## MAYO AMIR

**New Statesman** Xlibris Corporation

Forty year old Indie Taylor had long ago given up wondering why she was different. On her wedding day, a little over ten years before, Indie decided to focus her restless energy on creating the image of the perfect wife to her husband, Will, and later, mother to her beloved and eagerly awaited twins. However, things were surfacing that she could no longer ignore. First, was the simple fact that she'd seemed to stop aging. This, coupled with her well-hidden secret from childhood, that she never actually slept, was testing Indie's ability to live the lie. But she was trying. And then he found her. The man who'd searched for her for a lifetime, to tell her of her incredible ancestry, and the serious nature of the job she was born to perform; the protection of Humanity. But Jackson Allen had another mission. He had come to claim what belonged to him; and what he claimed . . . was Indie!

*The Complete Home: an Encyclopædia of Domestic Life and Affairs* Spectra

BARS OF STEEL is the true story of a beautiful, young Filipina who leaves her home in the quiet Philippines countryside to work as a dancer in Hong Kong's red-light district of Wan Chai. Destined to help her parents, three brothers, and three sisters back in the Philippines, Maria de la Torre (now called Mary) arrives in Hong Kong. Her greatest personal assets are youth, idealism, hope, sexual innocence, and naivety are quickly pitted against the forces around her: greedy mamasans, imposing customers, the peer pressure of fellow bar girls, and the omnipresent financial needs of her family.

*Harlequin Desire September 2017 - Box Set 1 of 2* Macmillan Updated, with new research and over 100 revisions Ten years later, they're still talking about the weather! Kate Fox, the social anthropologist who put the quirks and hidden conditions of the English under a microscope, is back with more biting insights about the nature of Englishness. This updated and revised edition of *Watching the English* - which over the last decade has become the unofficial guidebook to the English national character - features new and fresh insights on the unwritten rules and foibles of "squaddies," bikers, horse-riders, and more. Fox revisits a strange and fascinating culture, governed by complex sets of unspoken rules and bizarre codes of behavior. She demystifies the peculiar cultural rules that baffle us: the rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid pantomime rule. Class anxiety tests. The roots of English self-mockery and many more. An international bestseller, *Watching the English* is a biting, affectionate, insightful and often

hilarious look at the English and their society.

**Herald and Presbyter** Tate Publishing

Offering a humorous but practical guide for the gluten-intolerant and wheat-allergic, the author tells how to eat nutritiously at home or out in chapters that include information on the latest research into celiac disease, dozens of new recipes, an updated resource section, and other helpful topics.

*The Homestead* Simon and Schuster

When her mistress departs from Victorian London society to seek relief from tuberculosis symptoms in Egypt, maid Sally throws herself into their new culture and comes to know freedoms she has never experienced before she is harshly reminded of her humble station in life.

**Atkinson's Evening Post and Philadelphia Saturday News**

Cipher-Naught

People like Feeney Simms don't commit suicide. Beautiful, charismatic, mother of two, wife to a handsome, successful husband, beloved by her friends—this is not the typical picture of a tortured soul. But one summer night, Feeney drives to the beach and swallows a handful of pills. No note, no explanation, nothing. Like that, she's gone. Faced with this loss, Ali, Max, and Liddy, Feeney's closest friends, are left reeling, grappling with the devastating cocktail of grief, guilt, and anger that's left in the wake of a suicide. In a desperate attempt to avoid further loss, the three women make the unorthodox (and very Feeney-like) decision to hold their own funerals while they are still alive—and the experience changes each of them in ways they couldn't have imagined.

**Writer's Block** Crown

Combining the best of fantasy traditions with her own unique vision, Sarah Ash brings us a new saga filled with epic adventure and unforgettable characters—set in a world teeming with political intrigue, astonishing magic, and passions both dark and light. . . . "Unusual . . . exotic . . . Well worth the read!"—Katherine Kurtz, author of *Crusade of Fire* Raised by his protective mother in the sunny climes of the south, Gavril Andar knows nothing of his father—or of the ominous legacy that awaits him. But now the man who ruled the wintry kingdom of Azhkendir, a man infused with the burning blood of the dragon-warrior known as Drakhaoul—has been murdered by his enemies. Expected to avenge his father's death—and still his unquiet ghost—Gavril soon learns that becoming Drakhaon means not only ascending to the throne of Azhkendir but slowly changing into a being of

extraordinary power and might. A being that must be replenished with the blood of innocents in order to survive... "Unusually complex [with] a smooth style, breathtaking atmosphere, and a fickle, impetuous plot."—Dave Duncan, author of *Paragon Lost* "A splendid tale . . . Sarah Ash is destined to be one of the bright luminaries of fantasy."—Dennis L. McKiernan, author of the *Mithgar* series

