A girl, a potato, and a very sad flamingo star in this charming sequel to I'm Bored by New York Times bestselling author and comedian Michael Ian Black and celebrated illustrator Debbie Ridpath Ohi. Everyone feels sad sometimes—even flamingos. Sigh. When Flamingo announces he's feeling down, the little girl and Potato try to cheer him up, but nothing seems to work. Not even dirt! (Which usually works for Potato.) Flamingo learns that he will not always feel this way. And his friends learn that sometimes being a friend means you don't have to cheer someone up. You just have to stick by your pal no matter how they feel. Even if they're a potato.

The Young Girl's Handbook of Good Manners MacLehose Press
My Place begins with Sally Morgan tracing the experiences of her own life, growing up in suburban Perth in the fifties and sixties. Through the memories and images of her childhood and adolescence, vague hints and echoes begin to emerge, hidden knowledge is uncovered, and a fascinating story unfolds - a mystery of identity, complete with clues and suggested solutions. Sally Morgan's My Place is a deeply moving account of a search for truth, into which a whole family is gradually drawn; finally freeing the tongues of the author's mother and grandmother, allowing them to tell their own stories.

The Style Strategy Scholastic Canada

A subtle portrait of friendship and a dialogue between two

cultures, by the winner of the 2010 Independent Foreign Fiction Prize.

In The Shadow Of The Banyan MacLehose Press

A good story can change. In The Girl in Red, acclaimed illustrator Roberto Innocenti offers a modern take on the centuries-old tale of an ailing grandmother, a wicked wolf, and a young girl in a red coat. Innocenti's brilliantly detailed illustrations present a city as a wilderness, while text by Aaron Frisch narrates the journey of a girl named Sophia through the twists and turns of a stormy day.

Monsieur Linh est un vieil homme. Il a quitté son village dévasté par la guerre, n’emportant avec lui qu’une petite valise contenant quelques vêtements usagés, une photo jaunie, une poignée de terre de son pays. Dans ses bras, repose un nouveau-né. Les parents de l’enfant sont morts et Monsieur Linh a décidé de partir avec Sang diû, sa petite fille. Après un long voyage en bateau, ils débarquent dans une ville froide et grise, avec des centaines de réfugiés. Monsieur Linh a tout perdu. Il partage désormais un dortoir avec d’autres exilés qui se moquent de sa maladresse. Dans cette ville inconnue où les gens s’ignorent, il va pourtant se faire un ami, Monsieur Bark, un gros homme solitaire. Ils ne parlent pas la même langue, mais ils comprennent la musique des mots et la pudeur des gestes. Monsieur Linh est un cœur simple, brisé par les guerres et les deuils, qui ne vit plus que pour sa petite fille. Philippe Claudel accompagne ses personnages avec respect et délicatesse. Il célèbre les thèmes universels de l’amitié et de la compassion. Ce roman possède la grâce et la limpidité des grands classiques.

The Investigator is despatched to a provincial town to find out the truth behind a disturbing spate of suicides amongst employees of The Firm. But from the moment he steps off the train, he finds

himself in a world that is alien, unrecognisable, and diabolically complex. From the hostile weather and the fickle hospitality at Hotel Hope to the town’s bewildering inhabitants, everything seems to be against him to the point where he wonders whether he is trapped in a recurring nightmare, or has passed into the realm of death itself. Cold, hungry and humiliated, and always one step behind, he nevertheless remains determined to find the only man he can hold to account - The Firm’s legendary but elusive founder. The Investigation is an enthralling fable in which our own world is turned on its head, and where the only answers are more questions. Philippe Claudel - author of *Brodeck’s Report* and *Monsieur Linh and His Child* - is one of Europe’s most daring and versatile novelists.

Simon Serrailier is back in the fifth installment of this extremely popular series. Simon Serrailier has just wrapped up a particularly exhausting and difficult case for SIFT — Special Incident Flying Task force and is on a sabbatical couple of months on a far-flung Scottish island, Tallansay, walking, drawing, relaxing, and having a pleasant no-ties fling with the hotel barmaid, Kirsty. He is called back just before his leave is due to end by Paula Devenish the Chief Constable, when two local prostitutes go missing and are subsequently found strangled. By the time he gets back, another girl has disappeared. So, a vendetta against prostitutes by someone with a warped mind? A series of killings by an angry punter? But then the wife of the new Dean of St Michael’s Cathedral goes missing, followed by another respectable young

married woman, on her way to the early shift at the print works. Is this all the work of one serial killer? The murders all take place in and around the canal area, near the footbridge.

A bestselling author in his time, Pierre Louÿs (1870-1925) was a friend of, and influence on, André Gide, Paul Valéry, Oscar Wilde and Stéphane Mallarmé among others. He achieved instant notoriety with *Aphrodite* and *The Songs of Bilitis*, but it was only after his death that Louÿs' true legacy was to be discovered: nearly 900 pounds of erotic manuscripts were found in his home, all of them immediately scattered among collectors and many subsequently lost. Since then, it has become clear that Louÿs is the greatest French writer of erotica there ever was. *The Young Girl's Handbook of Good Manners* was the first of his erotic manuscripts to see publication, and it also remains his most outrageous--an erotic classic in which humor takes precedence over arousal. By means of shockingly filthy advice--ostensibly offered "for use in educational establishments"--couched in a hilariously parodic admonitory tone, Louÿs turns late-nineteenth-century manners roundly on their head, with ass prominently skyward. Whether offering rules for etiquette in church, school or home, or outlining a girl's duties toward family, neighbor or God, Louÿs manages to mock every institution and leave no taboo unsullied. *The Young Girl's Handbook of Good Manners* has only grown more scandalous and subversive since its first appearance in 1926.

When Emma O'Reilly joined the US Postal cycling team in 1996,

she could have had no idea how she would become a central figure in the biggest doping scandal in sporting history. Yet when Lance Armstrong, starting his comeback from cancer, signed for US Postal, it was Emma, the only woman on the team, who became his personal soigneur. This is the definitive inside story of that time, and of the enormous repercussions that resonate to this day for Emma, Lance and the whole sport. Emma had the strength to break cycling's omerta by speaking out against the culture of doping. She thought she would be one of many whistleblowers, doing what she believed was right. Isolated and shunned by the sport she loved, however, her reputation was systematically destroyed. And yet she had the courage to bounce back, and remarkably, to forgive those who made her existence a living hell. This is the ultimate memoir of truth and its many consequences.

La Fille de Madame Angot Simon and Schuster

Traumatized by memories of his war-ravaged country, his son and daughter-in-law dead, Monsieur Linh travels to a foreign land to bring the child in his arms to safety. To begin with, he is too afraid to leave the refugee centre, but the first time he braves the freezing cold to walk the streets of this strange, fast-moving town, he encounters Monsieur Bark, a widower whose dignified sorrow mirrors his own. Though they have no shared language, an instinctive friendship is forged; but Monsieur Linh's stay in the dormitory is only temporary. Sooner or later he and his child must find a permanent home. Delicate and restrained, but with an extraordinary twist, Monsieur Linh and His Child is an immensely

moving novel of perfect simplicity, by the author of Brodeck's Report.
