ROBERTSON ELENA

[An English Version](#) Gale, Cengage Learning

The stars are the limit for a little girl who acts out her wish to be an astronaut — inspired by a very special person. Astrid has loved the stars and space for as long as she can remember. “I want to be an astronaut!” she says to everyone who will listen. While her mama is away, Astrid and her papa have fun acting out the challenges an astronaut faces on a space mission — like being in zero gravity (“I can do that all day long!” she says), eating food from a kind of tube, and doing science experiments with the help of cookie sheets. When at last it’s time to meet Mama at the air base, Astrid wears her favorite space T-shirt to greet her. But where exactly has Mama been? Channeling a sense of childlike delight, Ken Wilson-Max brings space travel up close for young readers and offers an inspiring ending.

[People . . . Politics](#) Influence Publishers

A Liverpoolian West Side Story, *Blood Brothers* is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. *Blood Brothers* was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

[Study Guide to The Plays of Sophocles](#) New Directions Publishing
 Need help understanding Antigone? This Guide puts this third play in the trilogy by Sophocles in context. The structure of Greek plays is explained, as well as background information on Greece. The central issues of the play and its themes are clearly set out. Questions to deepen your understanding of the play are included for each section of the play. An activity to encourage familiarization with the literary terms used in the guide and two graphics: one to help you plot the development of the play and the second to encourage study of the different perspectives of the main characters to the action in the play.

[Oedipus the King](#) Oxford Paperbacks

The world-renowned classic that has enthralled and delighted millions of readers with its timeless tales of gods and heroes.

Edith Hamilton's mythology succeeds like no other book in bringing to life for the modern reader the Greek, Roman and Norse myths that are the keystone of Western culture—the stories of gods and heroes that have inspired human creativity from antiquity to the present. We follow the drama of the Trojan War and the wanderings of Odysseus. We hear the tales of Jason and the Golden Fleece, Cupid and Psyche, and mighty King Midas. We discover the origins of the names of the constellations. And we recognize reference points for countless works for art, literature and culture inquiry—from Freud's Oedipus complex to Wagner's Ring Cycle of operas to Eugene O'Neill's Mourning Becomes Electra Both a reference text for scholars of all ages and a book to simply enjoy, *Mythology* is a classic not to be missed.

[A Study Guide for Aeschylus's "Seven against Thebes"](#) Houghton Mifflin Harcourt

First published in 1946, "Zorba the Greek," is, on one hand, the story of a Greek working man named Zorba, a passionate lover of life, the unnamed narrator who he accompanies to Crete to work in a lignite mine, and the men and women of the town where they settle. On the other hand it is the story of God and man, The Devil and the Saints; the struggle of men to find their souls and purpose in life and it is about love, courage and faith.

[Study Guide 1](#) Gale, Cengage Learning

In an unforgettable love story, a woman's impossible journey through the ages could change everything.... Anne Gallagher grew up enchanted by her grandfather's stories of Ireland. Heartbroken at his death, she travels to his childhood home to spread his ashes. There, overcome with memories of the man she adored and consumed by a history she never knew, she is pulled into another time. The Ireland of 1921, teetering on the edge of war, is a dangerous place in which to awaken. But there Anne finds herself, hurt, disoriented, and under the care of Dr. Thomas Smith, guardian to a young boy who is oddly familiar. Mistaken for the boy's long-missing mother, Anne adopts her identity, convinced the woman's disappearance is connected to her own. As tensions rise, Thomas joins the struggle for Ireland's independence and Anne is drawn into the conflict beside him. Caught between history and her heart, she must decide whether she's willing to let go of the life she knew for a love she never thought she'd find. But in the end, is the choice actually hers to make?

[The Thebaid](#) HarperCollins

The legends surrounding the royal house of Thebes inspired Sophocles to create a powerful trilogy of mankind's struggle against fate. KING OEDIPUS tells of a man who brings pestilence to Thebes for crimes he doesn't realise he has committed, and then inflicts a brutal punishment on himself. It is a devastating portrayal of a ruler brought down by his own oath. OEDIPUS AT COLONUS provides a fitting conclusion to the life of the aged and blinded king, while ANTIGONE depicts the fall of the next generation through the conflict between a young woman ruled by her conscience and a king too confident in his own authority.

[A Study Guide](#) Little, Brown

The Student Study Guides are important and unique components that are available for each of the books in The World in Ancient Times series. Each of the Student Study Guides is designed to be used with the main text at school or sent home for homework assignments. The activities in the Student Study guide will help students get the most out of their history books. Each student study guide includes a chapter-by-chapter two-page lesson that uses a variety of interesting activities to help a student master history and develop important reading and study skills.

We offer a comprehensive set of guides guaranteed to raise your

score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams!

Mythology John Wiley & Sons

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best

[The Greenleaf Guide to Ancient Literature](#) Penguin UK

Translated and edited by Peter D. Arnott, this classic and highly popular edition contains two essential plays in the development of Greek tragedy-Oedipus the King and Antigone-for performance and study. The editor's introduction contains a brief biography of the playwright and a description of Greek theater. Also included are a list of principal dates in the life of Sophocles and a bibliography.

Antigone by Sophocles Penguin

An illustrated new translation of Sophocles' Antigone. Anne Carson has published translations of the ancient Greek poets Sappho, Simonides, Aeschylus, Sophocles and Euripides. Antigone is her seminal work. Sophocles' luminous and disturbing tragedy is here given an entirely fresh language and presentation. This paperback edition includes a new preface by the author, "Dear Antigone."
