Dr. Jane McGill is in heaven. She's got a great job at a VA Hospital, an adorable daughter, and a loving husband. Granted, it would be wonderful if her preschooler wouldn't wake her up at three in the morning, and it would be a miracle if her husband would change the toilet paper roll once every millennium. Still, in most ways,

she has the ideal life she'd always imagined. Then Jane discovers that Dr. Ryan Reilly is the VA's newest vascular surgeon. Dr. Ryan Reilly, a.k.a. Sexy Surgeon, a.k.a. the biggest jerk she ever loved. A decade ago, Jane broke up with the Sexy Surgeon to marry the Nice Software Engineer, but as cracks and crevices appear in her marriage, she can't help but wonder what life would have been like if she'd made a different choice. Or if it isn't too late to change her mind...

The Maid's Secret Рипол Классик

Find out what secrets lurk within the walls of Chatswood Manor in this in this first book of a historical fiction mystery series that

explores a family's secrets throughout generations. The Chatswood family tree has many branches—and even more secrets. It's the summer of 1914 in England, and Beth Etheridge, great-granddaughter of the original Elizabeth Chatswood, can't wait for her twelfth birthday to arrive. That's when she'll receive her family's heirloom "Elizabeth" necklace: one half of a heart encrusted with beautiful sapphires. (The companion necklace, encrusted with rubies, will be given to Beth's American cousin and pen pal, Kate, later in the series.) But when family from France visits Chatswood Manor for the occasion and another family heirloom goes missing, Beth finds herself on a quest to clear the name of her lady's maid and friend, Shannon. Her search for answers leads her to a hidden diary with clues to a much larger family mystery that dates back generations. What secrets are hidden away in Chatswood Manor?

Ladies' Book of Etiquette, and Manual of Politéness

Createspace Independent Publishing Platform

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of *John O'London's Weekly*. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian

themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

The Maid Penguin UK

"What is your pain level on a scale of 1 to 10, where zero would be no pain, and 10 would be if you had an attack of kidney stones while in active labor, and while all that was going on, you were set on fire. Starting with your genitals. And then you were disemboweled, and the bowels that were removed were then also set on fire. And then while you were running around in active labor, passing a kidney stone, on fire with your bowels also on fire, you accidentally stepped on a Lego with your bare foot. And that Lego was also on fire." "It's an 11." Medicine can be funny. It can be sad, painful, inspirational, but also sometimes funny. "11 out of 10" is a collection of humorous medical stories from practitioners in all fields, ranging from physicians to nurses to EMTs to medical students. Some are totally true, some are exaggerated, and some are mostly fiction. But every single one of them aims to put a smile on your face. All profits from this book will be donated to Deworm the World Initiative, a charity that aims to treat parasitic infections in children in developing nations.

The Well of Loneliness Harlequin

«Таинственный сад» – любимая классика для читателей всех возрастов, жемчужина творчества Фрэнсис Ходжсон Бернетт, роман о заново открытой радости жизни и магии силы. Мэри Леннокс, жестокое и испорченное дитя высшего света, потеряв родителей в Индии, возвращается в Англию, на воспитание к дяде-затворнику в его поместье. Однако дядя находится в постоянных отъездах, и Мэри начинает исследовать округу, в ходе чего делает много открытий, в

том числе находит удивительный маленький сад, огороженный стеной, вход в который почему-то запрещен. Отыскав ключ и потайную дверцу, девочка попадает внутрь. Но чьи тайны хранит этот загадочный садик? И нужно ли знать то, что находится под запретом?.. Впрочем, это не единственный секрет в поместье...

The Husband's Secret Emblem Editions

"Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and

some of those they left behind."—The Denver Post

The Housemaid's Scandalous Secret Penguin

It's utterly improper—but can a passion like theirs be kept hidden for long? "Your discretion and good behavior would be most appreciated . . ." Returning from India to Castonbury Park is just another job for Colonel Ross Montague. With his family in disarray, he promises his uncle, the duke, to do his utmost to see order and decorum restored once more. That is until he's sidetracked by the beguiling eyes of Castonbury's newest maid—Lisette. An affair would be most improper . . . but when neither can deny their blazing desire, all society's rules are discarded. Now, in a house where gossip is rife, Lisette must try her best to keep her salacious liaison a secret . . . Praise for Helen Dickson's romances "A fun, entertaining read." —RT Book Reviews

The Maid's Best Kept Secret Random House

They say be careful what you wish for, you just might get it. For Nina Beaumont, there's nothing she wants more than to prove she's more than just her name. She's tired of being treated differently because of who her family is. As far as she's concerned, money ruins everything. So when a rogue duck causes her to crash her car outside a small town, sending it and her belongings spiraling into the watery abyss, she realizes fate has given her a chance to show she can make it on her own. Beginning with stumbling into a job with the hottest man she's ever met...as his maid. Between running an inn, caring for his grandmother, and trying to keep the dirty-dealing Beaumont Corporation from stealing his land, Joe Farina's plate is full. He doesn't have time for romantic entanglements—especially not

with the suspiciously bad maid he just hired, no matter how attracted to her he is. But there's something different about Nina and trying to resist their chemistry begins to feel futile.

