GREYSON BUCKLEY

Wcfl Surveys 1965-1976 Marshall Cavendish International Asia Pte Ltd
 (Book). Based on the official Top 20 charts from Billboard in the US and NME/Music Week in the UK, this entertaining book shows at a glance the monthly international status of the hits. The fully updated and revised fourth edition lists the charts since they began in January 1954 all the way through December 2000. Each song is listed with artist name and nationality, current and previous month's chart position, record label, weeks on the chart, and simultaneous position on the "other side of the pond." Special symbols indicate million-sellers, plus artists' first and most recent hits. All stars and songs are indexed separately, making it especially easy to pinpoint any Top 20 hit. Includes 200 photos, plus new pop trivia and star gossip!

The Beatles, the Rolling Stones, the Kinks, the Who, and numerous other groups put Britain at the center of the modern musical map. *Please Please Me* offers an insider's view of the British pop-music recording industry during the seminal period of 1956 to 1968, based on personal recollections, contemporary accounts, and all relevant data that situate this scene in the economic, political, and social context of postwar Britain. Author Gordon Thompson weaves issues of class, age, professional status, gender, and ethnicity into his narrative, beginning with the rise of British beat groups and the emergence of teenagers as consumers in postwar Britain, and moving into the competition between performers and the recording industry for control over the music. He interviews musicians, songwriters, music directors, and producers and engineers who worked with the best-known performers of the era. Drawing his interpretation of the processes at work during this musical revolution into a wider context, Thompson unravels the musical change and innovation of the time with an eye on understanding what traces individuals leave in the musical and recording process.

Keith Widdowson visited the North Eastern Region of British Railways on over forty occasions during the final eighteen months of steam powered passenger services. With the odd exceptions (usually for railtours) most of the locomotives were neglected, run down, filthy, prone to failure and often only kept their wheels turning courtesy of the skills of the crew coaxing them along with loving care. Far from the scenic delights so often justifiably portrayed of the Yorkshire countryside, the ever-dwindling numbers became corralled within the industrialized heartland of Bradford, Leeds, Wakefield and Normanton. Here, Widdowson recalls that bygone era, leading an almost nomadic nocturnal existence on his self-imposed "mission" of stalking the endangered "Iron Horses" in one of their final habitats. He was often far from alone in his quest. The "Haulage-bashing" fraternity comprised of like-minded enthusiasts from throughout Britain, often congregated, lemming like, on the one-coach early morning mail trains, the Summer Saturday holidaymaker trains or the Bradford portions; indeed any passenger service with a steam locomotive at its front From the many disappointments of thwarted possibilities to the euphoric joy of unexpected catches, together with over 130 contemporary images, Riding Yorkshire's Final Steam Trains is a compelling snapshot of the race against time at the end of the golden age of steam.

only things that's hot! Delaney Markham has a special talent. Not only does she see dead people, she hears them. By the way, communicating with tormented spirits all day, every day really puts a kink in your love life. With no romantic entanglements to speak of, Delaney is free to use her gifts by holding séances to pay the bills. Except, things go off the rails when she meets one unbelievably infuriating ghost and as her luck would have it, he seems determined to hang around, like all the time! Clyde Atwell, sinfully hot in a college professor sort of way, is no predictable ghost. Truth be told, he's a newbie demon and determined to ace his first assignment, which is to take Delaney back to hell. Using every trick in the demon playbook, Clyde gets Delaney to agree to a date. His plan is to trick her into joining him on a trip to hell. Yeah. Right. Like that's going to happen on the first date! *Not intended for readers under the age of 18. *Previously Published: (2009) Berkley Publishing Hell series by Dakota Cassidy 1. Kiss and Hell 2. This collection of 51 essays contains rich memories of Singapore's broadcasting pioneers based in their station atop Caldecott Hill. ON AIR captures the breadth and depth of their experiences over 82 years on the Hill; from the founding in 1936 of the British Malayan Broadcasting Corporation, to Radio and Television Singapore (RTS), to Singapore Broadcasting Corporation (SBC), and finally to what is today, Mediacorp. In this book, the writers have recorded eight decades worth of work experiences and have shared untold stories from the Japanese Occupation of Caldecott Hill, to the fascinating behind-the-scenes happenings that cast light and well known and well loved shows. Illustrated with rare, archival photographs, many not seen before, this publication is the first of its kind that gives an insight into the development of broadcasting in Singapore.