*The Blue Place* National Library Australia

*Ted Watts' Diary* is a captivating coming-of-age love story that spans over 60 years. Set in early 1900s Sydney, orphaned Ted embarks on a tumultuous journey into manhood, then he meets and falls in love with Maddie 'Dimples'. Before settling down he decides to follow his destiny and fight in the Great War. Underage, he enlists, leaving behind a devoted Maddie who vows to wait for him indefinitely. He promises to return as a hero, with his life story detailed in the diary Maddie gifts him the day before he departs. Years later, the promised diary resurfaces in Bremen, Germany, discovered by Gertie. As she delves into its pages, Ted's quest for heroism and his unwavering promise to recount his life story unfold. Through Gertie's eyes, we follow Ted's exploits and adventures from his early years and beyond, encountering larrikins, mateship, humour, heroes, villains, retribution, tears, laughter, thieves, spies, war, and tender love. But how did the diary end up in Germany in 1960 and can Gertie return it to its rightful owner, Maddie Dimples? *Ted Watts' Diary* takes readers on a riveting journey through time, delving into the triumphs and tribulations of the human spirit. It's a poignant reflection on love, sacrifice, and the indomitable will to fulfill one's destiny.

**There Are No Rules for This** Maven Publishing

Presley Parker's event-planning business is the toast of San Francisco. But when she ventures into Napa Valley to oversee her first wine tasting, an unexpected death could leave a stain on her reputation.... For Presley Parker, a wine-tasting event at the boutique winery the Purple Grape is a job worth savoring. But she quickly discovers that, even in idyllic Napa Valley, local politics can have a bitter finish. JoAnne Douglas, president of the Green Grape Association environmental group, believes the wineries are damaging the local environment, and she's determined to sabotage the event. But Presley manages to pull the party off without a hitch. Until JoAnne's lifeless body is discovered under one of the tables.... JoAnne had plenty of enemies in the area, but all evidence points to Purple Grape owners Rob and Marie Christopher as the murderers. Now it's up to Presley to clear their names before someone else gets corked. Includes wine-tasting party tips!

**Dancing for Your Life** Harlequin

The field of personal life is a relatively new area of sociological

study that seeks to understand the complexities of contemporary personal and social relationships. This includes exploration of the impact of social, economic, legal, and political change on personal experiences, opportunities, and life-styles. This ground breaking edited collection presents research on personal and public lives in a period of rapid social and political change. Relatively little is known about how personal and public aspects of life inter-relate and even less about how the outcomes of this relationship shape different areas of life. This book aims to capture and understand the effects of these overlapping spheres on the everyday lives of people in different geographical, cultural, and spatial settings. It brings together research in four key areas; migration and displacement, gender, sexuality, and health, with two main overarching themes. The first theme is how individuals cope with social, political, geographical, and cultural change in these diverse settings. The second relates to how these changes produce diverse inequalities that impact on relationships, roles, and responsibilities. The book thus seeks to increase the visibility of particular aspects of life that have often been neglected in social science research and subsequently open them up to further research and debate.

**Now is Not the Time for Flowers** Da Capo Lifelong Books  
Popular fiction author Sally John's first series *The Other Way Home* (more than 65,000 copies sold) comes to life with a fresh, new cover for a new audience of readers. In *Just to See You Smile*, the third book in series, teacher and coach Britte Olafsson finds herself drawn to the new principal who's an ex-Marine. His discipline toward life and in teaching matches her own, and when coaching dilemmas erupt, he strongly moves to support her. Despite past hurts and disappointments, Britte tentatively begins to open her heart to him. Coach Anne Sutton and Alec, her husband of 17 years, lose sight of their love. Alec tries to find a way to win back the love and faith of Anne. *Just to See You Smile* is a tender story about faithfulness, hope, the unconditional love of Jesus, and the true meaning and beauty of *semper fidelis* (always faithful).

**Personal and Public Lives and Relationships in a Changing Social World** Routledge

*A Paper Wedding* She Writes Press

Raymond Stoner was once a well-loved, highly respected associate pastor of a large church. Now, he goes by Jeremiah Christie and is a drifter with a past shrouded in secrets. Stopping in the small town of Silverlake, the ex-pastor finds injustices in need of righting. Struggling against his kind nature and the deep wounds of his past, Jeremiah makes friends with town pariahs despite himself. His good deeds interfere with the powerful Bradshaw family, who has run the town for over a hundred years. Now the Bradshaws have Jeremiah where they want him, in

prison, accused of murders they know he didn't commit, but certain he will be convicted and out of their way for good. Jeremiah must face the secrets of his past in order to withstand a Question of Reputation.

