There Is Nothing for

You Here Simon and Schuster

A National Book Critics Circle Award Finalist

"Essential reading for the twenty-first [century]."

—Radhika Jones, *The New York Times Book Review*

In the first comprehensive biography of Mikhail Gorbachev, William

Taubman shows how a peasant boy clambered to the top of a system

designed to keep people like him down, found common ground with

America's arch-conservative president

Ronald Reagan, and permitted the USSR and

its East European empire to break apart without

using force to preserve them. Drawing on

interviews with Gorbachev himself, transcripts and

documents from the Russian archives, and

interviews with Kremlin aides and adversaries,

Taubman's intensely personal portrait extends to

Gorbachev's remarkable marriage to a woman he deeply loved.

Nuanced and poignant, yet unsparing and honest,

this sweeping account has all the amplitude of a

great Russian novel.

[All the Kremlin's Men](#)

Vintage

From the KGB to the Kremlin: a

multidimensional portrait of the man at war with the

West. Where do Vladimir Putin's ideas come from?

How does he look at the outside world? What does

he want, and how far is he willing to go? The great

lesson of the outbreak of World War I in 1914 was

the danger of misreading the statements, actions,

and intentions of the adversary. Today,

Vladimir Putin has become the greatest

challenge to European security and the global

world order in decades. Russia's 8,000 nuclear

weapons underscore the huge risks of not

understanding who Putin is. Featuring five new

chapters, this new edition dispels potentially

dangerous

misconceptions about Putin and offers a clear-

eyed look at his

objectives. It presents Putin as a reflection of

deeply ingrained Russian ways of thinking as well

as his unique personal background and

experience. Praise for the first edition If you want to

begin to understand Russia today, read this

book. —Sir John Scarlett, former chief of the British

Secret Intelligence Service (MI6) For anyone

wishing to understand Russia's evolution since

the breakup of the Soviet Union and its trajectory

since then, the book you hold in your hand is an

essential guide.—John McLaughlin, former

deputy director of U.S. Central Intelligence Of the

many biographies of Vladimir Putin that have

appeared in recent years, this one is the most

useful. —Foreign Affairs This is not just another

Putin biography. It is a psychological portrait.

—The Financial Times Q: Do you have time to read

books? If so, which ones would you recommend?

"My goodness, let's see. There's Mr. Putin, by Fiona

Hill and Clifford Gaddy. Insightful." —Vice

President Joseph Biden in Joe Biden: The Rolling

Stone Interview.

[A Novel Troubador](#) Publishing Ltd

"The epic tale of the rise to power of Russia's

current president--of his emergence from shrouded

obscurity and deprivation to become one of the

most consequential and complicated leaders in

modern history. Former New York Times Moscow

bureau chief Steven Lee Myers has followed

Vladimir Putin's path for many years, and gives us

the fullest, most

absorbing account we have of his rise to power. This gripping narrative elucidates a cool and calculating man with enormous ambition and few scruples. We see Putin, a former KGB agent, come to office in 2000 as a reformer, cutting taxes, expanding property rights, bringing a measure of order and eventual prosperity to millions whose only experience of democracy in the early years following the Soviet collapse was instability, poverty, and criminality. But Myers makes clear how Putin then orchestrated a new authoritarianism, consolidating power, reasserting the country's might, brutally crushing revolts, and swiftly dispatching dissenters, even as he retained--and continues to retain--the support of many. As the world struggles to confront a newly assertive Russia, the importance of understanding Putin has never been greater. This keenly insightful, riveting book provides an essential key to that understanding"--

The Rise of a Dictator
Random House

From the author of *How Proust Can Change Your Life*, a delightful, truly

consoling work that proves that philosophy can be a supreme source of help for our most painful everyday problems. Perhaps only Alain de Botton could uncover practical wisdom in the writings of some of the greatest thinkers of all time. But uncover he does, and the result is an unexpected book of both solace and humor. Dividing his work into six sections -- each highlighting a different psychic ailment and the appropriate philosopher -- de Botton offers consolation for unpopularity from Socrates, for not having enough money from Epicurus, for frustration from Seneca, for inadequacy from Montaigne, and for a broken heart from Schopenhauer (the darkest of thinkers and yet, paradoxically, the most cheering). Consolation for envy -- and, of course, the final word on consolation -- comes from Nietzsche: "Not everything which makes us feel better is good for us." This wonderfully engaging book will, however, make us feel better in a good way, with equal measures of wit and wisdom.

