This book provides a well-researched biblical and scientific overview of abuse. A broad overview, it deals with the various types of abuse, the various effects of abuse, and the means of healing. Abuse can be sexual, physical, neglect, spiritual, and verbal. The chief arguments pursued throughout the book are: (1) abuse is far more rampant than most Christians realize, but due to human depravity and satanic influence, widespread abuse is predicable. (2) All types of abuse create profound, long-term soul damage due to the way abuse perverts various aspects of the image of God. (3) God is the healing redeemer. Human salvation came through horrible physical abuse. (4) Healing must take place in the context of relationships. Humans are deeply impacted by others due to being made in the image of God. Just as surely as abusive relationships have tremendous power to wound the soul, so healthy relationships have

tremendous power to nurture and heal the soul. Questions answered in the book include: How can a genuine believer abuse a child? Why would someone abuse a child? How can parents and children's workers identify abusers? How can abuse victims heal? What does genuine healing look like? Is anger appropriate or hurtful for abuse victims? Where does forgiveness fit in? This second edition has been updated to reflect research conducted and published in the past 15 years on abuse and trauma. It accounts for the significant social changes and increased mental health struggles in our culture, including dramatic escalation in rates of depression, anxiety, suicide, and isolation, which exacerbate the effects of abuse and complicate the healing process. Based on their now-extensive trauma care experience, this new edition helps readers how to minister to new domestic and global victims such as sex trafficking survivors, foster children, refugees, and survivors of genocide. Examples and illustrations are updated with more recent ones from high-profile abuse cases and the aftermath of the #MeToo movement. The appendixes include lists of helpful

resources for child protection policies, worker/parent child abuse education, warning signs of potential abusers, and general abuse resources (books, internet sites, and organizations) to equip ministry leaders are provided in appendixes. Illustrations, case studies, and art therapy drawings.

In *A Million Skies*, Abigail shares her journey to gain a true vision about the mental illness that radically altered her life: bipolar disorder. After facing several near-death experiences and a tumultuous fallout from her initial diagnosis, she was left with little of the life she had known. In time, Abigail has found victory in her mind, but that has meant that she has had to shift her views of herself, others, life, and God. More than one woman's story, *A Million Skies* is an invitation to understand mental illness in new ways. The reader who enters the pages of *A Million Skies* will find the author's contagious courage, inspiring journey, and words of challenge compelling them forward.

incredible true story of survival and salvation that is the basis for two major motion pictures: 2014's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant's name was Louis Zamperini. In boyhood, he'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a

foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* "Extraordinarily moving . . . a powerfully drawn survival epic."—*The Wall Street Journal* "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurbly adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—*New York* "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—*People* "A meticulous, soaring and beautifully written account of

an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Marvelous . . . Unbroken is wonderful twice over, for the tale it tells and for the way it’s told. . . . It manages maximum velocity with no loss of subtlety.”—Newsweek “Moving and, yes, inspirational . . . [Laura] Hillenbrand’s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, Fresh Air “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it.”—Christopher McDougall, author of *Born to Run*

 Just below the surface among the family of God lives another family tree—one traced in spirit, invisible and ageless, known as the Watchers. For two thousand years they've seen beyond the veil separating

this world from the next, passing on their gift through a lineage mostly overlooked. Throughout history they've scouted the borders of the supernatural frontier, but now their survival hangs by a thread. And their fate lies in the hands of a young woman, her would-be killer, and a mystery they must solve. . . . "Congratulations. You just reached my own little corner of cyberspace. Who am I? Abby Sherman, that's who. Who are you? And why are you checking me out? Drop me a few pixels, and let's find out!" A sneak preview of eternity becomes her one-way ticket to danger—and discovery. . . . Two lives collide in a globe-circling adventure involving both peril and discovery: Abby, a young woman whose visions of heaven turn her into a Web-celebrity; and Dylan, a troubled young man sent by an ancient foe to silence her. "[The author] traces the full arc of Thoreau's life, from his early days in the intellectual hothouse of Concord, when the American experiment still felt fresh and precarious, and 'America was a family affair, earned by one generation and about to pass to the next.' By the time he died in 1862, at only forty-four years of age, Thoreau had witnessed the transformation of his world from a community of farmers and artisans into a bustling, interconnected commercial nation. What did that portend for the contemplative individual and abundant, wild nature that Thoreau celebrated? Drawing on Thoreau's copious writings, published and unpublished, [the author] presents a Thoreau vigorously alive in all his quirks

and contradictions: the young man shattered by the sudden death of his brother; the ambitious Harvard College student; the ecstatic visionary who closed Walden with an account of the regenerative power of the Cosmos. We meet the man whose belief in human freedom and the value of labor made him an uncompromising abolitionist; the solitary walker who found society in nature, but also found his own nature in the society of which he was a deeply interwoven part. And, running through it all, Thoreau the passionate naturalist, who, long before the age of environmentalism, saw tragedy for future generations in the human heedlessness around him."--

When fourteen-year-old Abby Kate boards the train in Austin to spend three weeks with her grandmother in Galveston, she's full of excitement--about the train ride and the prospect of days on the beach, exploring Galveston with her cousin Jane, family picnics, and her grandmother's good food. But things go wrong even before she gets to her grandmother's house. Abby Kate gets off the train briefly

in Houston--and the train leaves without her. Stranded in the railroad station, she is befriended by a man traveling with his two sons and eventually reaches Galveston safely. Then word comes that Abby Kate's young brother, Will, has diphtheria, and she will have to stay in Galveston indefinitely. Abby Kate is still in Galveston on September 8 when a massive hurricane strikes the city. At first the prospect of a storm is exciting. But as Abby Kate takes an ill-advised trip to watch the waves crash on the beach, the storm turns into a terrifying monster. Unable to make it back to Grandmother Linden's house, Abby Kate, her older cousin Ellen, and Ellen's friend Ian take refuge in the home of one of Ian's teachers. When the house falls apart, Abby Kate is on her own, clinging to a plank in swirling waters with the wind howling around her head. With vivid descriptions, Julie Lake plunges the reader

into the storm right along with Abby Kate. The Galveston hurricane of September 8, 1900, remains the worst national disaster to hit the United States. And Abby Kate? She's spunky, mischievous, kind and caring, courageous when she has to be, and absolutely irresistible!
