Online Library Struts2 Survival Guide Struts2 Survival Guide Struts Survival Guide explains a lot of the Struts platform, and gives many effective code snippets to help guide the learning process. This book is good for someone who is just learning Struts or has previously been exposed to it and wants to learn more about all the bells and whistles.

As from Struts 2.5.12 a new conversion logic was introduced which can affect your applications when using uncommon solutions. One of these is to use a number literals in Freemarker template. In such case Freemarker treats them as numbers (as BigDecimal s) and Struts logic converts them to a string with decimal zero, see the example below:
