5-Minute Easter Stories Simon

Spotlight

Monty McCory's Easter

Story is about a very cute mouse called Monty and his sister Millie. In this book they are making hats for the Easter Bonnet Parade.

After cutting out paper flowers and gluing them to their hats, they head indoors for something to eat. It's not long before they are fast asleep. When they awake, they head outside to check their hats. The sight that meets them is awful. Bunnies have eaten

their hats and they don't know what to do.

There is no paper left and no glue. Molly the Owl comes to the rescue and along with other friends, they find a solution. The book is part of a series for children aged up to 7 and has colouring pages at the end.
