 ABSTRACT BOOK - isc.rsu.lv
 record-breaking number of 823 abstracts

were submitted for the international conferences "Knowledge for Use in Practice" and "PLACES", to be held within the frame of RSU Research Week. The number of submissions tripled, in comparison to last year - with around 10 percent of applications received from abroad. The International Abstract Review Committee will evaluate the submitted abstracts ...
 Record number of abstracts submitted for RSU Research Week ...
 the RSU International Student Conference (ISC) will cover topics in health and social sciences - the fields of study that RSU offers for our students - and I am sure this conference will make an important contribution towards promoting high quality science among young researchers and the importance of science in the study process.
