand about the past, and about its indelible effects on him, is at the center of this elegiac,

gorgeously written novel — among the finest we have had from this masterful writer.

The Parisian Christmas Bake Off HarperCollins UK

Summer is when Finland is at its spellbinding best. Emerging from a seven-month long winter, Finns head outdoors to savor the magical light of the all-too-brief Scandinavian summer. Cityscapes give way to pristine lakes, endless forests, and idyllic seaside vistas. The Finnish summer house offers a unique opportunity for their owners to relax, get back in touch with nature, and enjoy outdoor activities such as boating, swimming, and hiking. Not surprisingly, the architecture of the

Finnish summer house occupies an almost mythic, even mystical, place in the hearts of their inhabitants as well as their architects. Indeed, many Finnish architects regard the design of their own summer residence or weekend studio as one of their most important works. For them, the summer house is not only a place to spend leisure time, but also a chance to study specific technical details and experiment with new spatial concepts. Finnish Summer Houses presents in detail twenty villas, cottages, and cabins by architects such as Eliel Saarinen, Oiva Kallio, Alvar Aalto, and Juhani Pallasmaa, among many others. Authors Jari and Sirkkaliisa Jetsonen use

contemporary photographs, archival images, drawings, and plans to illustrate the diversity found in the designs of Finnish summer residences. From Lars Sonck's Lassés Villa (1895), with its traditional farmhouse elements, and Alvar Aalto's Muuratsalo Experimental House (195254) to Erkki Kairamo's sparse Villa Aulikki (19952003), which seems to grow out of its landscape, the works in this book are of a highly personal nature; indeed, most of the summer houses are still used by the architect or the families of their children. The very best examples of these fantastic summer homes are collected here, making Finnish Summer Houses an

inspiration for anyone dreaming about a summer home of their own.
[Return to Summerhouse](#)
HarperCollins UK
With her shining gift for “exquisite and enchanting” (Bookpage) storytelling, Jude Deveraux sweeps readers away in a breathtaking follow-up to her beloved New York Times bestseller, *The Summerhouse*—where a marvelous new adventure awaits. Magic most definitely resides in the Maine summerhouse where the mysterious Madame Zoya has granted the innermost wishes of its visitors. Now, three women have come to this special place with one thing in common: a

painful past they would each like to rewrite. Amy, who hides a heartbreaking loss behind her seemingly perfect marriage and family...Faith, a widow in her thirties whose deepest grief is for a man from years ago...and Zoe, an artist shunned by her hometown for reasons she doesn't know, after a traumatic night erased her memory. With their mystical powers, Madame Zoya and her sister Primrose are about to transport the trio to eighteenth-century England to alter Amy's ancestry. But although surprises await each of them, will stepping back in time bring the women the happy endings they seek?

Four Weddings And A White Christmas Thomas Nelson

Summer by the Sea is a beautiful, heart-warming summer read about sisters, first love and not always getting what we want - but sometimes ending up with exactly what we need. They say there's always one summer that changes you. For Faith the one summer she can't forget is when she fell in love as

a teenager – only for her sister, Casey, to steal her man. Now, at the request of her beloved ninety-year-old Grandmother, Faith has agreed to a family holiday – at their childhood beach house, where it all began. Faith hasn't seen her sister in years but is finally ready to forgive and forget, enjoy the sunshine and relive happy memories. What she's not ready for is meeting Jake Buchanan – the owner of the beach house – or the long-forgotten feelings he ignites in her. Can Faith overcome the hurt of the past, rekindle the close bond she had with Casey and make this summer THE ONE to remember? What readers are saying about Jenny Hale... 'Jenny Hale has done it

again-written a great story about second chances at love with characters you really care about.' Kim the Bookworm 'A gorgeous novel with wonderful characters and such a meaningful plot, one which I think everyone can learn from.' Reviewed the Book 'a delightful read with a wonderful setting and cast of characters at its core; definitely recommended to chick lit fans!' Spoonful of Happy Endings 'This book is the epitome of everything I love about reading, about fiction and about romance. It was heart-warming, touching, upsetting, endearing, beautiful and one hundred other adjectives I could reel off... It's an absolute must-read for any romance fan.' Paris Baker's Book Nook 'A

perfect romance read. Full of tension and heart wrenching feelings that have you biting your lower lip in either frustration or sadness. Have a lump in your throat, a tear in your eye or giggling like a schoolgirl.' The
