Peace for Each Day Thomas Nelson Inc

Please note: This is a companion version & not the original book.  
Sample Book Insights: #1 The Trinity is a difficult subject to understand, and it is even more difficult to explain. We accept the fact that the Holy Spirit is God, but when it comes to explaining Him, we are at a loss. #2 The Bible teaches that the Holy Spirit is a person. He has intellect, emotions, and will. He speaks, intercedes, testifies, leads, and guides. He can be lied to, insulted, blasphemed, and grieved. #3 The Holy Spirit is God Himself. He is eternal, all-powerful, present everywhere at the same time, and omniscient. He is the Creator, and He is always

mentioned last in the Bible because He is superior to all other Holy Spirits. #4 The Bible teaches that the Holy Spirit is a living being. He is one of the three Persons of the Holy Trinity. The Bible also teaches that God subsists in three Persons: the Father, the Son, and the Holy Spirit.

*Peace with God* Thomas Nelson

What is the most hopeful word in History? For Billy Graham, that word is SALVATION. Salvation from what? From our selfish and self-destructive selves. From the messes we get ourselves into. From the sin that has haunted humanity from the beginning of time and the evil that pulls us down every day. From the cultural deceits that blind us to God's saving message. From the Hell so many don't believe in. If we don't think we need salvation, we're fooling ourselves. If we think we are beyond salvation, we're underestimating God. If we just don't want to think about

salvation, we're putting ourselves in eternal peril. At the age of ninety-five Billy Graham proclaims God's Gospel with resolve and deep compassion. It is a message he has been preaching for more than seventy years. And in this book you will sense its urgency, filled with hope for the future. "Believe on the Lord Jesus Christ, and you will be saved" (Acts 16:31) From America's evangelistic elder statesman: Salvation is what we all long for, when we are lost or in danger or have made a mess of our lives. And salvation belongs to us, when we reach out for the only One who can rescue us, Jesus. The saving message of the Gospel is the heartbeat of this preacher and evangelist. Millions around the world have heard Billy Graham proclaim this unchanging truth. He has never forgotten the transformation of his own life, when he first said yes to God's gift of salvation, and he has witnessed multitudes turn their hearts to the God of Hope. The Reason for My Hope: Salvation presents the essence of that transformative message. It is biblical and timeless, and though simple and direct, it is far from easy. There are hard words, prophetic words, directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell. But through its ominous warnings shines a light that cannot be extinguished, a beacon of hope that Jesus came to seek and to save that which was lost. (Luke 19:10).

Igniting the Fire Thomas Nelson

more, addressing such complex modern day issues as euthanasia, suicide, and living wills. Dr. Graham objectively and compassionately: Shares biblical secrets to finding peace and victory in the midst of suffering Presents real life testimonies of courageous men and women facing death Answers questions about the process of dying Teaches practical, loving ways to comfort those facing death Gives practical advice on preparing a will and planning a funeral Find peace, assurance, triumph, and even humor in a subject which is important to everyone.

For over sixty years, Billy Graham has traveled the world preaching the Gospel face-to-face to more than one hundred million people. Across the globe in Europe, Asia, North and South America, Australia, and Africa, his crusades have broken stadium attendance records. And with the advent of radio, television, and satellite broadcasts, Graham has reached more than two billion people in his lifetime. *Billy Graham: God's Ambassador* includes hundreds of photos from the archives of Graham's photographer, Russ Busby, along with quotes, comments, and personal reflections from the past half century, most of them in the words of Graham himself and those who have been the closest to him. Unlike any other book ever published on his life and ministry, this insightful edition captures Graham the advocate, preaching for human rights and world peace; Graham the counselor, with presidents and world leaders; Graham the inspirer, a positive influence in times of conflict and discord; and Graham the husband and father, at home with his family. USA TODAY, PUBLISHERS WEEKLY AND ECPA BESTSELLER • The internationally recognized Bible teacher and daughter of Billy Graham combines unique biblical insights and her own personal stories to show how the Holy Spirit guides us in our decisions, comforts us in pain, and stays by our side at all times, enriching our daily lives. In *Jesus in Me*, Anne Graham Lotz draws on her rich biblical knowledge as well as her personal journey—including her recent cancer diagnosis—to help us understand that the Holy Spirit is not a magic genie, a flame of fire, or a vague feeling. He is a Person who prays for us, guides us in our relationships and decisions, comforts us in pain, and stays by our side at all times. In this seminal teaching, she explores seven key aspects of the Holy Spirit that will revolutionize how you understand and relate to this vital third Person in the Trinity. As Anne writes, “One of my deepest, richest joys has been discovering by experience who the Holy Spirit is in every step of my life’s journey. Each name that He has been given—Helper, Comforter, Advocate, Intercessor, Counselor, Strengtheners, and Standby—reveals another aspect of His beautiful character and has provoked in me a deep love for the One who is my constant Companion . . . Jesus in me.” Discover how to better love and rely on the person of the Holy Spirit—and embrace how much He loves you through His presence, power, and provision in our daily lives. Praise for Jesus

in Me “With plentiful biblical references, Lotz encourages those who already rely on Jesus to step into a purpose-filled life led by the Holy’s Spirit’s guidance. Christians who desire to live a life of greater purpose to glorify God will be awed by Lotz’s impassioned exploration of the role of the Holy Spirit in her life.”—Publishers Weekly

**Nearing Home** Thomas Nelson

Happiness. It's what we all long for, what all human beings seek in our jobs, our relationships, our activities. We try so hard to be happy, and all too often we end up empty and unsatisfied. Why? Because, says Billy Graham in this classic work, we are looking for happiness in all the wrong places. We haven't learned the

secret Jesus taught in the Beatitudes – that true, lasting happiness simply isn't to be found by seeking it directly. Happiness is a by-product, a bonus that comes when we seek what is really important. And the things that will bring us the satisfaction we long for are not necessarily what the world considers meaningful. Jesus did not have to have an outward stimulus to make Him happy, Billy Graham points out. "He had learned a secret that allowed Him to live above the circumstances of life and fear of the future. He moved with calmness, certainty, and serenity through the most trying circumstances – even death! What was His secret? He gave it to us in the Beautitudes." Presented with Billy Graham's characteristic vigor and simplicity in this landmark book, it is a secret that can transform your life.

The well-known evangelist explains the characteristics of angels as well as their purposes and significance in the contemporary world

*The Holy Spirit* Thomas Nelson

Yes, angels are real. They are not the product of your imagination. “If we had open spiritual eyes we would see not only a world filled with evil spirits and powers—but also powerful angels with drawn swords, set for our defense.” —Billy Graham Dr. Graham lifts the veil between the visible and the invisible

world to give us an eye-opening account of these behind-the-scenes agents. This best-selling classic records the experiences of Dr. Graham and others who are convinced that at moments of special need they have been attended by angels. With keen insight and conviction, Dr. Graham affirms that: God's invisible hosts are better organized than any of the armies of man—or Satan. Angels "think, feel, will, and display emotions." Angels guide, comfort, and provide for people in the midst of suffering and persecution. At death, the faithful will be ushered by angels into the presence of God.