Maid of Secrets Read Books Ltd

Barbara Mutch's stunning first novel tells a story of love and duty colliding on the arid plains of Apartheid-era South Africa. When Cathleen Harrington leaves her home in Ireland in 1919 to travel to South Africa, she knows that she does not love the man she is to marry there—her fiancé Edward, whom she has not seen for five years. Isolated and estranged in a small town in the harsh Karoo desert, her only real companions are her diary and her housemaid, and later the housemaid's daughter, Ada. When Ada is born, Cathleen recognizes in her someone she can love and respond to in a way that she cannot with her own family. Under Cathleen's tutelage, Ada grows into an accomplished pianist and a reader who cannot resist turning the pages of the diary, discovering the secrets Cathleen sought to hide. As they grow closer, Ada sees new possibilities in front of her—a new horizon. But in one night, everything changes, and Cathleen comes home from a trip to find that Ada has disappeared, scorned by her own community. Cathleen must make a choice: should she conform to society, or search for the girl who has become closer to her than her own daughter? Set against the backdrop of a beautiful, yet divided land, *The Housemaid's Daughter* is a startling and thought-provoking novel that intricately portrays the drama and heartbreak of two women who rise above cruelty to find love, hope, and redemption.

Sadie Little Brown

Brilliantly evoking the long-vanished world of masters and

servants portrayed in *Downton Abbey* and *Upstairs, Downstairs*, Margaret Powell's classic memoir of her time in service, *Below Stairs*, is the remarkable true story of an indomitable woman who, though she served in the great houses of England, never stopped aiming high. Powell first arrived at the servants' entrance of one of those great houses in the 1920s. As a kitchen maid—the lowest of the low—she entered an entirely new world; one of stoves to be blacked, vegetables to be scrubbed, mistresses to be appeased, and bootlaces to be ironed. Work started at 5.30am and went on until after dark. It was a far cry from her childhood on the beaches of Hove, where money and food were scarce, but warmth and laughter never were. Yet from the gentleman with a penchant for stroking the housemaids' curlers, to raucous tea-dances with errand boys, to the heartbreaking story of Agnes the pregnant under-parlormaid, fired for being seduced by her mistress's nephew, Margaret's tales of her time in service are told with wit, warmth, and a sharp eye for the prejudices of her situation. Margaret Powell's true story of a life spent in service is a fascinating "downstairs" portrait of the glittering, long-gone worlds behind the closed doors of *Downton Abbey* and 165 Eaton Place.

Rock Paper Scissors Simon and Schuster

Regency Romance and Mystery from Bestselling Author Julie Klassen Pampered Margaret Macy flees London in disguise to escape pressure to marry a dishonorable man. With no money and nowhere else to go, she takes a position as a housemaid in the home of Nathaniel Upchurch, a suitor she once rejected in hopes of winning his dashing brother. Praying no one will recognize her, Margaret fumbles through the first real work of her

life. If she can last until her next birthday, she will gain an inheritance from a spinster aunt--and sweet independence. But can she remain hidden as a servant even when prying eyes visit Fairbourne Hall? Observing both brothers as an "invisible" servant, Margaret learns she may have misjudged Nathaniel. Is it too late to rekindle his admiration? And when one of the family is nearly killed, Margaret alone discovers who was responsible. Should she come forward, even at the risk of her reputation and perhaps her life? And can she avoid an obvious trap meant to force her from hiding? On her journey from wellborn lady to servant to uncertain future, Margaret must learn to look past appearances and find the true meaning of "serve one another in love."

His Millionaire Maid St. Martin's Press

In this "miraculous and thrilling" (Diane Setterfield, #1 New York Times bestselling author) mystery for fans of *The Essex Serpent* and *The Book of Speculation*, Victorian London comes to life as an intrepid female sleuth wades through a murky world of collectors and criminals to recover a remarkable child. Bridie

Devine—flame-haired, pipe-smoking detective extraordinaire—is confronted with the most baffling puzzle yet: the kidnapping of Christabel Berwick, secret daughter of Sir Edmund Athelstan Berwick, and a peculiar child whose reputed supernatural powers have captured the unwanted attention of collectors in this age of discovery. Winding her way through the sooty streets of Victorian London, Bridie won't rest until she finds the young girl, even if it means unearthing secrets about her past that she'd rather keep buried. Luckily, her search is aided by an enchanting cast of characters, including a seven-foot-tall housemaid; a melancholic,

tattoo-covered ghost; and an avuncular apothecary. But secrets abound in this foggy underworld where nothing is quite what it seems. Blending darkness and light, *Things in Jars* is a stunning, "richly woven tapestry of fantasy, folklore, and history" (Booklist, starred review) that explores what it means to be human in inhumane times.

The Maid of Fairbourne Hall Random House

In 1559 England, Meg, an orphaned thief, is pressed into service and trained as a member of the Maids of Honor, Queen Elizabeth I's secret all-female guard. But her loyalty is tested when she falls in love with a Spanish courtier who may be a threat.

The Housemaid's Secret Simon and Schuster

An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion.

Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

Girl in Ice St. Martin's Press

"Welcome to the family," Nina Winchester says as I shake her elegant, manicured hand. I smile politely, gazing around the

marble hallway. Working here is my last chance to start fresh. I can pretend to be whoever I like. But I'll soon learn that the Winchesters' secrets are far more dangerous than my own... Every day I clean the Winchesters' beautiful house top to bottom. I collect their daughter from school. And I cook a delicious meal for the whole family before heading up to eat alone in my tiny room on the top floor. I try to ignore how Nina makes a mess just to watch me clean it up. How she tells strange lies about her own daughter. And how her husband Andrew seems more broken every day. But as I look into Andrew's handsome brown eyes, so full of pain, it's hard not to imagine what it would be like to live Nina's life. The walk-in closet, the fancy car, the perfect husband. I only try on one of Nina's pristine white dresses once. Just to see what it's like. But she soon finds out... and by the time I realize my attic bedroom door only locks from the outside, it's far too late. But I reassure myself: the Winchesters don't know who I really am. They don't know what I'm capable of... An unbelievably twisty read that will have you glued to the pages late into the night. Anyone who loves *The Woman in the Window*, *The Wife Between Us* and *The Girl on the Train* won't be able to put this down! Read what everyone's saying about *The Housemaid*: "I could NOT put it down!... An incredible roller-coaster ride... This book left me hungry for more and I could not believe the ending!!" Goodreads reviewer, [REDACTED] "One wild ride!... So many twists and turns... I was hooked right away - I even read my Kindle while waiting in my kid's school pick-up line so I wouldn't have to put this book down!... addictive... pure perfection!" Goodreads reviewer, [REDACTED] "Terrific! Finished *The Housemaid* in one night, totally compulsively readable... the ending packs a

wallop!" NetGalley reviewer, [REDACTED] "Wow what an amazing book! I couldn't put this down until the very last page... a perfect five stars. This one is by far my favorite book by this author yet." Bookishfirst, [REDACTED] "I've yet to read a book by Freida McFadden that didn't blow me away! I finished this in one sitting, couldn't tear my eyes away... I did not see the plot twist coming at all! The ending was so satisfying but left me wanting even more." @bookscoffeemorebooks, [REDACTED]

The Feed Penguin

The Secret of Chimneys by Agatha Christie - is a work of detective fiction by British writer Agatha Christie, first published in the UK by The Bodley Head in June 1925 and in the US by Dodd, Mead and Company later in the same year. It introduces the characters of Superintendent Battle and Lady Eileen "Bundle" Brent. The UK edition retailed at seven shillings and sixpence (7/6) and the US edition at \$2.00. Plot summary When they meet up in Bulawayo, Anthony Cade agrees to take on two jobs for his friend James McGrath. Anthony heads for London to deliver the draft of a memoir to a publisher, and to return letters to the woman who wrote them. In England, politician George Lomax persuades Lord Caterham to host a house party at Chimneys. George's cousin Virginia Revel is invited, as is Hiram Fish, a collector of first edition books, along with the principals in a political scheme to restore the monarchy in Herzoslovakia - while assuring that newly discovered oil there will be handled by a British syndicate. On Cade's first night in London, the letters are stolen from his hotel room by his waiter. The publisher sends Mr Holmes to pick up the memoirs. These were written by the late Count Stylptitch of Herzoslovakia; now that oil has been

discovered, the nation is in turmoil between republicans and royalists. On advice, Cade puts a dummy package in the hotel safe. The thief brings one letter to Virginia Revel at her home, as it is her name in the signature of each letter. Unaware she did not write the letters, he wants to blackmail her. On a whim, she pays, and promises more money the next day. When she arrives home the next day, she finds him murdered in her house, and Anthony Cade on her door step. Cade arranges to have the body discovered elsewhere by the police, to avoid a scandal and allow Virginia to proceed to Chimneys. At Chimneys, Prince Michael, presumed heir to the long-empty throne of Herzoslovakia, is killed the night of his arrival. Cade was at Chimneys that same evening, leaving footprints outdoors but not indoors. He boldly introduces himself to Superintendent Battle, explaining the story of the memoirs, and persuading Battle of his innocence in the murder. After seeing that the dead prince had posed as Mr Holmes, Cade pursues his own ideas in finding the murderer, while Battle leads the main investigation. The next heir to the throne, Nicholas, cousin to Michael, was raising money on his expectations in America. Cade checks out the governess, a recent addition to the household; he travels to France to speak with her prior employer.

An exclusive short story from the much-loved author Val Wood
The truth could change the lives of all those around her . . . Ellen has worked as a servant girl since she was twelve - her mother had always taught her that she must earn her own keep until she finds someone to marry. After a year of back-breaking work, a chance encounter leads her to a new position as kitchen maid at Hart Holme Manor - the grandest estate around for miles. There, against the wishes of the household, she befriends the owners' son, Christopher. If the true nature of their closeness were ever revealed it could not only jeopardise both Christopher and Ellen's positions, but carry consequences that could affect the rest of their lives . . . If you enjoy books by Katie Flynn and Dilly Court, you'll love Val's heartwarming stories of triumph over adversity.