The New Tsar Public

Affairs

Originally published for a select group of Russian officials (MPs, regional governors and civil society representatives), this collection from the past 12 years of Vladimir Putin's most important speeches and interviews include passages that are said to have "predicted and preordained" world events. This English language translation is edited and published by Set, the Russian youth movement, offers a clear picture of his values and guiding principles, aimed at reaching a wider readership in an era of political challenges.

VLADIMIR PUTIN: Munich
Penguin

Vladimir Putin has turned Russia from fledgling democracy into a police state, and in 2020 a constitutional change gave him the means to stay in power until 2036. In this acclaimed political biography, former BBC Moscow correspondent Angus Roxburgh charts the dramatic fight for Russia's future under Putin. Roxburgh shows how the former KGB man evolved from reformer to autocrat, how he sought the West's respect but earned its fear and contempt. Drawing on dozens of exclusive

interviews in Russia, where he worked for a time as a Kremlin insider advising Putin on press relations, as well as in the US and Europe, Roxburgh also argues that the West threw away chances to bring Russia in from the cold, by failing to understand its fears and aspirations following the collapse of communism. This updated edition includes new chapters on Putin and Donald Trump, on Russia's wars in Ukraine and Syria, and on Putin's ruthless attempt to rout all political opposition.

Vladimir Putin and Russian Statecraft Mariner Books

What can the rise of this century's most feared politician teach us about life, work and love? Rob Sears satirises the machinations that enabled Putin to dominate the Kremlin and undermine the United States of America as ways to help you take control of your mundane life. Would you like to ruin your enemies by sharing compromising material about that time they didn't wash their hands? Fancy hacking democracy at the parent-teacher association to ensure you're a shoo-in for social secretary? Or serving up a

cold dish called revenge in a high street restaurant? Filled with stories of Putin's extraordinary and chilling actions, with mocking ideas and illustrations to help you emulate him on a small scale, Vladimir Putin: Life Coach is the ultimate parody guide to releasing the pseudo-elected, judo black belt, 5D chess-playing autocrat inside each and every one of us.

The Rise and Reign of Vladimir Putin W. W. Norton & Company
A Sunday Times bestseller | A New York Times Book Review Editors' Choice
Named a best book of the year by The Economist | Financial Times | New Statesman | The Telegraph "[Putin's People] will surely now become the definitive account of the rise of Putin and Putinism."
—Anne Applebaum, The Atlantic "This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades." —Peter Frankopan, Financial Times
Interference in American elections. The sponsorship of extremist politics in Europe. War in

Ukraine. In recent years, Vladimir Putin's Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In *Putin's People*, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin's Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia's economy and legal system and extended the Kremlin's reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB's revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while

taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach—and assembling a colorful cast of characters to match—Putin's People is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

I'm Not Scared, You're Scared Simon and Schuster
National Book Award winner Masha Gessen's biography of a ruthless man's ascent to near-absolute power. "In a country where journalists critical of the government have a way of meeting untimely deaths, Ms. Gessen has shown remarkable courage in researching and writing this unflinching indictment of the most powerful man in Russia." —The Wall Street Journal

