Conspirata Bounty Books

A disgraced career woman licks her wounds with her high school crush, a down on his luck cowboy, in this romantic comedy by a USA Today–bestselling author. Charlie Allington is supposed to be on the fast track to the top—a small-town girl who was making it

big in her career. Instead, she's reeling from a scandal that's pretty much burned all her bridges. Now, out of options, she needs a place to lick her wounds and figure out her future. True, working at a ski resort in rugged Jackson Hole, Wyoming, isn't her dream job. But if there's one perk to coming back, it's a certain sexy hometown boy who knows how to make a girl feel welcome. Cowboy Walker Pearce never expected a grown-up Charlie to be temptation in tight jeans. She's smart and successful—way out of league for a man like him. But he's not about to let that, or his

secrets, get in the way of their blazing-hot attraction. Yet when passion turns to something more, will the truth—about both of them—send her out of his life for good . . . or into his arms forever? Previously published in 2013. Praise for *So Tough to Tame* “I loved this book. . . . It's a sexy, funny, emotional romp. . . . It's also really smart, and, without being preachy or obvious, makes the reader ponder gender inequality in a way I haven't seen in romance before. . . . A comfort read with a dose of sass and smarts; it's just about perfect.” —Smart Bitches, Trashy

Books (A+ review) "Dahl delivers another sexy story while delving into weighty subjects, making this story deeper and more satisfying than the previous ones. It will delight her fans and attract new readers." —Booklist

N. D. Iverson's debut novel *This Would Be Paradise* has garnered over 2.1 Million reads online and is now available with new revisions, content, and a never before seen bonus chapter! In a world where a virus has spread turning most of the population into flesh eating monsters, there are two friends partying it up in New Orleans when the infection hits. Far away from home, they are trapped and trying to make sense of all that has happened with the help of new friends and enemies along the way. Zombies aren't the only thing to fear...

Ondel - Ondel Galau Ethos Books

Winner of the Singapore Literature Prize (Poetry 2020) What do we expect of an author who is unapologetically female? What do we expect of consuming art in general? Should a work be easy, should a work be safe? Marylyn Tan's debut volume, *GAZE BACK*, complicates ideas of femininity, queerness, and the occult. The feminine grotesque subverts the restrictions placed upon the feminine body to be attractive and its subjection to notions of the ideal. The occultic counterpoint to organised religion, then, becomes a way toward techniques of empowering the marginalised. *GAZE BACK*, ultimately, is an instruction book, a grimoire, a call to insurrection—to wrest power back from the social structures that serve to restrict, control and distribute it amongst those few privileged above the disenfranchised.

What do you know about the Ondel-ondel? How much do you know about Betawi culture? If you have no idea about Betawi culture, it's completely fine. I, myself, didn't think much about it until I was caught in Jakarta's traffic, when I saw a pair of exhausted Ondel-ondel in worn-out costumes roaming on the street, asking people for money. This embarrassing scene made me wonder and curious to know more about the Ondel-ondel story. What happened? *Ondel-ondel Galau* is about a young girl, Vina, who has been living a typical middle school life: going to school in the morning and heading back home in the afternoon. Worn out by the same cycle every day, Vina took on a new challenge and joined her school's traditional Betawi music club,

where she plays the violin. With this new activity, she makes new friends, faces new challenges and exposing herself to her own native culture that she has never known before. Join Vina to know more about the Betawi Culture!

A selection of short stories by Enid Blyton suitable for readers aged 5-8 years.

Ghost Moon, Haiku and Senryu HQN Books

In this exhilarating culinary novel, a woman's road trip through Indonesia becomes a discovery of friendship, self, and other rare delicacies. Aruna is an epidemiologist dedicated to food and avian politics. One is heaven, the other earth. The two passions blend in unexpected ways when Aruna is asked to research a handful of isolated bird flu cases reported across Indonesia. While it's put a crimp in her aunt's West Java farm, and made her own confit de canard highly questionable, the investigation does provide an irresistible opportunity. It's the perfect excuse to get away from corrupt and corrosive Jakarta and explore the spices of the far-flung regions of the islands with her three friends: a celebrity chef, a globe-trotting "foodist," and her coworker Farish. From Medan to Surabaya, Palembang to Pontianak, Aruna and her friends have their fill of local cuisine. With every delicious dish, she discovers there's so much more to food, politics, and friendship. Now, this liberating new perspective on her country--and on her life--will push her to pursue the things she's only dreamed of doing.

Conspirata is "a portrait of ancient politics as a blood sport," raves *The New York Times*. As he did with *Imperium*, Robert Harris again turns Roman history into a gripping thriller as Cicero faces a new power struggle in a world filled with treachery, violence, and vengeance. On the eve of Cicero's inauguration as consul of Rome, a grisly discovery sends fear rippling through a city already racked by unrest. A young slave boy has been felled by a hammer, his throat slit and his organs removed, apparently as a human sacrifice. For Cicero, the ill omens of this hideous murder only increase his dangerous situation: elected leader by

the people but despised by the heads of the two rival political camps. Caught in a shell game that leaves him forever putting out fires only to have them ignite elsewhere, Cicero plays for the future of the republic...and his life. There is a plot to assassinate him, abetted by a rising young star of the Roman senate named Gaius Julius Caesar—and it will take all the embattled consul's wit, strength, and force of will to stop the plot and keep Rome from becoming a dictatorship.

