REED SONNY

The Legends Of Khasak Penguin Random House India Private Limited

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

The Story of Draupadi Greenwood Publishing Group

A restlessness born of guilt and despair leads Ravi to embark on a journey that ends in the remote village of Khasak in the picturesque Palghat countryside in Kerala. A land from the past, potent with dreams and legends, enfolds the traveller in a powerful and unsettling embrace. Ravi is bewitched and entranced as everything around him—the villagers; their children whom he teaches in a makeshift school; the elders who see him as a threat; the toddy-tappers; the shamans—takes on the quality of myth. And then reality, painful and threatening, begins to intrude on the sojourner's resting place and Ravi begins to understand that there is no escape from the relentless dictates of karma... Often poetic and dark, always complex and rich, *The Legends of Khasak*, O.V. Vijayan's much-acclaimed first novel, translated into English by the author, is an extraordinary

achievement

Tales of Athiranippadam D C Books

This carefully selected collection of Vaikom Muhammad Basheer's short stories are characterised by a variety in theme and tone. He has enshrined in them every kind of experience from the pangs of hunger and sex to the rapture of mystic vision. Its range includes stark realistic pictures of the material world as well as the realm of fantasy haunted by ghosts and spirits. Basheer has written on love and hate, on politicians and pickpockets, on the fancies of childhood and on the disillusionments of adult life with an intense sense of the tragedy of life and at the same time an irrepressible sense of humour.

Malayalam Literary Survey Orient Blackswan

WINNER OF THE JCB PRIZE FOR LITERATURE 2020. 'A novel of epic dimensions ... easily among the most accomplished fictional works in Malayalam.' K. SATCHIDANANDAN Vavachan is a Pulayan who gets the opportunity to play a policeman with an immense moustache in a musical drama. The character appears in only two scenes and has no dialogue. However, Vavachan's performance, and his moustache, terrify the mostly upper-caste audience, reviving in them memories of characters of Dalit power, such as Ravanan. Afterwards, Vavachan, whose people were traditionally banned from growing facial hair, refuses to shave off his moustache. Endless tales invent and reinvent the legend of his magic moustache in which birds roost, which allows its owner to appear simultaneously in different places and disappear in an instant, which grows as high as the sky and as thick as rainclouds -- and turn Vavachan into Moustache, a figure of mythic proportions. Set in Kuttanad, a below-sea-level farming region on

the south-west coast of Kerala, the novel is as much a story of this land as it is of Vavachan and its other inhabitants. As they navigate the intricate waterscape, stories unfold in which ecology, power dynamics and politics become key themes. Originally published in Malayalam as Meesha, S. Hareesh's Moustache is a contemporary classic mixing magic, myth and metaphor into a tale of far-reaching resonance.

Najeeb's dearest wish is to work in the Gulf and earn enough money to send back home. He achieves his dream only to be propelled by a series of incidents, grim and absurd, into a slave-like existence herding goats in the middle of the Saudi desert. Memories of the lush, verdant landscape of his village and of his loving family haunt Najeeb whose only solace is the companionship of goats. In the end, the lonely young man contrives a hazardous scheme to escape his desert prison. *Goat Days* was published to acclaim in Malayalam and became a bestseller. One of the brilliant new talents of Malayalam literature, Benyamin's wry and tender telling transforms this strange and bitter comedy of Najeeb's life in the desert into a universal tale of loneliness and alienation.

Increasingly possessed by a yearning to escape the ennui of an indifferent marriage and the empty but comfortable lifestyle of a bureaucrat, Raghu decides to visit the small patch of ancestral property in his native village. The novel moves between the two worlds the past and the present with pungent, earthy humour and sharp insights.

Perhaps the only novel to have been reprinted nearly every year for over a hundred years, Indulekha (1889) is widely held to be the first Malayalam novel. Often called an 'accidental' and 'flawed' work, at its core lies a love story. The setting of the novel is the Nair community of Kerala, which had for centuries practised polyandrous matriliney, a most unusual form of inheritance through the woman whom both property and authority flavoured. It gives us glimpses of prevalent social practices much debated amongst a people already under colonial pressure to change their ways of life. Written by a Nair, Indulekha is not a grandiose outpouring but the author's effort to achieve certain social goals: firstly, to create a novel much like those of the English authors he had read, and secondly, to illustrate Nair society at that time, both of which met with success. The novel influenced the deliberations of the Malabar Marriage Commission which it predated, and of which Chandum enon was a member. This novel will appeal to general readers interested in Indian writings in translation. Students of literature, history and culture, political and legal theory, and gender studies, will also find it useful.

The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's Agnisakshi is a telling account of a woman's life glowing as though purified in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out their unforgettable roles: Tethi, the dazzling but disappointed

bride who renounces worldly life; Unni Namboodiri, whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodiri's daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence.

About the Book: Arts and humanities are imagined as inseparable and integrated activities. Both challenge and enlarge our basic human capacities for interpretation and evaluation. In the arena of literary studies, there is a growing academic interest for the study of Arts and Humanities across the world. What may rightfully be expected of art is to depend on the nature of the entity itself. Understanding possible applications of art helps to determine its identity. The recent pursuit for mapping the mosaics including that of literary and culture studies makes it interesting to interrogate transnational cultures formation of canons and deconstruction of stereotypes. Writing has always been powerful space of discourse to address the varied areas. *Pandavapuram* Penguin UK
