AUGUSTUS JENNINGS

Runaway Husbands Multnomah
Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago

realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy,

but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling

is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Passive Men, Wild Women HarperCollins
 Pada suatu masa dahulu, orang planet Marikh dan Venus bertemu, lalu jatuh cinta. Mereka hidup bahagia bersama kerana mereka menerima dan menghormati perbezaan masing-masing. Kemudian mereka berkahwin dan berpindah ke bumi. Pada suatu hari yang tidak disangka, mereka semua diserang penyakit amnesia, iaitu penyakit yang menyebabkan mereka terlupa bahawa mereka sebenarnya berasal dari planet yang berbeza. Menggunakan metafora ini bagi menerangkan konflik-konflik yang biasa berlaku antara lelaki dan perempuan, Dr. John Gray menjelaskan bagaimana perbezaan antara lelaki dan perempuan sering menjadi angkara dalam hubungan yang tidak bahagia.

Berdasarkan pengalaman beliau memberi khidmat kaunseling kepada beribu pasangan dan individu, beliau memberi panduan bagaimana kita boleh mengatasi perbezaan dalam gaya komunikasi, keperluan emosi, dan perilaku bagi memupuk persefahaman antara lelaki dan perempuan. *Men Are from Mars, Women Are from Venus* berjaya membantu berjuta-juta orang lelaki dan perempuan memahami pasangan mereka dengan lebih baik. Ia adalah alat bantu yang penting dalam membentuk hubungan suami isteri yang lebih mendalam dan memuaskan.

Fracking 101 HarperCollins Publishers
 Provides men with practical strategies they can use to strengthen & enrich their relationships with the women in their lives.

Infidelity McClelland & Stewart
 “Wife School has been life-changing for me to understand that I have the ability to transform my marriage. It is truly life-altering.” ~Kendall Tashie, 50, married 30 years, mother of 6, mentors women and Bible study leader
 In a private setting, sincere Christian women repeatedly reveal that after only a few years (or even months) of marriage, their Prince

Charming has lost his charm. After learning the principles in *Wife School*, these same women find their marriages revolutionized. Affection and closeness take a quantum leap. This remarkable progress occurs because *Wife School* teaches women what their husbands want and need at a deep soul level, making the husband outrageously happy. This self-help marriage book is a laugh-out-loud story in which the bratty and abrasive protagonist, Jessica—who thinks her marriage is beyond repair—learns the secrets to grow a satisfying and soul-stirring marriage. Enroll now with Jessica in *Wife School*, and embark on a journey that will transform your marriage beyond what you can imagine. “The principles in *Wife School* have changed my life. The wisdom and guidance have reversed the effect the world had on my marriage. Both my husband and I are truly grateful.” ~Emily Wilson, 33, married 8 years, 2 children, mentors younger women
 “The principles that I have learned from *Wife School* have changed my marriage and therefore changed my life in unbelievable ways. I have gone from a good marriage to an exceptional marriage (that almost seemed

unattainable and unrealistic). Every wife needs to read this book.” ~Jenny Hendrix, 33, married 7 years, 5 children

Women, Men, and the Whole Damn Thing
Mitchell Beazley

“A fresh look at infidelity, broadening the focus from the havoc it wreaks within a committed relationship to consider also why people do it, what it means to them, and why breaking up is the expected response to duplicity — but not necessarily the wisest one.” — LA Review of Books
From iconic couples’ therapist and bestselling author of *Mating in Captivity* comes a provocative and controversial look at infidelity with practical, honest, and empathetic advice for how to move beyond it. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there

such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel

observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

The 5 Love Needs of Men and Women

Hubbard Small Press Publications

The Cheat Down Blog Judie, a gorgeous model, is baffled when she discovers an unflattering picture of a woman with whom her husband has been having an affair. Judie decides to take her ordeal to the web. Judie's online diary sparks a blogging war. This book contains feedback from men and women searching for solid relationships.