The Man Without a Face is the chilling account of how a low-level, small-minded KGB operative ascended to the Russian presidency and, in an astonishingly short time, destroyed years of progress and made his

country once more a threat to her own people and to the world. Handpicked as a successor by the "family" surrounding an ailing and increasingly unpopular Boris Yeltsin, Vladimir Putin seemed like a perfect choice for the oligarchy to shape according to its own designs. Suddenly the boy who had stood in the shadows, dreaming of ruling the world, was a public figure, and his popularity soared. Russia and an infatuated West were determined to see the progressive leader of their dreams, even as he seized control of media, sent political rivals and critics into exile or to the grave, and smashed the country's fragile electoral system, concentrating power in the hands of his cronies. As a journalist living in Moscow, Masha Gessen experienced this history firsthand, and for The Man Without a Face she has drawn on information and sources no other writer has tapped. Her account of how a "faceless" man maneuvered his way into absolute—and absolutely corrupt—power is the definitive biography of Vladimir Putin.

Operative in the Kremlin Public Affairs

This work presents the notes of Putin's speech on the Meeting of the Valdai International Discussion Club. In the speech, V. Putin mentions the dramatic transformations in global politics and the economy, public life, and in industry, information and social technologies. He urges the listeners to questions the world's standards of international security that are created to prevent global conflicts.

Book of Putin Simon and Schuster
Who is this Vladimir Putin? Who is this man who suddenly--overnight and without warning--was handed the reigns of power to one of the most complex, formidable, and volatile countries in the world? How can we trust him if we don't know him? First Person is an intimate, candid portrait of the man who holds the future of Russia in his grip. An extraordinary compilation of over 24 hours of in-depth interviews and remarkable photographs, it delves deep into Putin's KGB past and explores his meteoric rise to power. No Russian leader has ever subjected himself to this kind of public examination of his life and views. Both as a spy and as a virtual

political unknown until selected by Boris Yeltsin to be Prime Minister, Putin has been regarded as man of mystery. Now, the curtain lifts to reveal a remarkable life of struggles and successes. Putin's life story is of major importance to the world.

A True Story of Money Laundering, Murder, and Surviving Vladimir Putin's Wrath Peter

Lang Pub Incorporated
Traces the life of Vladimir Putin from his childhood in Leningrad, dreaming of becoming a spy, through his work as an agent for the KGB, to his political work, including his time as president of Russia.

Vladimir Putin

Canongate Books

Once Upon a Time in Russia Simon and

Schuster
University Press returns with another short and captivating portrait of one of history's most compelling figures, Vladimir Putin. Vladimir Putin is famously revered and reviled on a global scale. The one thing the world cannot do is ignore

him. Rising from humble beginnings to the highest echelons of world power, he is best known today as the President of Russia. Shrouded in the mystique of one who is not to be trifled with, Vladimir Putin has a remarkable story. Behind the rumors, the tales, and the steely air of secrecy there is a man - a man profoundly shaped by his mentors, experiences, and beliefs. This short book tells the intensely human story of a man who is changing the world in a way that no one else can.

Putin talks to Valdai Club in Sochi Potomac Books, Inc.

A celebrated foreign policy expert and key impeachment witness reveals how declining opportunity has set America on the grim path of modern Russia--and draws on her personal journey out of poverty, and her unique perspectives as an historian and policy maker, to show how we can return hope to our forgotten places.

Vladimir Putin's Holy Mother Russia: A Biography of the Most Powerful Man in Russia Oxford University Press

A guided tour of the art of self-defense is offered by Russian president

Vladimir Putin, a judo expert. Photos & illustrations.

History, Theory, Practice Brookings Institution Press

An autobiographical account of Yeltsin's second term as president of Russia, including his personal opinions on such world leaders as Bill Clinton, Helmut Kohl, and Jacques Chirac.

How Russia Fell In and Out of Love with

Vladimir Putin Yale University Press

"[Red Notice] does for investing in Russia and the former Soviet Union what Liar's Poker did for our understanding of Salomon Brothers, Wall Street, and the mortgage-backed securities business in the 1980s. Browder's business saga meshes well with the story of corruption and murder in Vladimir Putin's Russia, making Red Notice an early candidate for any list of the year's best books" (Fortune).

