NATHANAEL JAQUAN

Dream of the Dead Annick Press

The Voyage of the Dawn Treader sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Aslan's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning...

Beautiful Animals Chicago Review Press
The Thirteenth Member, first published in 1971, could be considered a 'cross-over' novel between the historical and fantasy genres. The subject matter is witchcraft and witch-hunts, which continued in Scotland far beyond the rest of Britain, with the last prosecution in Scotland in 1727. Mollie Hunter's work, includes contemporary fiction for children and young adults, historical fiction and fantasy. Many critics regard her writing in the fantasy genre as her strongest and most influential. With its roots in recorded historical events and with the subject matter relating to the supernatural - again a major pre-occupation of Scottish Literature in general - the novel acts as a bridging text between these two major genres in the Scottish corpus. Moreover, it is one of the strongest and most unified of all Hunter's works in that it works well at both the realistic and symbolic levels, while still managing to incorporate themes of witchcraft, the supernatural, political intrigue, dishonesty, entrapment and love.

A Stranger Came Ashore Hyperion
A boy tries to help a hungry polar bear stranded in his island village but needs his grandpa's help to get the bear home.

Gilly Martin the Fox Graphic Arts Books
The remarkable biography of a 19th century sailor, whose Pacific adventures led him to him living with a tribe of headhunters.

Fatty Legs Simon and Schuster
Upon learning that his village will be transformed by a construction crew that is building a dam, young Donald is excited, until he learns that a great magical stone circle will be destroyed in the process. Reprint.

The Stranger Enrich Spot Limited
In the spring of 1621, Plymouth Colony sent STEPHEN HOPKINS to make the first visit to Wampanoag sachem Massasoit to present a red horseman's coat as a gift and sign of friendship. For most ordinary Englishmen, venturing off into the depths of unexplored America would have been a once in a lifetime adventure: but not for Stephen. By the time he turned forty, he had already survived a hurricane, been shipwrecked in the Bermuda Triangle, been written into a Shakespearean play, witnessed the famine and abandonment of Jamestown Colony, and participated in the marriage of Pocahontas. He was once even sentenced to death! He got himself and his family onto the Pilgrims' Mayflower, and helped found Plymouth Colony. He signed the Mayflower Compact, lodged the famous Squanto in his house, participated in the legendary Thanksgiving, and helped guide and govern the early colonists. Yet Stephen was just an ordinary man, with a wife, three sons, seven daughters, a small house, some farmland for his corn, and cows named Motley, Sympkins, Curled, and Red. These are the extraordinary adventures of an ordinary man.

A Stranger Comes to Town
Canongate Books Limited
When Finn Learson staggers out of a

stormy sea into a village on the Shetland Isles, he brings a secret with him. While the other villagers are enchanted by the stranger, Robbie suspects he's hiding something. Haunted by tales of the Selkie Folk, Robbie sees the clues everywhere -- the strange coin, the missing ship, Finn's love for Robbie's sister and her golden hair. But can Robbie convince the others in time to save his sister?

The Giants and the Joneses Houghton Mifflin Harcourt

Many generations ago, a mysterious cataclysm struck the world. Governments collapsed and people scattered, to rebuild where they could. A mutation, "the Change," arose, granting some people unique powers. Though the area once called Los Angeles retains its cultural diversity, its technological marvels have faded into legend. "Las Anclas" now resembles a Wild West frontier town... where the Sheriff possesses superhuman strength, the doctor can warp time to heal his patients, and the distant ruins of an ancient city bristle with deadly crystalline trees that take their jewel-like colors from the clothes of the people they killed. Teenage prospector Ross Juarez's best find ever - an ancient book he doesn't know how to read - nearly costs him his life when a bounty hunter is set on him to kill him and steal the book. Ross barely makes it to Las Anclas, bringing with him a precious artifact, a power no one has ever had before, and a whole lot of trouble.

Kafka on the Shore Vintage

Kafka on the Shore displays one of the world's great storytellers at the peak of his powers. Here we meet a teenage boy, Kafka Tamura, who is on the run, and Nakata, an aging simpleton who is drawn to Kafka for reasons that he

cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey.

A Day No Pigs Would Die Courier Corporation

With the help of a shape-shifting fox, the Prince of Alban goes on a series of quests, among such enemies as the Giant With Five Heads and the Seven Big Women of Jura.

The Stranger in the Lifeboat Penguin
 NEW YORK TIMES EDITORS' CHOICE •
 LONGLISTED FOR THE BOOKER PRIZE • A
 "beautifully and sparingly constructed"
 (The New York Times) novel about a lighthouse keeper with a mysterious past, and the stranger who washes up on his shores—An Island is the American debut of a major voice in world literature. "An Island by Karen Jennings is quite simply a revelation—a ferocious, swift chess game of a novel."—Paul Yoon, author of *Run Me to Earth* Samuel has lived alone on an island off the coast of an unnamed African country for more than two decades. He tends to his garden, his lighthouse, and his chickens, content with a solitary life. Routinely, the nameless bodies of refugees wash ashore, but Samuel—who understands that the government only values certain lives, certain deaths—always buries them himself. One day, though, he finds that one of these bodies is still breathing. As he nurses the stranger back to life, Samuel—feeling strangely threatened—is soon swept up in memories of his former life as a political prisoner on the mainland. This was a life that saw his country exploited under colonial rule, followed by a period of revolution and a brief, hard-won

independence—only for the cycle of suffering to continue under a cruel dictator. And he can't help but recall his own shameful role in that history. In this stranger's presence, he begins to consider, as he did in his youth: What does it mean to own land, or to belong to it? And what does it cost to have, and lose, a home? A timeless and gripping portrait of regret, terror, and the extraordinary stakes of companionship, *An Island* is a story as page-turning as it is profound.