The Hazards of Being Male Multnomah

Finalist for the National Book Award for Fiction “[These stories] vibrate with originality, queerness, sensuality and the strange.”—Roxane Gay “In these formally brilliant and emotionally charged tales, Machado gives literal shape to women’s memories and hunger and desire. I couldn’t put it down.”—Karen Russell
In *Her Body and Other Parties*, Carmen Maria Machado blithely demolishes the arbitrary borders between psychological realism and science fiction, comedy and horror, fantasy and fabulism. While her work has earned her comparisons to Karen Russell

and Kelly Link, she has a voice that is all her own. In this electric and provocative debut, Machado bends genre to shape startling narratives that map the realities of women's lives and the violence visited upon their bodies. A wife refuses her husband's entreaties to remove the green ribbon from around her neck. A woman recounts her sexual encounters as a plague slowly consumes humanity. A salesclerk in a mall makes a horrifying discovery within the seams of the store's prom dresses. One woman's surgery-induced weight loss results in an unwanted houseguest. And in the bravura novella "Especially Heinous," Machado reimagines every episode of *Law & Order: Special Victims Unit*, a show we naïvely assumed had shown it all, generating a phantasmagoric police procedural full of doppelgängers, ghosts, and girls with bells for eyes. Earthy and otherworldly, antic and sexy, queer and caustic, comic and deadly serious, *Her Body and Other Parties* swings from horrific violence to the most exquisite sentiment. In their explosive originality, these stories enlarge the possibilities of contemporary fiction.

For Couples Only Harvest House

Publishers

A Recommended Read from: Good Morning America • Good Housekeeping • Esquire • Shondaland • Atlanta Journal-Constitution • The Week • Lit Hub • Publishers Weekly An illuminating, poignant, and savagely funny examination of modern marriage from Ask Polly advice columnist Heather Havrilesky If falling in love is the peak of human experience, then marriage is the slow descent down that mountain, on a trail built from conflict, compromise, and nagging doubts. Considering the limited economic advantages to marriage, the deluge of other mate options a swipe away, and the fact that almost half of all marriages in the United States end in divorce anyway, why do so many of us still chain ourselves to one human being for life? In *Foreverland*, Heather Havrilesky illustrates the delights, aggravations, and sublime calamities of her marriage over the span of fifteen years, charting an unpredictable course from meeting her one true love to slowly learning just how much energy is required to keep that love aflame. This refreshingly honest portrait of a marriage reveals that our relationships are not simply "happy"

or "unhappy," but something much murkier—at once unsavory, taxing, and deeply satisfying. With tales of fumbled proposals, harrowing suburban migrations, external temptations, and the bewildering insults of growing older, *Foreverland* is a work of rare candor and insight. Havrilesky traces a path from daydreaming about forever for the first time to understanding what a tedious, glorious drag forever can be.

Her Body and Other Parties Harper Collins

Divorce is not the biggest threat to marriage. Discouragement is. You've probably heard the grim facts: Half of all marriages end in divorce. The divorce rate inside the church is the same as outside. Most marriages are just holding on. But what if these "facts" are actually myths? In *The Good News About Marriage*, best-selling author Shaunti Feldhahn presents groundbreaking research that reveals the shocking, incredibly inspiring truth: · The actual divorce rate has never gotten close to 50 percent. · Those who attend church regularly have a significantly lower divorce rate than those who don't. · Most marriages are happy. · Simple changes

make a big difference in most marriage problems. · Most remarriages succeed. For too long, our confidence in marriage has been undermined by persistent misunderstandings and imperfect data. This landmark book will radically change how we think and talk about marriage—and what we can dare to hope from it. “Shaunti takes aim at marriage myths that have spread like a cancer through our culture—myths that have become self-fulfilling prophecies. This book is packed with game-changing revelations. Like this one: Not only are most people staying married, they are happy in their marriages!” –Emerson Eggerichs, best-selling author of *Love and Respect*

To Love, Honor, and Vacuum Haymarket Books

A brilliant, impassioned, unflinching account of the firestorm of #MeToo, how we got there, and where we must now go. In *Women, Men, and the Whole Damn Thing*, author David Leser presents an essential and incisive investigation, unearthing the roots of misogyny, its inextricable links to the patriarchy, and how history brought us to the #MeToo

movement and the wave of incandescent female rage that is sweeping the world. Crucially, he also interrogates his own psyche, privilege, and culpability as he bears witness to the “collective wound of the world” and asks how we can move towards healing and profound and permanent change. This book calls on men (yes, all men) to be accountable for their contribution to the continuing oppression of women by the patriarchal structures that have dominated our culture historically and through to the present. He argues that misogyny and female oppression is the greatest moral issue of our times and we are all responsible for dismantling the structures which cause such oppression. This book is his journey into how to grapple with both the personal and collective aftermath of #MeToo and the new future. Including interviews with Tina Brown, Zainab Salbi, Marlene Schiappa, and Helen Garner, among other globally recognized names, *Women, Men, and the Whole Damn Thing* is a bold, honest, and self-searching global overview of the cultural moment of misogyny that we exist in and, perhaps, a way to move forward.