"Part John Grisham-like thriller, part business and political memoir." —The New York Times This is a story about an accidental activist. Bill Browder started out his adult life as the Wall Street maverick whose instincts led him to Russia just after the breakup of the Soviet Union, where he

made his fortune. Along the way he exposed corruption, and when he did, he barely escaped with his life. His Russian lawyer Sergei Magnitsky wasn't so lucky: he ended up in jail, where he was tortured to death. That changed Browder forever. He saw the murderous heart of the Putin regime and has spent the last half decade on a campaign to expose it. Because of that, he became Putin's number one enemy, especially after Browder succeeded in having a law passed in the United States—the Magnitsky Act—that punishes a list of Russians implicated in the lawyer's murder. Putin famously retaliated with a law that bans Americans from adopting Russian orphans. A financial caper, a crime thriller, and a political crusade, *Red Notice* is the story of one man taking on overpowering odds to change the world, and also the story of how, without intending to, he found meaning in his life. [Vladimir Putin's Russia and the End of Revolution](#) Vintage
 "A beautifully written and very lively study of Russia that argues that the political order created by Vladimir Putin is stagnating" (Financial

Times). From Kaliningrad on the Baltic to the Russian Far East, journalist Ben Judah has traveled throughout Russia and the former Soviet republics, conducting extensive interviews with President Vladimir Putin's friends, foes, and colleagues, government officials, business tycoons, mobsters, and ordinary Russian citizens. *Fragile Empire* is the fruit of Judah's thorough research: A probing assessment of Putin's rise to power and what it has meant for Russia and her people. Despite a propaganda program intent on maintaining the cliché of stability, Putin's regime was suddenly confronted in December 2011 by a highly public protest movement that told a different side of the story. Judah argues that Putinism has brought economic growth to Russia but also weaker institutions, and this contradiction leads to instability. The author explores both Putin's successes and his failed promises, taking into account the impact of a new middle class and a new generation, the Internet, social activism, and globalization on the president's impending

leadership crisis. Can Russia avoid the crisis of Putinism? Judah offers original and up-to-the-minute answers. "[A] dynamic account of the rise (and fall-in-progress) of Russian President Vladimir Putin."
 —Publishers Weekly
 "[Judah] shuttles to and fro across Russia's vast terrain, finding criminals, liars, fascists and crooked politicians, as well as the occasional saintly figure."
 —The Economist
 "His lively account of his remote adventures forms the most enjoyable part of *Fragile Empire*, and puts me in mind of Chekhov's famous 1890 journey to Sakhalin Island." —The Guardian
[First Person](#) North Atlantic Books
 The stunning story of Russia's slide back into a dictatorship—and how the West is now paying the price for allowing it to happen. The ascension of Vladimir Putin—a former lieutenant colonel of the KGB—to the presidency of Russia in 1999 was a strong signal that the country was headed away from democracy. Yet in the intervening years—as America and the world's other leading powers have continued to appease him—Putin has grown not only into a

dictator but an international threat. With his vast resources and nuclear arsenal, Putin is at the center of a worldwide assault on political liberty and the modern world order. For Garry Kasparov, none of this is news. He has been a vocal critic of Putin for over a decade, even leading the pro-democracy opposition to him in the farcical 2008 presidential election. Yet years of seeing his

Cassandra-like prophecies about Putin's intentions fulfilled have left Kasparov with a darker truth: Putin's Russia, like ISIS or Al Qaeda, defines itself in opposition to the free countries of the world. As Putin has grown ever more powerful, the threat he poses has grown from local to regional and finally to global. In this urgent book, Kasparov shows that the collapse of

the Soviet Union was not an endpoint-only a change of seasons, as the Cold War melted into a new spring. But now, after years of complacency and poor judgment, winter is once again upon us. Argued with the force of Kasparov's world-class intelligence, conviction, and hopes for his home country, *Winter Is Coming* reveals Putin for what he is: an existential danger hiding in plain sight.
