ANIYAH LANG

An Introductory Guide to Keeping Productive Pet Sheep Simon and Schuster

A great choice for the small or backyard farmer, dairy goats require a smaller investment than cows and produce milk that makes delicious yogurt and cheese. This fourth edition includes more on pygmy goats, health care, breeding, and making dairy products. You'll have everything you need to you need to know to successfully raise your own dairy goats.

A Comprehensive Guide to Raising Chickens, Ducks, Rabbits, Goats, Pigs, Sheep, and Cattle Storey Publishing

What does it take to raise a happy pig? Armed with experience from running the largest organic hog operation in Maine, author Alice Percy is well equipped to answer this question. Pigs are much closer to their cousin, the wild boar, than other domesticated animals. Ethically managing pigs requires an understanding of their natural mannerisms, including factors such as social grouping,

mating, territory, housing, and, of course, their love of wallowing in the mud. In *Happy Pigs Taste Better* Percy offers a comprehensive look at raising organic, pasture-fed, gourmet meat. She advises readers on pasturing and feeding hogs organically, as well as managing the breeding herd and administering effective natural healthcare. In addition, she provides an overview of marketing and distribution for those looking to turn their hog farming operation into a lucrative business. This book is the first of its kind to offer an in-depth approach to organic, high-welfare commercial production, including information on: - Designing a hog business from the ground up - Housing pigs, including benefits and drawbacks of various housing systems - Evaluating the nutritional content of common organic feedstuffs - Butchering humanely and economically - Recordkeeping, with templates for financial tracking Whether you're looking to convert a conventional operation to organic, grow your backyard hog operation into a viable business, or start from scratch, this comprehensive book has got you covered, nose to tail.

Storey's Guide to Raising Miniature Livestock Atlantic Publishing Company

Full of practical everyday advice, this guide explains how a natural, organic approach to livestock farming produces healthy animals, reduces costs, and increases your operation's self-sufficiency.

Livestock expert Carol Ekarius helps you create a viable farm plan, choose suitable livestock, care for your animals' health, and confidently manage housing, fencing, and feeding. Chickens, Turkeys, Ducks, Geese, Guineas, Game Birds Storey Publishing

With this compact portable reference in hand, crafters can quickly and easily look up any of 100 different sheep breeds, the characteristics of their fleece, and the kinds of projects for which their fleece is best suited. Each breed profile includes a photograph of the animal and information about its origin and conservation status, as well as the weight, staple length, fiber diameter, and natural colors of its fleece. This is a great primer for beginners, and a handy guide for anyone who loves working with fleece.

The Backyard Homestead Guide to Raising Farm Animals Storey Publishing

Raise a flock of sheep in your backyard. Even with a limited amount of space, you can enjoy homegrown fleece and fresh milk, as well as the endearing company of these family-friendly animals. Sue Weaver provides all the instructions you need for selecting a breed; housing and feeding; harvesting fleece; and milking. With simple recipes for making cheese and yogurt, and tips on processing fleece for wool, you'll enjoy the varied and numerous rewards of keeping sheep.

Keeping Livestock Healthy Storey Publishing

Every cattle farmer — from the keeper of a family milk cow to the rancher overseeing a large herd — will gain confidence and control by becoming more knowledgeable about calving. Healthy pregnancies, safe births, and thriving calves are critical to every cattle operation, and in remote farm locations, the veterinarian is not always readily available. Even if the vet is nearby, the farm's finances will be healthier if the farmer can oversee most of the calving process. Heather Smith Thomas, an expert on livestock with decades of firsthand experience, covers every routine situation likely to arise before, during, and after calving. And when the calving process is out of the ordinary, Thomas guides the farmer through pregnancy problems, difficult deliveries, recognizing when to call in a vet, and postpartum complications. Her thorough coverage of what to expect in every situation gives farmers the knowledge they need to care personally for their cows. The

second half of the book is dedicated to ensuring that every calf gets off to a healthy start. Thomas helps farmers work with cows reluctant to nurse, substitute mothers, and frail calves. A complete chapter on calfhood illnesses explains warning signs and offers tips on prevention and treatment. As people return to farming in growing numbers, the demand for safe, humane livestock knowledge continues to increase. Farmers will turn to this reliable volume again and again as they welcome each new calf.

Small-Scale Livestock Farming Storey Publishing

In today's market, range-rearing of swine provides the family farm with a key venture for diversification and cash flow—perhaps no other large animal enterprise offers as fast a turnaround on investment. Range-produced pork is now sought out by the informed consumer concerned with the issues of production and willing to pay a premium to get it. This comprehensive manual on raising hogs the natural way includes sections on housing and fencing, selection and breeding, herd maintenance, feeds and feeding, marketing and more.

Breeds, Care, Housing Lulu.com

Slaughter and butcher your own animals safely and humanely with this award-winning guide.

Providing detailed photography of every step of the process, Adam Danforth shows you everything you need to know to butcher poultry, rabbit, lamb, goat, and pork. Learn how to create the proper slaughtering conditions, break the meat down, and produce flavorful cuts of meat. Stressing proper food safety at all times, Danforth provides expert advice on necessary tools and helpful tips on freezing and packaging. Enjoy the delicious satisfaction that comes with butchering your own meat.

Breeding, Rearing, Management, and Improvement Voyageur Press (MN)

An introduction to raising pigs for food or as pets, covering selecting a breed, shelter, feeding, breeding, and more.

Storey's Illustrated Breed Guide to Sheep, Goats, Cattle and Pigs Storey Publishing

Imagine putting together a big breakfast using the eggs straight from your own chickens, or bacon straight from the pig. This is a sort of ideal that many dream of, but few ever get to experience.

Now with *The Ultimate Guide to Raising Farm Animals*, that dream can be turned into a reality, and also be so much more. In *The Ultimate Guide to Raising Farm Animals*, you will learn how to take care of chickens, pigs, sheep, cows, and other livestock. Each chapter will be dedicated to a different animal, and you will not only learn how to take care of them, but also what sort of things you can get from them. If you want to save money, become more self-sufficient, or enjoy healthier locally sourced food, *The Ultimate Guide to Raising Farm Animals* is the book you need.

Storey's Guide to Keeping Honey Bees, 2nd Edition Acres USA

Offering expert advice on nutrition, proper housing, and routine maintenance, *Keeping Livestock Healthy* covers all the everyday medical care your horses, cattle, pigs, goats, and sheep are likely to require. From vaccines and artificial insemination to detecting and treating Lyme disease, Potomac fever, and bluetongue, you'll find everything you need to know to keep your animals healthy and thriving. Stressing preventative methods wherever possible, N. Bruce Haynes helps you reduce veterinary costs, increase your self-sufficiency, and boost the productivity of your livestock operation.

Breeds, Care, Health Storey Publishing

A livestock expert shows readers how to raise a pig safely and humanely in one's own backyard, covering such topics as selecting a breed with great flavor, feeding, housing, fencing, health care and humane processing. Original.

Everything You Need to Know Storey Publishing

Your Guinea Pig tells you everything you need to know to successfully choose, buy, raise, and show all types of guinea pigs.
