Tiger Ellora's Cave
Kidnapped from Earth and transported to planet Zorn to be sold as a sex slave, Shanna is ready to fight anyone who tries to touch her. She's not going to take any crap off some alien men no matter how big, terrifying or muscular

they are. Freed by Hyvin Berrr, a huge, sexy Zorn warrior, Shanna demands he take her under his protection when she realizes she's stuck on Zorn. She's not sure if she wants to fight her feelings for the sexy alien, though if a woman has to lose a battle, this just might be the one time to concede. T Is for Tiger Ellora's Cave Zenn Scarlett is a bright, determined, occasionally

a-little-too-smart-for-her-own-good 17-year-old girl training hard to become an exoveterinarian. That means she's specializing in the treatment of exotic alien life forms, mostly large and generally dangerous. Her novice year of training at the Ciscan Cloister Exovet Clinic on Mars will find her working with alien patients from whalehounds the size of a

hay barn to a baby Kiran Sunkiller, a colossal floating creature that will grow up to carry a whole sky-city on its back. But after a series of inexplicable animal escapes from the school and other near-disasters, the Cloister is in real danger of being shut down by a group of alien-hating officials. If that happens, Zenn knows only too well the grim fate awaiting the creatures she loves. Now, she must unravel the baffling events plaguing her school, before someone is

hurt or killed, before everything she cares about is ripped away from her and her family forever. To solve this mystery – and live to tell about it – Zenn will have to put her new exovet skills to work in ways she never imagined, and in the process learn just how powerful compassion and empathy can be. Tiger King Ellora's Cave Book 9 in the New Species series. While each New Species book is a standalone, the greatest enjoyment will come from reading them in series order. Beauty resents being labeled Gift Species. Everyone is way too overprotective, males aren't even allowed to

speak to her and so far true freedom eludes her.

Then a big, sexy Species officer mistakes her for the enemy and takes her to the ground. Shadow is dumbfounded. He has a Gift pinned under him-a big no-no. But Beauty is fascinated and wants to know Shadow a lot better. She is full of newly discovered, unrequited passion and he's just what

she needs to satisfy her curiosity. For Shadow, sex means pain and revulsion. For Beauty, it was enslavement and ridicule. Two lonely souls who have never known a lover's touch, together in a cabin in the woods. Each touch, every discovery brings them closer to a life they never thought possible...beyond even their dreams.
