Dragonfly's Tale Perfection Learning

For animal lovers and fans of *The One and Only Ivan* and *Hoot*, this is the uplifting story of a girl who discovers a family of panthers that were thought to be extinct, and her journey to save the species. Eleven-year-old Kiri has a secret: wild things call to her. More than anyone else, she's always had a special connection to animals. But when Kiri has an encounter with the last known Florida panther, her life is quickly turned on end. Caught between her conservationist father, who wants to send the panther to a zoo, and the village poachers, who want to sell it to feed their families, Kiri must embark on a journey that will take her deep into the wilderness. There has to be some way to save the panther, and for her dad and the villagers to understand each other. If Kiri can't figure out what it is, she'll lose far more than the panthers—she'll lose the only home she's ever known, and the only family she has left. 2018 Green Earth Book Award Honor 2018 Colorado Book Award Winner CAL Book Award Winner Green Prize for Sustainable Literature Award Winner A Bank

Street "Best Children's Book of the Year" A National Geographic Giant Traveling Map of Florida Selection "A powerful tale of a future to be avoided." —Kirkus Reviews "An eerie cautionary tale about the dangers of not protecting the environment, tackles an important theme in a compelling way...a fantastical tale with roots in real-world issues." —Booklist "Earnest, heartfelt, and passionate, this book will likely inspire new environmentalists." —Bulletin "A boldly original, profoundly wise, deeply moving book. It's a rare gift to any reader, as well as to our planet." —T. A. Barron, best-selling author of the *Merlin Saga*

Read the USA Today bestseller from the author of *Roses*, a "sumptuous, full-bodied, and emotional" novel about five young spies embedded among the highest Nazi ranks in occupied Paris (Adriana Trigiani, NYT bestselling author of *Tony's Wife*). At the height of World War II, a handful of idealistic young Americans receive a mysterious letter from the government, asking them if they are willing to fight for their country. The men and women from very different backgrounds -- a Texan athlete with German roots, an upper-crust son of a French mother and a wealthy businessman, a dirt-poor Midwestern fly fisherman, an orphaned fashion designer, and a ravishingly beautiful female fencer -- all

answer the call of duty, but each for a secret reason of her or his own. They bond immediately, in a group code-named Dragonfly. Thus begins a dramatic cat-and-mouse game, as the group seeks to stay under the radar until a fatal misstep leads to the capture and the firing-squad execution of one of their team. But is everything as it seems, or is this one more elaborate act of spycraft?

Will You Fill My Bucket? Dragonfly Books

For fans of *Wrinkle in Time* and *The School of Good and Evil*, the New York Times bestseller *The Mark of the Dragonfly* is a fast-paced adventure story about a mysterious girl and a fearless boy, set in a magical world that is both exciting and dangerous. Piper has never seen the Mark of the Dragonfly until she finds the girl amid the wreckage of a caravan in the Meteor Fields. The girl doesn't remember a thing about her life, but the intricate tattoo on her arm is proof that she's from the Dragonfly Territories and that she's protected by the king. Which means a reward for Piper if she can get the girl home. The one sure way to the Territories is the 401, a great old beauty of a train. But a ticket costs more coin than Piper could make in a year. And stowing away is a difficult prospect—everyone knows that getting past the peculiar green-eyed boy who stands guard is nearly impossible. Life for Piper just turned dangerous. A little bit magical. And very exciting, if she can manage to survive the journey. Praise for *The Mark of the Dragonfly*: ★ "This magnetic middle-grade debut...[is] a page-turner that defies easy categorization and ought to have broad appeal."—Publishers Weekly, Starred ★ "Heart, brains, and courage find a home in a steampunk fantasy worthy of a nod from Baum."—Kirkus Reviews, Starred ★ "A fantastic and original tale of adventure and magic...Piper is a heroine to fall in love with: smart, brave, kind, and mechanically inclined to boot."—School Library Journal, Starred "A complex and impeccably developed plot—there is plenty to recommend in this novel."—The Bulletin "Appealing characters and lots of action make it a good choice for young adventure readers."—Booklist

The Flight of the Dragonfly Macmillan

This enchanting picture book about a map-making boy who is stumped when a girl asks him for a map of the "perfect place" helps readers appreciate the charms of their own neighborhood—and even shows them how to make a map of it! The Mapmaker loves maps. He loves to collect them, to study them, and most of all, he loves to make them. But when a girl asks for a map of a perfect place, the Mapmaker is perplexed. She wants a map to a toes-in-the-sand-warm, X-marks-the-spot-place filled with treasures, where it smells like her birthday and she can zip around like a dragonfly. Surely, a place that is all of these things can't exist...can it? Well, after a fun-filled day of exploring the neighborhood, the Mapmaker will discover that the perfect place—home—has been right in front of him all along. Here is a picture book, as creative as it is charming, that celebrates home, and is a gentle reminder to look around and appreciate what surrounds you.

A 2021 Coretta Scott King Honor Book! Winner of the 2020 National Book Award for Young People's Literature! Winner of the 2020 Boston Globe-Horn Book Award for Fiction and Poetry! In a small but turbulent Louisiana town, one boy's grief takes him beyond the bayous of his backyard, to learn that there is no right way to be yourself. FOUR STARRED REVIEWS! Booklist School Library Journal Publishers Weekly The Horn Book Twelve-year-old Kingston James is sure his brother Khalid has turned into a dragonfly. When Khalid unexpectedly passed away, he shed what was his first skin for another to live down by the bayou in their small Louisiana town. Khalid still visits in dreams, and King must keep these secrets to himself as he watches grief transform his family. It would be easier if King could talk with his best friend, Sandy Sanders. But just days before he died, Khalid told King to end their friendship, after overhearing a secret about Sandy—that he thinks he might be gay. "You don't want anyone to think you're gay too, do you?" But when Sandy goes missing, sparking a town-wide search, and King finds his former best friend hiding in a tent in his backyard, he agrees to help Sandy escape from his abusive father, and the two begin an adventure as they build their own private paradise down by the bayou and among the dragonflies. As King's friendship with Sandy is reignited, he's forced to confront questions about himself and the reality of his brother's death. *The Thing About Jellyfish* meets *The Stars Beneath Our Feet* in this story about loss, grief, and finding the courage to discover one's identity, from the author of *Hurricane Child*.

Me and My Senses Bloomsbury Publishing USA

The girl has had many selves in her short life. The first she remembers is Aissa, the daughter of Mama and Dada, sister to Zufi who watched the goats. Then the Bull King's raiders came, and Mama said, "Don't make a sound till I come back." And when the villagers found her she was silent as stone, because Mama never came back again. So the villagers cursed her as back luck and made her No-Name, lowest of the servants to the Lady, the island's priestess. But there were whispers, as she grew, of another self: of the Lady's rejected first daughter, born imperfect with two extra thumbs. The silent girl looks at the scars on her wrists and wonders, but she has more pressing concerns. The villagers blame her bad luck for the tribute the Bull King now demands of them: two youths given each spring to dance with his bulls and die for his god's glory. And the servants hate and fear the unnatural way the animals all come to her. For Aissa, though, this bond with creatures of fur and scale is the first clue in finding the true self that no one else can give to her, or take away. Wendy Orr, the author of *Nim's Island*, introduces a resourceful and resilient heroine for slightly older readers. Inspired by an archeological trip to the island of Crete, where frescoes show figures leaping over the backs of bulls, Orr weaves an intriguing mythological portrayal of the Bronze Age Minoan civilization. Lyrically written and refreshingly unpredictable, *Dragonfly Song* suggests a fascinating origin for the legend of the Minotaur and his dark tribute.
