"Both timely and

timeless, a powerful exploration of abuse in its many forms, as well as the strength it takes to rise up and speak your truth."—AMBER SMITH, New York Times bestselling author of *The Way I Used to Be*
From New York Times bestselling author Alyssa Sheinmel comes an unflinching exploration of the labels society puts on girls and women—and the strength it takes to rise above it all to claim your worth and declare your truth. The girls at North Bay Academy are taking sides. It all started when Mike Parker's girlfriend showed up with a bruise on her face. Or, more specifically, when she walked into the principal's office and said Mike hit her. But her classmates have

questions. Why did she go to the principal and not the police? Why did she stay with Mike if he was hurting her? Obviously, if it's true, Mike should face the consequences. But is it true? Some girls want to rally for Mike's expulsion—and some want to rally around Mike. As rumors about what really happened spread, the students at North Bay Academy will question what it means to be guilty or innocent, right or wrong. This book is a great choice to start conversations about: dating violence contemporary social problems young adult mental health Praise for *What Kind of Girl*: "A poignant, thought-provoking novel that will resonate deeply."—Kirkus "A rallying cry."—Booklist

Part of the bestselling *Surrounded by Idiots* series! Internationally bestselling author Thomas Erikson shares the secrets of dealing with everyday narcissists. Are the narcissists in your life making you miserable? saving book, Thomas Erikson helps you understand what makes narcissists tick and, crucially, how to handle them without wearing yourself out in the process. With the help of the simple, four-color behavioral model made famous in *Surrounded by Idiots*, Erikson provides all the tools you need to manage not just the narcissists around you but everyday narcissistic behaviors as well—something that is becoming more widespread in the age of social media. Engaging and practical, *Surrounded by Narcissists* will help you free yourself from the thrall of others' toxic agendas so you can pursue a happier, more fulfilling and successful life.

Before she was mother to global superstar Demi Lovato, she was just Dianna Hart.

Dianna tells her story from the very beginning in this complete and genuinely affecting memoir. She had big plans of becoming a country music star, but her life went in a different direction than her dreams. She developed an eating disorder early in life to gain a sense of control in her strict upbringing. As she continued to struggle with body image and her obsession with being perfect her entire adult life, she was also met with other difficult situations. Her husband and father of her two eldest daughters, Dallas and Demi, had his own

troubles that effected the entire family. She coped with alcohol and pills, forming a long-lasting addiction. She's had terrible lows but also some great highs as she watched her daughters break out in Hollywood to become strong, empowered young women. As a mother caring for daughters with addictions while continuing to battle her own, Dianna offers a unique perspective. And as a family, they have survived everything life has thrown at them and come away from it stronger than ever. Dianna tells her story of living through and surviving adversity--with tremendous strength, love and faith.