Opposites attract when a nude art model sets out to seduce a conservative minister who disapproves of her profession but can't seem to resist her. Renowned artist's model Shay Morrison thinks nothing of exposing her body to inspire great works of art. But hidden inside her, where no one can see, is the pain of a failed marriage. Then, while visiting a weekend cabin, she accidentally walks in on Ian Douglas as he steps out of the shower. Every gorgeous bit of him is immediately apparent -- as is his disapproval of Shay. What isn't so obvious is his profession: Ian is a minister in a straitlaced community. Challenged and hurt, Shay decides to seduce him. But waiting for her are the traps of her own weaknesses and the potent force of attraction . . . as a woman with a troubled past tries to understand a man different from anyone she has known before, and new feelings rise from her heart

"The Other Side of the Coin" offers an alternative perspective into topics such as identity, love, education, community, and self-worth. These are only a few essential topics that we need to look into, refine, and do a societal self-reflection on. There is more than one side to any coin. It means that with any one way of looking at something in life, there will be a different way or different ways of looking at it.

So Tough to Tame Harper Collins

Burma has lived under military rule for nearly half a century. The results of its 1990 elections were never recognized by the ruling junta and Aung San Suu Kyi, leader of Burma's pro-democracy movement, was denied her victory. She has been under house-arrest ever since. Now an economic satellite and political dependent of the People's Republic of China, Burma is at a crossroads. Will it become another North Korea, will it succumb to China's political embrace or will the people prevail? Michael Charney's book- the first general history of modern Burma in over five decades - traces the highs and lows of Burma's history from its colonial past to the devastation of Cyclone Nargis in 2008. By exploring key themes such as the political division between lowland and highland Burma and monastic opposition to state control, the author explains the forces that have made the country what it is today.

Tempest in Eden Createspace Independent Publishing Platform
New York Times bestselling author RaeAnne Thayne brings you back to Haven Point—a place made for second chances...

McKenzie Shaw would do anything for her hometown of Haven Point. It may be small, but it's never let her down...unlike gorgeous, infuriating Ben Kilpatrick. He was her childhood hero until he closed his family's factory, leaving the town's economy in shambles. Now his tech firm is considering opening a local facility. For Haven Point's sake, McKenzie has to grit her teeth and play nice. What could a town filled with painful memories ever offer Ben? Yet seeing the town through the eyes of McKenzie—its fiery

young mayor—he suddenly has his answer. If only he can resolve the animosity crackling between them, Ben may have found the place where he can build ties and find healing...a place where love arrives when it's least expected. Don't miss Thayne's next release, *The Path to Sunshine Cove*: three love stories in one with the emotional pull of Debbie Macomber, Barbara Delinsky and Susan Wiggs!

Perfect for fans of *The Cruel Prince* and *Sorcery of Thorns*, this exhilarating, page-turning fantasy will pull readers into a lush and stunning world where nothing—and no one—can be trusted. I did not choose this fate. But I will not walk away from it. Children have been disappearing from across Menaiya for longer than Amraeya ni Ansarim can remember. When her friend's sister is snatched, Rae knows she can't look away any longer—even if that means seeking answers from the royal court, where her country upbringing and clubfoot will only invite ridicule. Yet the court holds its share of surprises. There she discovers an ally in the foreign princess, who recruits her as an attendant. Armed with the princess's support, Rae seeks answers in the dark city streets, finding unexpected help in a rough-around-the-edges street thief with secrets of his own. But treachery runs deep, and the more Rae uncovers, the more she endangers the kingdom itself. Praise for Intisar Khanani's *Thorn*: "Set in a dark and dangerous world. Well-written and dramatically told, teens will find much to love in a novel in which the princess grows to become a force to be reckoned with." —School Library Journal (starred review) "Khanani beautifully crafts Alyrra's quiet but clear journey of self-definition." —Bulletin of the Center for Children's Books (starred review)

NEW YORK TIMES BESTSELLER In this thrilling novel of romantic suspense, Linda Howard cordially invites us to an elaborate wedding—one in which rings will never be exchanged, kisses will never be shared, and the bride will never see the light of day, because a killer has been waiting under a VEIL OF NIGHT Jaclyn

Wilde is a wedding planner who loves her job—usually. But helping Carrie Edwards with her Big Day has been an unrelenting nightmare. Carrie is a bridezilla of mythic nastiness, yet the unpleasant task at hand turns seriously criminal when Carrie is brutally murdered and everyone involved with the ceremony is

accusing one another of doing the deed. Assigned to the case, Detective Eric Wilder finds that there's too much evidence pointing toward too many suspects. Compounding his problems is Jaclyn, now a prime suspect, with whom he shared one deeply passionate night before Carrie's death. As the heat intensifies

between Eric and Jaclyn, a cold-blooded murderer moves dangerously close. And this time the target is not a bride but one particularly irresistible wedding planner, unaware of a killer's vow. **BONUS:** This edition contains an excerpt from Linda Howard's *Prey*.
