**Ungifted** Alfred A. Knopf Books for Young Readers

From the New York Times bestselling author of The Unteachables, Gordon Korman, comes a hilarious new high-concept friendship story in the vein of Back to the Future. Perfect for fans of Korman's Restart. Mason and Ty were once the very best of friends, like two nerdy sides of the same coin . . . until seventh grade, when Ava Petrakis came along. Now Mason can trace everything bad in his life to that terrible fight they had over the new girl. The one thing he'd give anything for is a do-over. But that can't happen in real life—can it? As a science kid, Mason knows do-overs are impossible, so he can't believe it when he wakes up from a freak accident and finds himself magically transported back to seventh grade. His parents aren't yet divorced and his beloved sheepdog is still alive. Best of all, he and Ty haven't had their falling-out yet. It makes no logical sense, but Mason is determined to use this second chance to not only save his friendship (and his dog!) but do other things differently—like trying out for the football team and giving new friends a chance. There's just one person he'll be avoiding at all costs: Ava. But despite his best efforts, will he be able to stop the chain of events that made his previous life implode?

**Son of the Mob** Scholastic Paperbacks  
He's absolutely perfect. If only he were real. Lane and Vivi have had it with Isabelle Hunter's boyfriend, Shawn Littig (a.k.a. Sluttig). He is the only person who can turn their smart, confident best

friend into a complete mess. When Shawn Sluttig cheats on and dumps Izzy just months before the prom she's been planning since the ninth grade, Lane and Vivi decide to take action. With a few quick keystrokes, they create a MySpace page for "Brandon," the perfect guy to get Izzy out of her revolving-door relationship with Shawn. Too bad he's totally fake. Vivi's younger brother, Marshall, who they hire to be the "man" behind the profile, is way too into being Izzy's fake boyfriend. So they turn to cute, prep-school Jonathan to be the face of Brandon. But when Vivi falls for Jonathan, and Sluttig tries to wedge his way back into Izzy's prom picture, the whole plan starts to go south faster than you can say "fake boyfriend."

She's also convinced that her beloved dog, Barney, was murdered—something Keenan finds pretty hard to believe. Just about everyone on Centerlight is a suspect, because everyone hated Barney, a huge dog—part mastiff, part rottweiler—notorious for terrorizing the community. Accompanied by a mild-mannered new dog who is practically Barney's opposite, ZeeBee enlists Keenan's help to solve the mystery. As Keenan and ZeeBee start to unravel the clues, they uncover a shocking conspiracy that dates back to Centerlight's gangster past. The good news is that Keenan may have found the best friend he's ever had. The bad news is that the stakes are sky-high. And now someone is after them. . . .