The Walking Stones Trafalgar Square Publishing

A Stranger Came Ashore Floris Books

Stranger's Embrace Floris Books
Originally published in hardcover in 1972, *A Day No Pigs Would Die* was one of the first young adult books, along with titles like *The Outsiders* and *The Chocolate War*. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today.

The Mermaid Summer HarperCollins
Traveling to be reunited with her family in the arctic, 10-year-old Margaret Pokiak can hardly contain her excitement. It's been two years since her parents delivered her to the school run by the dark-cloaked nuns and brothers. Coming ashore, Margaret spots her family, but her mother barely recognizes her, screaming, "Not my girl." Margaret realizes she is now marked as an outsider. And Margaret is an outsider: she has forgotten the language and stories of her people, and she can't even stomach the food her mother prepares. However, Margaret gradually relearns her language and her family's way of living. Along the way, she discovers how important it is to remain true to the ways

of her people — and to herself.

Highlighted by archival photos and striking artwork, this first-person account of a young girl's struggle to find her place will inspire young readers to ask what it means to belong.

The Secret of the Island Harper Collins

I saved his life . . . and I had much to demand in return. When he washed up on shore, I knew my prayers had been answered, and that I, Lady Chelsea Champion, need no longer fear poverty and heartbreak. To secure my family's estate, all I needed was a child.

Handsome, clearly noble-born, and with no memory of his previous life, the mysterious man was perfect. All I had to do was visit his bedchamber and seduce him. I had expected him to be a skillful, scandalously wonderful lover, but once in his arms I was overcome by something more than mere passion. I had fallen hopelessly, desperately in love. My plan has gone shockingly awry. But I will not give up a man who makes me feel such wicked ecstasy. No matter his true identity, no matter the secrets he struggles to remember, I will do anything in this world to make this stranger love me.

The Stronghold Egmont Books Limited

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

The Chronicles of Narnia Vol III: The Voyage of the Dawn Treader Laurel Leaf
Stories about the haunting powers of certain creatures called the Selkie Folk prove true for the Hendersons when they offer shelter to a young man who supposedly survived a shipwreck.

The Thirteenth Member Starfish Bay

Children's Books

"Let's not mince words. This is a great book. Truly difficult to put down... sophisticated, smart and uncomfortable, and the story is cracking." - Lionel Shriver, Washington Post "Startlingly good...Osborne has been described as an heir to Graham Greene, and he shares with Greene an interest in what might be called the moral thriller." - Katie Kitamura, New York Times Book Review "A seductively menacing new thriller by Lawrence Osborne...who unites Graham Greene's fondness for foreign soil with Patricia Highsmith's fascination with the nastier coils of the human psyche." -NPR's "Fresh Air" FINANCIAL TIMES SUMMER PICK 2017 GUARDIAN BEST HOLIDAY READS 2017 On a hike during a white-hot summer break on the Greek island of Hydra, Naomi and Samantha make a startling discovery: a man named Faoud, sleeping heavily, exposed to the elements, but still alive. Naomi, the daughter of a wealthy British art collector who has owned a villa in the exclusive hills for decades, convinces Sam, a younger American girl on vacation with her family, to help this stranger. As the two women learn more about the man, a migrant from Syria and a casualty of the crisis raging across the Aegean Sea, their own burgeoning friendship intensifies. But when their seemingly simple plan to help Faoud unravels all must face the horrific consequences they have set in motion. In this brilliant psychological study of manipulation and greed, Lawrence Osborne explores the dark heart of friendship, and shows just how often the road to hell is paved with the best of intentions.

The Sea-wreck Stranger Zondervan Bored with her life on the California coast, feisty Marina Crafts tempts the

heart of Sebastian de la Cruz, a Spanish aristocrat who has docked his ship in the harbor, and finds him pursuing her on her own territory. Original.

Strangers from a Different Shore eBookIt.com

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • From the widely acclaimed, bestselling author of *American War*—a beautifully written, unrelentingly dramatic, and profoundly moving novel that looks at the global refugee crisis through the eyes of a child. "Told from the point of view of two children, on the ground and at sea, the story so astutely unpacks the us-versus-them dynamics of our divided world that it deserves to be an instant classic." —The New York Times Book Review More bodies have washed up on the shores of a small island. Another overfilled, ill-equipped, dilapidated ship has sunk under the weight of its too many passengers: Syrians, Ethiopians, Egyptians, Lebanese, Palestinians, all of them desperate to escape untenable lives back in their homelands. But miraculously, someone has survived the passage: nine-year-old Amir, a Syrian boy who is soon rescued by Vänna. Vänna is a teenage girl, who, despite being native to the island, experiences her own sense of homelessness in a place and among people she has come to disdain. And though Vänna and Amir are complete strangers, though they don't speak a common language, Vänna is determined to do whatever it takes to save the boy. In alternating chapters, we learn about Amir's life and how he came to be on the boat, and we follow him and the girl as they make their way toward safety. What *Strange Paradise* is the story of two children finding their way through a hostile world. But it is also a story of empathy and indifference, of

hope and despair—and about the way each of those things can blind us to reality.
