*Grade 1,
Student Book
5-Pack Daily
Summer
Activities
Provide your
first-grade
students with
10 to 15
minutes of*

daily math
practice
specifically
developed to
meet Common
Core! The
frequent,
focused
practice
improves
math skills,
and each title
includes
downloadable
home-school
connection

activities. How
it works:
Students
complete five
short math
problems on
days 1-4. The
day 5 activity
provides more
extensive
practice and
asks students
to think
critically.

|---|---|---|

Fundamentals helps your fifth graders navigate the new math. Math Models and analysis questions, plenty of skill practice, and real-world problems guide students in thinking through and solving problems. To help you target instruction, each unit clearly lists the standards information, mathematical practices, and skills covered. Within a unit, math lessons are presented

simply. Every math lesson includes: A Math Models reference page that shows students strategies for solving problems, Skill practice pages that progress in difficulty, and A culminating problem-solving task that leads students through the process of solving a real-life problem. *Daily Math Practice, Grade 3 Math Fundamentals* Completely revised in 2019 to reflect grade-level

standards, Daily Word Problems is the perfect resource to improve students problem-solving skills. The all-NEW word problems are written to support current math standards and expectations and provide consistent spiral review of math concepts. Students problem-solving skills improve as they participate in meaningful, real-life math practice.
