Donja
Bellanger,
suffering after

the death of
her father,
finds herself in
dire straits
when her
mom takes a
new husband.
Forced not
only to move
to a strange
city, but to
share a room

with her
glamorous,
new
stepsister,
Makayla
Hampton, her
life spirals out
of
control. Makayl
a lures her
from goth to
glam straight

into an exclusive club, not only for wealthy elites but Immortal Descendants. Donja crosses paths with Torin Mancini and he's too damn handsome to be real. Torin, who has concealed his identity as a powerful ancient spirit for eight hundred years, sets his eyes on Donja; there's something about her blood, something he can't walk away from. He's not alone. A deadly

predator has picked up her scent. Stalked, she reaches out to Torin, but the lure of her blood has him on edge. As Torin battles his heart desires and feelings he thought buried and gone, one thing is clear: they have as much, if not more to fear of each other, than the predator who would have her life. Is love enough? Can she accept him for what he is and better yet, can he control his hungry, hungry eyes? A

beautiful love story with relentless action, elite battles and steamy moments...unforgettable!

A Raisin in the Sun Penguin
A fascinating journey through Scotland's famous distilleries with legendary author Iain Banks No true

Scotsman can resist the allure of the nation's whisky distilleries. In an absorbing voyage as interesting to non-drinkers as to true whisky connoisseurs, sci-fi and literary author Iain Banks explores the rich heritage of Scottish whisky, from the largest and most famous distilleries to the smallest, most obscure operations. Whisky is more than a drink: it's a culture, a binder that

joins together people, places and products far across Scotland's rugged terrain. Switching from cars to ferries to bicycles, Banks crisscrosses his homeland, weaving an engrossing narrative from the strange people, fascinating traditions, and downright bizarre places he encounters on his journey down Scotland's great golden road. Chasing Romeo Pavilion

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin. **Famous** Hassell Street Press An example of Poe's melancholic and morbid poetic pieces, "A Dream Within a Dream" is a poem that

pitifully mourns the passing of time. The poet's own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker's ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of

time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include

"The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

Summon the brilliant musings of Truman Capote with a screwdriver—or, “my orange drink,” as he called it—or a magical world like J.K. Rowling’s with a perfect gin and tonic. With 100 spirited drink recipes and special sections dedicated to writerly haunts like the Algonquin of the New Yorker set and Kerouac’s Vesuvio Cafe, pointers for hosting your own literary salon, and

author-approved hangover cures, all accompanied by original illustrations of ingredients, finished cocktails, classic drinks, and favorite food pairings, *How to Drink Like a Writer* is sure to inspire, invoke, and inebriate—whether you are courting the muse, or nursing a hangover. Sure, becoming a famous author takes dedication, innate talent, and sometimes

nepotism. But it also takes vodka, gin, tequila, and whiskey. *A Novel* Wendy Lamb Books *A Deeply Personal Field Guide to Defeating Your Own Worst Enemy* When you dream, you envision a magical future...the day when you have heroically slayed dragons and unlocked the creativity and genius buried deep inside. But how do you actually get to that

destination? You can analyze the myths of visionary creators—artists, writers, musicians, software developers, etc. who have accomplished the impossible. You'll read about how they went for it, refused to quit, and would not be denied. But exactly how these successful creators went from being fearful dreamers to accomplished artists proves elusive. Running Down

a Dream unflinchingly bares the naked truth of creation and shares the practical to-do list to take you from here to there. The good news? You don't have to be an Austen or a Michelangelo or an Oprah to create a work of art. The bad news? There is no glossing over the pain, embarrassment, and financial terror necessary to contend with on your journey to mission accomplished. More good news? What

lies ahead for you is the realization of your heroic self. The run is worth it in ways you can't yet imagine. [A Dram of Poison](#)

From the publisher of Pipette Magazine, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled cigarettes out the windows of her 19th-

century Parisian studio apartment, wearing second-hand Isabel Marant jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of

natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her "Wildman," to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by

something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental

concerns, and ancient traditions. In *You Had Me at Pét-Nat*, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that unless she faces, head-on, her own issues with commitment, she will not be

able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves. [One Last Dram Before Midnight: Collected DCI Daley Short Stories](#) W. W. Crown Set against the turbulent backdrop of Leningrad in 1941, an intricately woven tapestry of love and war follows the Levin family--twenty-two-year-old Anna, her young brother Kolya, and their father, Mikhail--as

and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental , and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth

than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father*

“Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus

belonging to neither.”—The New York Times Book Review
“Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here*
“One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also

beautifully written, skillfully layered, and paced like a good novel.”—Charl ayne Hunter-Gault, author of *In My Place* “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive

and wise, this book will tell you something about yourself whether you are black or white.”—Maria n Wright Edelman

Revised and updated in 2013, 101 Whiskies to Try Before You Die is a whisky guide with a difference. It is not an

awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites,

stellar newcomers and mystifyingly unknown dramas that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India, America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. Try them before you die - Slainte!