*Engagement and Espionage* Bold Strokes Books Inc

The novel *My 3rd Eye* follows the life of the main character, Patrick O'Shea. Born and raised by his parents, Pat and Kate, in a town near Boston as his folks believed in instilling strong Catholic values in him and his three siblings, the elder sisters Kelly and Maureen and younger brother Timmy. This story continues as told through Patrick's eyes, his memories while growing up, the boyhood adventures with his friends by the fort and Petes Pond to his grammar and high school days and the characters he encounters. Rather than going directly from high school to college his life had other plans in the form of serving for America in the Korean War. Again fate through a detour in the form of an eye injury suffered. That wasn't so good in the short term but it allowed him to form a relationship with his nurse, Erin. He from Massachusetts and Erin Toles from neighboring Maine and once the pair return to the states, after a period of separation the two reunited in a special way. Now married, the couple raised 3 children, twin sons Patrick and Michael and the youngest, daughter Erica. To earn a family income Erin resumed her nursing career by Mercy Hospital and Pat pursued his love of writing at the local paper Massachusetts Courier Express which was a perfect fit. The following years he wrote articles and columns about the events occurring in the real world and those were intertwined with stories, happenings in his personal life. Like all people he experienced both highs and lows. The accomplishments he and his family enjoyed, the births, and the deaths of those important to him and the discoveries. He always suspected his neighbor was odd and strange, but never imagined living next to a murderer and finding a grandson he never even knew existed.

*Weekly World News* Harlequin

MKR, Australia's most watched cooking show, has helped ignite the passions of millions of home cooks. Describes the necessities and fundamentals of housekeeping and cookery, as well as how to rear healthy, well-mannered children, while encouraging women to take the time to read and learn. This book was originally sold door to door by subscription.

*The Ladies' Repository* Nicholas Brealey

Divine is used to getting what she wants.... Thanks to her loving Aunt Phoebe and Uncle Reed, Divine Matthews-Hardison has a place to call home after the Hollywood life she was accustomed to fell apart at the seams. Getting away from the spotlight that nearly destroyed her own parents, Divine has changed for the better -- though there's still enough diva in Divine to keep life in Temple, Georgia, very lively, from mall shopping with her cousin Alyssa and her fashion-challenged aunt, to worshipping at her uncle's church, to dating. But what if it's too much too soon? Divine has boys on the brain and she's itching for a social life -- at least as much as is allowed under Uncle Reed's watchful eyes. She knows she's too young for the kind of secretive drama her cousin Chance is going through with his girlfriend, but still.... Turning to the internet, Divine gets a major crush on sixteen-year-old Sean, who sounds and looks like the perfect guy. But she is about to learn a difficult -- and potentially dangerous -- lesson: Things are not always what they appear to be....

*The Gluten-Free Bible* Simon and Schuster

'Stacey Heale ... has such a muscular take on grief, and her ideas around how we live with profound loss are truly original.' Clover Stroud When Stacey Heale's husband, Greg, was diagnosed with incurable cancer on their daughter's first birthday, everything changed. She quickly realised how little is spoken about what the harder times in our lives really look like, leaving us lost to navigate the unknown alone. Confronted with a new life she was not prepared for, Stacey began to untangle the brutal realities of life and death - and the fundamental differences between our expectations and reality. *Now is Not the Time for Flowers* is Stacey's unflinchingly beautiful and raw memoir that addresses the big conversations that imminent death dictates, boldly taking the reader on a journey through the full spectrum of our lives and their complexities. Told through vignettes of her own life and the death of her husband, Stacey offers a movingly honest, insightful and humorous account of modern womanhood through the lenses of love, desire, motherhood, death, grief, identity, personal growth and the challenges and questions that our lives force upon us. *Now is Not the Time for Flowers* is a powerful call to arms for us to discuss the messy and unexpected truths of our nuanced lives. 'To tell the explicit truths of lives is critical; to refrain from doing so keeps us lonely and isolated. Women are shamed for their emotional natures and their desire to talk so much, so we've shut down these avenues between us. ... To be honest is to show care, for ourselves and others. There is integrity in truth; it is freeing even when it's painful and hard. Sometimes it can land like a blow to the head, but its ripples are in no way as far-reaching as secrets.'
