A delicious, comprehensive playbook that pairs 75 wine

styles—including where and who to buy them from—with 75 recipes that complement them perfectly “If you want to know what good taste in the modern food and wine scene looks like, this is your manual.”—Jordan Mackay, co-author of *The Sommelier’s Atlas of Taste* *Wine Food* is a wine course in a cookbook for everyone who wants to learn about wine simply by drinking it. Here, natural wine bar and winery owner Dana Frank and wine-loving recipe writer Andrea Stonecker distill the basics—how to buy, how to store, how to taste—and deliver more than seventy-five instant-hit recipes inspired by delectable, affordable wines that go with them beautifully. Each recipe opens with a succinct summary of the wine style that inspired it, followed by a brief explanation of how it complements the flavors and textures in the recipe. There are also recommendations for three to eight producers of each wine style. Frank and Stonecker also include a wine flavors cheat sheet, a label lexicon lesson, a short course on wine tasting like a pro, and illustrated features on matching wine with types of favorite foods (typical take-out, beloved pasta dishes, and popular sweets). Whether you like thinking about which bottle to pour at brunch, with picnic fare, for midweek dinners, at weekend feasts, or for all of those times, *Wine Food* makes learning about wine flavorful, fun, and easy.

**How to Drink** Lorena Jones Books

In the past few decades, many of us have become sophisticated about food, but we have not given the same attention to what we drink. In *How to Drink*, Victoria Moore aims to redress the balance, by showing how to drink well throughout the seasons and at all times of day. She explains how to make the most delicious coffee and juices; how to choose wine that complements

your food; and how to make cocktails for every occasion--whether to serve a garden barbecue, as a cold weather aperitif, or just to unwind with at the end of the day. Here are recipes for mint juleps in the spring, sloe gin in the autumn, hot buttered rum in the winter, and year-round showstoppers including the world's best gin and tonic. Moore is also an impassioned advocate of unfairly maligned drinks such as sherry, Campari and saki, and gives fascinating historical background on different spirits as well as invaluable advice on creating your home bar. *How to Drink* is a hugely readable, browseable and authoritative handbook, whose aim is to inform, entertain and crucially, make sure you can find the right drink at the right time. "It doesn't need to be either difficult or expensive to drink as well as you eat, it just requires a little care..." "A splendid book. Victoria Moore is quite right--it's not how much you drink but how you drink." --Fergus Henderson, chef and co-owner, St. Johns Restaurant "I loved *How to Drink*. For the first time in years I have broken open a bottle of vodka for a Bloody Mary, remembered how much better mulled cider is than mulled wine, drawn a fresh kettle for tea..." --Joanna Weinberg, author of *How to Feed Your Friends with Relish* "Anyone who loves their food should heed this unmatched tutorial in the art of enjoying drink; Victoria Moore succinctly puts every sip in lively context, banishing the guilt from the pleasure of it all." --Rose Prince, author of *The New English Kitchen Wine Dictionary* Orion

Debbie Trenholm, Accredited Sommelier & International Society of Wine Educators member Wine's presence at our table is more than 8,000 years old and our conversation and use of words reflects this long familiarity. *History of Wine Words* is a collection of nearly 400 of the words you use when you enjoy wine, shop for wine or discuss wine with your friends; along with the origins and stories behind the words. The names of wines, grapes and vineyards are explored and bring to life fascinating vignettes from the development of our ancient wine traditions as well as illuminating our habits of speech.

From wine writer and tv presenter Hannah Crosbie, Corker will become the go-to guide that matches wine with life's important (and unimportant) events. So much of what we drink and how we drink it is rooted in occasion. What bottle do you buy the first time you meet the in-laws? What do you order on a date that's going well? If it's not going well? What should you drink on a plane? Pairing sage advice with Hannah's signature tongue-in-cheek humour, this is a deeply unserious wine book that celebrates the joy of everyday drinking. Corker is a guide for wine novices staring nonplussed at supermarket shelf, as well as wine

lovers who might already know their Chablis from their Chenin, but still need some inspiration when picking the best bottle for their budget and the occasion.
