Empower your students to become part of the solution. With a clear and upbeat voice, author Anna Leon-Guerrero's thought-provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution. The Fifth Edition of *Social Problems: Community, Policy, and Social Action* goes beyond the typical presentation of contemporary

social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions. With an overarching focus on social inequalities and policy, this proven text provides a platform for discussion that encourages critical thinking and inspires hope. "The extra emphasis on social action and movements is a real strength...I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then forget about it." —Todd Michael Callais, University of Cincinnati-Blue Ash

A Down-to-Earth Approach  $\zeta$  James Henslin shares the excitement of sociology with

his acclaimed down-to-earth approach and personal writing style. *Sociology: A Down-to-Earth Approach*, 12/e highlights the sociology of everyday life and its relevance to students' lives. Six central themes help students stimulate their sociological imagination: down-to-earth sociology, globalization, cultural diversity, critical thinking, the new technology, and the influence of the mass media on our lives.  $\zeta$  MySocLab is an integral part of the Henslin program. Engaging activities and assessments provide a teaching and learning system that helps students discover sociology in their lives. With MySocLab, students can watch videos on sociological core concepts, explore real-world sociology through the new Social Explorer, and develop critical thinking skills through writing.  $\zeta$  Teaching and Learning Experience This program will provide a better teaching and learning

experience--for you and your students. It: Personalizes Learning with MySocLab: MySocLab is an online homework, tutorial, and assessment program. It helps students prepare for class and instructor gauge individual and class performance. Connects with Students: The author's writing style permeates the vignettes, boxes, stories of personal experience, and examples of field research in the book. Encourages Understanding of Diversity: Students will gain an understanding of how social life is "done" in other parts of the world as well as examine groups that make up the fascinating array of people who form the U.S. population. *Sociology: A Down-to-Earth Approach*, Twelfth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn.

Written from a distinctly Canadian point of view, *Understanding Social Problems*, Fourth Canadian Edition, examines how the structure and culture of societies contribute to social problems and their consequences. This text has strong pedagogical features and is comprehensive in its coverage, progressing from micro to macro levels of analysis. It focuses first on problems of health care, drug use, and crime, and then broadens to the widening concerns of population, health and welfare, science and technology, large-scale inequality and environmental problems. Known for its inclusive approach, *Understanding Social Problems*, Fourth Canadian Edition, explores powerful stories of real life people struggling with the challenges society and its problems have thrust upon them.

*Life in Society* Pearson College Division

A down-to-earth approach that demonstrates the connection between the individual and society. Down-to-earth sociology means using sociological perspectives to examine everyday life, and seeing the connection between the individual and society. Through a balance of comprehensiveness and brevity, this text provides students with a clear presentation of the four key theoretical perspectives, and then applies those perspectives in a variety of examples and exercises, in order to bring sociology home for students. Note: MySocLab is not included with the purchase of this product.

This Fourth Edition of George Ritzer's Introduction to Sociology shows students the relevance of sociology to their lives. While providing a rock-solid foundation, Ritzer illuminates traditional sociological concepts and theories, as well as some of the most compelling contemporary social phenomena: globalization, consumer

culture, the digital world, and the "McDonaldization" of society. With examples on every page from current events and contemporary research, and stories about "public" sociologists who are engaging with the critical issues of today, the text demonstrates the power of sociology to explain the world, and the diversity of questions that sociologists seek to answer. New to this Edition New "Trending" boxes focus on influential books written by sociologists that have become part of the public conversation about important issues. Replacing "Public Sociology" boxes, these boxes demonstrate the diversity of sociology's practitioners, methods, and subject matter, and feature such authors as: Michelle Alexander (The New Jim Crow) Elizabeth Armstrong and Laura Hamilton (Paying for the Party) Randol Contreras (The Stick-Up Kids) Matthew Desmond

(Evicted) Kimberly Hoang (Dealing in Desire) Arlie Hochschild (Strangers in Their Own Land) Eric Klinenberg (Going Solo) C.J. Pascoe (Dude, You're a Fag) Lori Peek and Alice Fothergill (Children of Katrina) Allison Pugh (The Tumbleweed Society) Updated examples in the text and "Digital Living" boxes keep pace with changes in digital technology and online practices, including Uber, bitcoin, net neutrality, digital privacy, WikiLeaks, and cyberactivism. New or updated subjects apply sociological thinking to the latest issues including: the 2016 U.S. election Brexit the global growth of ISIS climate change President Trump's proposed Mexican border wall further segmentation of wealthy Americans in the "super rich" transgender people in the U.S. armed forces charter schools the legalization of marijuana the Flint water crisis fourth-wave feminism