Charlotte Walsh Likes To Win Green Light Press

At age thirty-four, Jo Piazza got her romantic-comedy ending when she met the man of her dreams on a boat in the Galápagos Islands and was engaged three months later. But before long, Jo found herself riddled with questions. How do you make a marriage work in a world where you no longer need to be married? How does an independent, strong-willed feminist become someone's partner -- all the time? Journalist and author Jo Piazza writes a memoir of a real first year of marriage that will forever change the way we look at matrimony. A travel editor constantly on the move, Jo journeys to twenty countries on five continents to figure out what modern marriage means. Throughout this personal narrative, she gleans wisdom from matrilineal tribeswomen, French ladies who lunch, Orthodox Jewish moms, Swedish stay-at-home dads, polygamous warriors, and Dutch prostitutes. *How to Be Married* offers an honest portrait of a couple. When life throws more at them than they ever expected -- a terrifying health diagnosis, sick parents to care for, unemployment --

they ultimately create a fresh understanding of what it means to be equal partners during the good and bad times.

Wife School PTS Publishing House Sdn. Bhd.

The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect “antidote to mansplaining” (*The Stranger*). In her comic, scathing essay “Men Explain Things to Me,” Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don’t, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note—because the ultimate problem is the silencing of women who have something to say, including those saying things like, “He’s trying to kill me!” This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf’s embrace of mystery, of not knowing, of doubt and ambiguity, a highly original

inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. “In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized.” —*The New York Times* “Essential feminist reading.” —*The New Republic* “This slim book hums with power and wit.” —*Boston Globe* “Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society.” —*San Francisco Chronicle* “Essential.” —*Marketplace* “Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions.” —*Salon*

The Good News About Marriage
Multnomah Books

Jennifer can’t believe it. Just married and pregnant, she discovers that her husband has been meeting Brad for sex. When confronted, Tom doesn’t deny it, but he insists it’s just “a thing” and he isn’t gay. Elsewhere, John’s wife, Karen, discovers that her husband likes to watch gay porn.

John doesn’t understand his wife’s reaction. Why does she care what he watches if he’s not unfaithful? In couple’s therapy, Karen and Jennifer raise the same questions: Does this mean my husband is gay? Can my marriage survive? These and other stories illustrate the difficulties inherent when a wife or girlfriend finds out her man has had or wants to have sexual contact with other men. But many times, the man is not gay or even bisexual. Of course, some men with gay sexual interests are gay men in a process of self-discovery; they are “coming out.” These desires may only reflect a different side of a man’s sexuality or some response to childhood trauma or experiences they have not fully processed. Here Joe Kort and Alexander P. Morgan make the distinction between gay men and “straight men with gay interests” clearer to women who want to know how they can overcome these revelations. The authors explain the many reasons why straight men may be drawn to gay sex; how to tell whether a man is gay, straight, or bisexual; and what the various options are for these couples, who can often go on to have very fulfilling marriages. Is My Husband Gay, Straight or

Bi? is intended to help couples understand how male sexuality can express itself in ways that may be difficult to understand. Many marriages have been hurriedly terminated when couples (and their therapists) have lacked the information they needed to understand their current situations. This book provides the clarity, describes the choices, and (in many cases) offers hope for relationships and marriages that have been brushed off as doomed.

[Leave a Cheater, Gain a Life](#) Tyndale House Publishers, Inc.

Planet Heartbreak is a compilation of sixty-two stories written by women who have experienced Wife Abandonment Syndrome - when a husband leaves what his wife believed to be a happy marriage without ever having told her that he was unhappy or thinking of leaving. He often directly moves in with an affair partner, leaving his traumatized wife totally devastated. This will undoubtedly be the defining event in her life, and although recovery is a struggle, many women find that it forces them to reinvent themselves in positive and exciting new ways. The spellbinding short stories in Planet Heartbreak describe

