With a werewolf and a vampire for company, Lacey Swift makes her way across a vast wasteland in search of the prisoner who has the key to the box, which contains a shard of

broken mirror - a sliver of mirror that will restore peace to the world she now finds herself in. As they pass through the Mirror Realm, Lacey and her friends stumble across a dying man. He tells them that if they want to reach the box, they will have to cross a desolate land known as the Emptiness - a place where the dead roam and from where no one has ever returned. Unbeknown to Lacey, her identical twin

sister, Thea Swift, has been snatched into the Mirror Realm and is being led to her death. With time running out, Lacey and her friends go in search of an ancient and mythical steam train, named the Scorpion Steam, which they believe will carry them safely across the Emptiness and to the broken piece of mirror they are searching for. As Lacey makes her journey, her enemies are one step

ahead of her and growing ever closer to murdering her twin sister and destroying the world she has promised to save. In this sequel to the New York Times bestseller *99 Days*, perfect for fans of Jenny Han and

Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . . Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went

down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a romantic European vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel

vacation with new girlfriend Sadie. After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart

she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will everything that happened between her and Gabe come rushing back?

Charley Shepard witnesses terrifying murders. The only problem is, Charley sees these disturbing events as snapshot images inside her head. Are they real crimes that she is witness to, or are they nothing more than nightmares and fantasies? But the visions are growing ever more intense and when the dead body of a young woman is discovered, Charley realises the

visions she sees are not nightmares but very real. How can she be so sure? Because Charley has not only witnessed the murder of the young woman but is now receiving haunting text messages from her. But if Charley can't convince, Tom, the police officer she is dating, that she has witnessed the murder of a young woman in a series of blinding visions inside her head, how will she ever

hunt down the killer and stand a chance of saving the dead?  A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the power of our own stories. The smallest items can hold

centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in

silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

Black Hill Farm (Book One): A Psychological Thriller with a Twist

Tim O'Rourke Lacey Swift ventures into the wasteland known as the Emptiness, with a vampire, shifter, and battle-weary knight as friends, but soon she begins to suspect that one of them is a traitor...but who? With the vampire, Marco Lamia, suddenly missing, suspicion soon falls on him. Lacey knows that she must put her trust in her friends if she is to save her identical twin sister, Thea.

But there is a stranger in the Emptiness who has a device. It contains a power that could destroy not only the Mirror Realm but all of the worlds that it reflects.

without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely

unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable

novel--with its rich characters, high stakes, and plot twists--will leave readers breathless. **Dead End** Tim O'Rourke When twenty-year-old police recruit Kiera Hudson is posted to the remote town of The Ragged Cove, her life is changed forever. Investigating a series of horrific murders, grave desecrations and missing persons, with her unique ability of 'seeing', Kiera soon realises her life is in

danger. But when Kiera is crewed with Police officer Luke Bishop, not only is her mind and heart opened to a terrifying new world, she comes to suspect that Luke might be involved in the killings. In a race against time to unearth the truth, Kiera must discover the identity of who or what is behind the gruesome deaths on the 'Vampire Shift'. Book one in the Kiera Hudson Trilogy.

In this heart-wrenching tale of love and loss, a young Marine and his best friend's sister plunge into a forbidden love affair while he's home on leave. When a Marine Chaplain knocks on her door, Jessa's heart breaks—some one she loves is dead. Killed in action, but is it Riley or Kit? Her brother or her boyfriend... Three months earlier, Marine Kit Ryan finds himself back home on leave and

dangerously drawn to his best friend Riley's sister, Jessa—the one girl he can't have. Exhausted from fighting his feelings, Kit finally gives in, and Jessa isn't strong enough to resist diving headfirst into a passionate relationship. But what was just supposed to be a summer romance develops into something far greater than either of them expected. Jessa's finally found the man of her dreams and Kit's
