Using a time-tested approach that has helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with carefully sequenced practice to develop speaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly

from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. * New charts and exercises show patterns to help learners make sense of the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-

the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.

Pearson Education ESL
Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about

real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting differences between spoken and written English Step-by-step writing activities with models for students to follow Innovative warm-up exercises that precede the grammar charts and introduce points to be taught Newly created exercises to give students more incremental grammar practice Structure-based listening exercises that introduce students to relaxed, reduced speech
