From #1 New York Times bestselling author Lauren Blakely comes the final book in the sexy, emotional and deliciously addictive No Regrets trilogy... It started as one night. It turned into a friendship. Then Harley became my everything. She owns me, heart, mind and body. And for a few brief days, our future seems bright and certain. Until, the past wraps its arms around us in so many terrible ways. Someone I never expected to see again reappears in my life. Trying to keep us apart. I'll do anything for her, but the question is - will anything even be enough? Every Second With You is the final novel in the No Regrets Trilogy and should be enjoyed following The Thrill of It.

Named one of the best books of the year by NPR, Fortune, Bloomberg, Sunday Times A New York

Times Book Review Editor's Choice "If you want to understand modern-day Silicon Valley, you need to read this book." —John Carreyrou, New York Times best-selling author of Bad Blood Hailed as the definitive book on Uber and Silicon Valley, Super Pumped is an epic story of ambition and deception, obscene wealth, and bad behavior that explores how blistering technological and financial innovation culminated in one of the most catastrophic twelve-month periods in American corporate history. Backed by billions in venture capital dollars and led by a brash and ambitious founder, Uber promised to revolutionize the way we move people and goods through the world. What followed would become a corporate cautionary tale about the perils of startup culture and a vivid example of how blind worship of startup founders can go wildly wrong.

In the deep zone, even the very best player can find it impossible to beat a foe who's hungry and waiting. . . . Troy White can predict a play before it happens. Star quarterback on his state football team, Troy's a natural for the 7-on-7 tournament that's being held at the Super Bowl in Miami.

With any luck, his "football genius" will also be working for the Atlanta Falcons on that big day. Ty Lewis is a wide receiver with exceptional speed. His brother, an NFL star, says getting on a 7-on-7 team will prove Ty's a winner. From the moment the two football champs cross paths, Troy and Ty begin to size each other up. Troy is suspicious of Ty's interest in his friend Tate, while Ty worries his speed will never be a match for Troy's game smarts. But when the two rivals find themselves somehow tangled in the same dangerous web of deceit, they discover that they have more in

common than their skill at football. Uniting Troy, first seen in the New York Times bestselling Football Genius, and Ty, who was chased by the Mafia in Football Hero, Tim Green's Deep Zone delivers it all—vivid settings, dynamic characters, and high-stakes action on and off the field.

*Super Pumped: The Battle for Uber*

1910. Pownal, Vermont. At 12, Grace and her best friend Arthur must leave school and go to work as a "doffers" on their mothers' looms in the mill. Grace's mother is the best worker, fast and powerful, and Grace desperately wants to help her. But she's left handed and doffing is a right-handed job. Grace's every mistake costs her mother, and the family. She only feels capable on Sundays, when she and Arthur receive special lessons from their teacher. Together they write a secret letter to the Child Labor Board about underage children working in Pownal. A few weeks later a man with a camera shows up. It is the famous reformer Lewis Hine, undercover, collecting evidence for the Child Labor Board. Grace's brief acquaintance with Hine and the photos he takes of her are a gift that changes her sense of herself, her future, and her family's future.