how the wife found out that her husband was leaving and outlines the events around his departure but, more importantly, explores the emotional process the woman goes through integrating the fact that her life as she knew it, as if hit by a tsunami, was suddenly over. Written by women at varying lengths of time since the husband left, from two months to fifteen years, the storytellers vividly express their shock and heartbreak, but also offer insight, provide strategies for recovery, share their wisdom, and inspire the reader to keep reaching to love life again. The book is edited by Vikki Stark, family therapist known worldwide as a divorce recovery expert, and author of *Runaway Husbands: The Abandoned Wife's Guide to Recovery and Renewal*, the companion volume to Planet Heartbreak. *Runaway Husbands* is the bible for wives who have experienced abandonment, providing a deep understanding of Wife Abandonment Syndrome and detailed strategies to help women rebuild their lives. The website associated with the book has become the place women meet to encourage each other and help them feel that they are not

crazy and not alone. The stories in Planet Heartbreak are written by women from this community.

The State of Affairs Tyndale House Publishers, Inc.

A groundbreaking book--based on years of the same thorough research that made the "Dress For Success" books national bestsellers--about how women can statistically improve their chances of getting married.

The Postpartum Husband Grand Central Publishing

An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative,

startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

Marry Him Ballantine Books

For too many families, the postpartum period brings unexpected pain and devastation when depression entered the picture. The anticipated joy and pleasure of parenthood is replaced with feelings of fear, sadness, anger, confusion and resentment. Research has shown that supportive relationships during postpartum depression treatment is associated with a reduction in depressive symptoms. When partners have the right information, they will not only gain a better understanding of the illness and its impact, they will also feel better themselves. Furthermore, we know that this understanding and capacity for support is directly related to his wife's sense of well being and control. In my first book, "This Isn't What I Expected: Overcoming Postpartum Depression" (Bantam, 1994), we included a chapter for husbands, which turned out to be an invaluable resource for the partners of

women suffering from PPD. After receiving feedback from the families I treat, I was shown that husbands needed support and information that is distinct from what their wives were seeking. "The Postpartum Husband" offers that information with its handy reference-style format and addresses specific questions that may arise throughout the course of the illness. As the husband feels more in control of the situation and his wife feels understood and cared for, symptoms improve and recovery is augmented.

Why Do Married Men Cheat with

Unattractive Women? HarperCollins

What the latest science tells us about the brain's reward systems, love, and sex -- and how to prevent an affair from destroying your life How can I prevent an affair from destroying my life? Whether I am the cheater or the betrayed partner, how can I survive, even thrive, in the wake of an affair? Infidelity provides key insights to find your true sexual and romantic potential and advocates honesty, trust, and integrity--the fundamentals of love. People often cheat in a haze of delusion, believing that it will bring them real love, help them have better sex, lift their spirits,

and boost their sagging self-esteem; however, very often, cheating wrecks relationships and erodes self-esteem. In *Infidelity*, one of America's top doctors combines neuroscience, addiction theory, and common sense to explain the three types of cheating: emotional, virtual, and physical; why they're so prevalent; and how to live in accordance with our values when we are drawn to stray. Examining what the latest science tells us about the brain's reward systems, love, and sex, Dr. Kenneth Paul Rosenberg reveals what drives men and women to cheat and what they can do about it. At a time when America's pornography obsession rises to the level of a competing sexual interest, when is porn a problem, and when does it count as infidelity? And since it is not the act of infidelity alone that destroys a couple, how does any couple prevent growing apart? Through concrete rules addressing these and other vital questions, Dr. Rosenberg guides couples on how to prevent cheating, stop it from progressing, and repair the damage caused by an affair.

Foreverland Simon and Schuster

Based on a study of over 400 women

worldwide, *Runaway Husbands: The Abandoned Wife's Guide to Recovery and Renewal*, is the first book to explore and offer healing strategies to women whose lives have been turned upside down by Wife Abandonment Syndrome. This Revised and Updated edition expands on the groundbreaking first edition that led to the development of an amazing global community of women working together to recover from Wife Abandonment Syndrome - when a husband leaves out-of-the-blue from what his wife believed to be a happy, secure marriage. Following his sudden departure, he typically replaces the caring he'd previously shown her with blame and anger, leaving his bewildered wife totally devastated. The Revised and Updated edition includes new chapters that discuss the husband's possible Covert

Narcissism, the effect of this kind of divorce on the father/adult child relationship and the challenges of co-parenting with an ex following abandonment. Written by family therapist Vikki Stark, MSW, who herself had a runaway husband, the book helps women understand in full what could motivate a loving husband to morph overnight into an uncaring stranger and provides them with the tools they need to move forward and rebuild their lives.
